**Tobias Smollett After 300 Years:** Richard J. Jones, 2023-11-15 Tobias Smollett After 300 Years offers a collection of essays on one of the great literary figures of the eighteenth century the Scottish writer Tobias Smollett 1721 1771 Drawing together the work of an international group of scholars with a variety of critical approaches the book examines aspects of Smollett s life writing and reputation on the three hundredth anniversary of his birth *Tobias Smollett in the Enlightenment* Richard J. Jones, 2011-04 Tobias Smollett 1721 1771 is best known today as a novelist but in the eighteenth century he was regarded as a historian and critic In this book Richard J Jones explores the diversity of Smollett s journalistic and literary writings and establishes new connections between Smollett s work and writers of the Scottish Enlightenment The book takes as its focal point Smollett s visit to Nice between 1763 and 1765 and the account he wrote of it in *Travels through France and Italy* 1766 This account is usually seen as a travel narrative but Jones argues that it should be read as a pocket encyclopedia in the tradition of Voltaire Jones divides his study into sections on medicine fine art the theater and history In doing so he offers a productive juxtaposition of authors texts and contexts presenting Smollett as a writer whose Scottish and particularly Glaswegian identity informed his involvement in a wider European Enlightenment Radical Doctor Smollett Donald James Williams Bruce, 1965 Critical analysis of the 18th century social satirist **Tobias Smollett** Lionel Kelly, 2002-09-11 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling student and researcher to read the work themselves **Radical Doctor Smollett** Donald Bruce, 1985 *Tobias Smollett* Damian Grant, 1977 *Probability and Literary Form* Douglas Lane Patey, 1984-04-12 This highly original and penetrating study explores fundamental intellectual predispositions and concepts which underpin the literature and thought of the Augustan period in England By examining in particular Augustan notions of probability and the way they provided a framework for thinking about and organising experience Dr Patey reconstructs a characteristically eighteenth century theory of literature which offers a much more satisfactory account of the work of Pope Johnson Fielding and others than the Romantic literary categories already in existence The scope of this study is encyclopaedic and it will be an essential reference work for all scholars of eighteenth century English literature and intellectual history as well as historians of ideas **Uneasy Sensations** Aileen Douglas, 1995-10-15 Looking at such works as *The Adventures of Roderick Random* *The Expedition of Humphry Clinker* and *The Adventures of Peregrine Pickle* Douglas explores the ways Smollett uses representations of sentience especially torment and pain in his critique of the social and political order **The Springs of Liberty** Stewart Justman, 1999 Justman considers satire not as a genre but as a potential available to different genres He contrasts a line of English literature critical of journalism writers such as Addison Austen and Trollope with another less mannerly represented by writers who exploded the stock formulas of which so much journalism is made a line running from Swift through Dickens to Joyce and Orwell Discussed

too is the exploitation of the power of satire in political doctrine BOOK JACKET *Bibliography of the History of Medicine , Public Health Service Publication ,* **Closeted Writing and Lesbian and Gay Literature** David M.

Robinson,2017-05-15 Arguing for renewed attention to covert same sex oriented writing and to authorial intention more generally this study explores the representation of female and male homosexuality in late sixteenth through mid eighteenth century British and French literature The author also uncovers and analyzes long term continuities in the representation of same sex love sex and desire between the classical early modern eighteenth century and even modern periods Among the seventeenth and eighteenth century authors and texts examined here are Mme de Murat Les Memoires De Madame La Comtesse De M 1697 John Cleland Memoirs of a Woman of Pleasure 1748 49 Tobias Smollett The Adventures of Roderick Random 1748 Nicolas Chorier and Jean Nicolas L Academie des dames 1680 Delarivier Manley The New Atalantis 1709 and Isaac de Benserade Iphis et Iante 1637 Classical texts brought into the discussion include Juvenal s Satires Lucian s Erotes and most importantly Ovid s Metamorphoses Casting its net broadly yet exploring deeply poems plays novels and more from the serious to the satiric the polite to the pornographic well known and little known written in English French and Latin published in early modern and eighteenth century Britain and France plus key classical texts this study engages with the historiography of sexuality as a whole *Tobias George Smollett* Robert Donald Spector,1989 Provides in depth analysis of the life works career and critical importance of Tobias George Smollett **The Fame Machine** Frank Donoghue,1996 Principally on Sterne Goldsmith and Smollett *The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800* George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Between Self and Society** John Rodden,2016-01-15 Between Self and Society explores the psychosocial dramas that galvanize six major British novels written between the eighteenth and twentieth centuries The book challenges an influential misconception that has for too long hindered appreciation of the psychological novel John Rodden argues that there should be no simplifying antithesis between psychological inner conflicts within the mind or soul and institutional outer conflicts within family class community Instead it is the overarching dramatic yet often tortuous relations between self and society that demand our attention Rodden presents fresh interpretations of an eclectic group of prose fiction classics including Tobias Smollett s The Adventures of Roderick Random William Godwin s Caleb Williams Thomas Hardy s The Mayor of Casterbridge Ford Madox Ford s The Good Soldier Wyndham Lewis s Tarr and D H Lawrence s Women in Love Far from

being merely admirable experiments let alone daring though interesting failures these fictions are shown to possess aesthetic unity stylistic consistency and psychic force *Between Self and Society* thus impels our careful reconsideration of novels that represent major artistic achievements yet have been either unjustly neglected or appreciated in limiting ways that do injustice to their psychological aspects Rodden's vibrant discussion invites an upward revaluation of these works and encourages the full recognition of their value and significance in British literary history     *Tobias Smollett* Mary Wagoner, 1984     **Constructions of Smollett** John Skinner, 1996 Professor John Skinner analyzes the prose narratives of Tobias George Smollett 1721-71 and their place in the development of the novel in *Constructions of Smollett A Study in Genre and Gender*     **The History and Adventures of an Atom** Tobias George Smollett, 2014 In the novel a London haberdasher relates extraordinary tales of ancient Japan as dictated to him by an omniscient atom that has lived within the bodies of great figures of state This edition is the first to appear since 1926 and provides a carefully prepared text historical annotations and an accurate key to personages and places     *Physicians and Surgeons in Glasgow, 1599-1858* Kordes, 1999-07-01 Traces the establishment of the Royal College of Physicians and Surgeons of Glasgow as a licensing body to its eminence as a centre of teaching in the 18th century The text then covers the subsequent decline of the college in the 19th century with an account of how in conjunction with Glasgow University it re-established itself as the guarantor of high medical standards of learning and practice
