

The background of the book cover is a dramatic, low-key photograph. It shows a dark silhouette of a building, possibly a church or a government structure, against a sky filled with swirling, dark clouds. A bright, glowing light source, likely the sun or moon, is partially obscured by the clouds on the left side, creating a strong backlighting effect. The overall mood is somber and intense.

Radical Islam Vs America:

Radical Islam in America Chris Heffelfinger, 2011-04-30 The radicalization of Muslims and Islamic institutions in the United States Europe and across the Islamic world has fostered a new generation of Islamist activists many of them willing to use violence to achieve their aims In **Radical Islam in America** Chris Heffelfinger describes the development of the Islamist movement examines its efforts and influence in the West and suggests strategies to reduce or eliminate the threat of Islamist terrorism The book distinguishes Islamism the fundamentalist political movement based on Islamic identity and values from the Muslim faith and explores Islamists substantial inroads with Muslims and Muslim educational institutions in the West since the 1960s as well as the larger relationship between Islamist political activism and militancy Heffelfinger argues that the West has often mischaracterized jihadists as a nihilistic irrational force desiring nothing but death and destruction Instead we need to recognize that Islamists are part of a much broader struggle over the political social economic and legal direction of Muslims around the world Our failure to understand the motives behind terrorist tactics has resulted not only in ineffective counterterrorism strategies but also in the proliferation of Islamist militants and sympathizers Among the hundreds of terrorism related arrests since 9 11 a large number were young socially alienated Muslims who were moved by the jihadist message but not directed by jihadist networks overseas That phenomenon and the ideology behind it is what Western society and governments must fully understand in order to construct a viable policy to confront it This book will appeal to scholars and general readers interested in global politics current affairs Middle East terrorism and counterterrorism

American Heroes in the Fight Against Radical Islam Oliver North, 2008 What is a Hero New York Times best selling author Oliver North says Real heroes are selfless Those who serve America in harm s way in the war against radical Islam have that quality in abundance And so do their families and loved ones at home Yet they rarely get the attention or coverage they deserve Despite the way they are presented by too many in the press and politics the men and women in uniform today are overwhelmingly good I never cease to be amazed at the self discipline of these brave young Americans They can endure the adrenaline pumping violence of an enemy engagement and then just minutes later help school children get safely to their classes No nation ours included has ever had a military force better than the one we have today I m proud of them You should be too In **American Heroes** a New York Times Wall Street Journal and Washington Post best seller North offers an inspiring first hand account of the extraordinary men and women defending America against radical Islamic terror from his perspective as a forty year member of the United States military a member of the National Security Council staff and serving as the U S government s counter terrorism coordinator from 1983 1986 This patriotic book also pulls in new reports and exclusive full color photographs from War Stories the award winning FOX News Channel series hosted by North Endorsements Oliver North has spent his life among America s heroes This book with its moving words and powerful images will inspire patriots reassure the faint of heart and infuriate our nation s adversaries These are our heroes

they deserve to have their story told and no one is better to tell it than Col North because when it comes to heroes it takes one to know one This book is a treasure Newt Gingrich former Speaker of the House of Representatives and New York Times bestselling author of Real Change Ollie North has been there done that with the American heroes who are winning the war against radical Islamic terror This book is a magnificent tribute to the warriors who defend us all Sean Hannity host of The Sean Hannity Show and FOX News Channel s Hannity Colmes
