The Populist Radical Right Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

The Extreme Right in Europe Uwe Backes, Patrick Moreau, 2011-12-07 The present work deals not only with the well organized right extremism in modern Europe as well as with its function in proper political parties but equally includes two additional broader approaches the militant branches and subcultures that

exist including some paramilitary phenomena in Eastern Europe and the broad realm of their political ideas and cultural trends and the influence they exert on European political culture

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

The Emergence of a Euro-American Radical Right Jeffrey Kaplan, Leonard Weinberg, 1998 The United States and Western Europe are experiencing a new and important cultural and political development In this book Jeffrey Kaplan and Leonard Weinberg argue that there now exists a set of conditions common to the United States and Western Europe that draws right wing radicals on both sides of the Atlantic closer together

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This book has three aims Firstly it explores the extreme right in order to assess its ideological meaning and its political expression Beginning with a discussion of the meaning and usefulness of the Left Right distinction it deals with the varying significance of the term right and discusses the appropriateness of the competing terms radical new populist and extreme right The book argues that the traditional neo fascist party has been supplanted by a new type of extreme right party unrelated to fascist ideology but nevertheless opposed to the fundamental values of the democratic political system The book's second aim is to carry out an in depth analysis of the post war evolution of the extreme right of each country in Western Europe The analysis highlights their lineage from pre war fascist regimes or movements their different partisan expressions in the post war period their ideological profile their party's relationship with other actors in the party system the socio demographic and attitudinal profile of their voter base and finally the conditions which have favoured or inhibited their development Finally the book discusses in detail more recent trends within the West European extreme right and outlines a conceptual framework for explaining the success or failure of each political party The volume extensively revised expanded and updated from its original widely acclaimed Italian edition will be essential reading for all those working on parties and movements in Western

Europe **Party Transformations in European Democracies** André Krouwel, 2012-11-20 Political parties regularly change and adapt in response to ever changing circumstances Until now these changes have frequently prompted both scholars and the media to suggest a whole new type of political party and over time the number of models and types has proliferated to the point of confusion contradiction and a loss of explanatory power In this sophisticated yet accessible study Andr Krouwel rejects this m lange of models as inadequate He utilizes a wide range of data sources to analyze the ideological organizational and electoral change undergone by more than one hundred European parties in fifteen different countries from Scandinavia to the Iberian Peninsula between 1945 and 2010 The result is one of the most comprehensive empirically grounded studies to date of the genesis development and transformation of political parties in advanced democratic states

The Oxford Handbook of Electoral Persuasion Elizabeth Suhay, Bernard Grofman, Alexander H. Trechsel, 2020-04-01 Elections are the means by which democratic nations determine their leaders and communication in the context of elections has the potential to shape people s beliefs attitudes and actions Thus electoral persuasion is one of the most important political processes in any nation that regularly holds elections Moreover electoral persuasion encompasses not only what happens in an election but also what happens before and after involving candidates parties interest groups the media and the voters themselves This volume surveys the vast political science literature on this subject emphasizing contemporary research and topics and encouraging cross fertilization among research strands A global roster of authors provides a broad examination of electoral persuasion with international perspectives complementing deep coverage of U S politics Major areas of coverage include general models of political persuasion persuasion by parties candidates and outside groups media influence interpersonal influence electoral persuasion across contexts and empirical methodologies for understanding electoral persuasion

Extreme Reactions Lenka Bustikova, 2019-10-24 Shows that the acquisition of political power and demand for rights by ascendant minority groups in Eastern Europe has precipitated a backlash of radical right mobilization

Class Politics and the Radical Right Jens Rydgren, 2013 One of the most significant events in European politics the past two decades is the emergence of radical right wing parties mobilizing against immigration and multiethnic societies Such parties have established themselves in a large number of countries often with voter shares exceeding ten and sometimes even twenty percent Many of these parties exert a real influence on the policy within respective country The emergence of the recent wave of radical right wing party politics has generated a large and growing literature spanning a variety of dimensions such as ideology voting and policy impact This volume will cover all these dimensions but it will in particular focus on two questions why is it that the working class tends to be especially attracted by the radical right wing parties And what does the radical right wing parties growing electoral successes mean for Social Democracy and the traditional left in Europe which are meeting growing competition from the radical right over working class voters Bringing together the leading scholars within this field this book makes a unique contribution by focusing on the relationship between class politics

and the radical right **Welfare Democracies and Party Politics** Philip Manow, Bruno Palier, Hanna Schwander, 2018-04-19 Europe's political landscapes are in turmoil and new radical parties challenge the established political order. This book locates Europe's contemporary challenges within the longer economic and political trajectories of its welfare democracies. The book argues that it is imperative to understand the specific structures of political competition and voter-party links to make sense of the political and economic turmoil of the last decades. In four distinct European welfare democracies (Nordic, Continental, Southern, and Anglo-Saxon), the political economy, the party system, and the structure of the political space are co-determined in a specific way. Accordingly, different packages of policies and politics and distinct patterns of alignment between core electoral groups and political parties exist in the four welfare democracies and shape the reactions of European welfare democracies to the current turmoil. This volume provides an analytical framework that links welfare states to party systems, combining recent contributions to the comparative political economy of the welfare state and insights from party and electoral politics. It states three phenomena: First, concerning electoral politics, the book identifies a certain homogenization of European party systems, the emergence of a new combination of leftist socio-economic and rightist socio-cultural positions in many parties, and finally, the different electoral success of the radical right in the north of Europe and of the radical left in the south. Secondly, the contributions to this book indicate a confluence toward renewed welfare state support among parties and voters. Thirdly, it demonstrates that the Europeanization of political dynamics combined with incompatible growth models has created pronounced European cleavages.

Populist Political Communication in Europe Toril Aalberg, Frank Esser, Carsten Reinemann, Jesper Stromback, Claes De Vreese, 2016-07-01 In an increasing number of countries around the world, populist leaders, political parties, and movements have gained prominence and influence, either by electoral successes on their own or by influencing other political parties and the national political discourse. While it is widely acknowledged that the media and the role of communication more broadly are key to understanding the rise and success of populist leaders, parties, and movements, there is however very little research on populist political communication, at least in the English-speaking research literature. Originating from a research project funded by the European Cooperation in the field of Scientific and Technical Research (COST), this book seeks to advance this research. It includes examinations of 24 European countries and focuses on three areas within the context of populism and populist political communication: populist actors as communicators, the media and populism, and citizens and populism.

Comparative European Politics Rory Costello, Neil Robinson, 2020 This essential guide to comparative European politics provides the broadest range of coverage on Europe illustrated via the widest range of examples applied to contemporary events.

Civil Society Revisited Kerstin Jacobsson, Elżbieta Korolczuk, 2017-06-01 In much social scientific literature, Polish civil society has been portrayed as weak and passive. This volume offers a much-needed corrective, challenging this characterization on both theoretical and empirical grounds and suggesting new ways of conceptualizing civil society to better account for events on the ground as well as global

trends such as neoliberalism migration and the renewal of nationalist ideologies Focusing on forms of collective action that researchers have tended to overlook the studies gathered here show how public discourse legitimizes certain claims and political actions as true civil society while others are too often dismissed Taken together they critique a model of civil society that is made from above

Europe and the Left James L. Newell, 2020-10-12 This edited volume revolves around two sets of questions First what do the 2019 European elections suggest about the extent to which the mainstream parties of the left are attempting to deal with their decline through an increased common emphasis on their project for a more integrated social Europe as opposed to an emphasis on the more traditional domestically focussed issues Given the heightened profile of Europe in domestic politics given the polarisation around Europe given the way in which especially in the countries of the Eurozone media discussion of the domestic implications of EU decision making can influence the climate of opinion regardless of the actions of domestic party actors themselves we would expect the social democrats among them to seek to reassert control over the conditions of opinion formation through a renewed emphasis on integration as well as its benefits and its potential as a source of identities to rival national exclusionary identities in opposition to their populist and Eurosceptical adversaries To what extent do the campaigns waged by these parties bear out this expectation Second how well are the parties coping with the internal and external institutional and political obstacles in the way of pursuit of this agenda

Routledge Handbook of European Politics José Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics

Domestic Contestation of the European Union Sara B. Hobolt, Toni Rodon, 2021-06-29 This book examines how Europe wide issues such as immigration cross national redistribution and further European integration have reshaped electoral democracy and party competition across Europe After decades of scholars and commentators bemoaning the limited politicization of the EU nationally European issues have come to dominate domestic electoral politics From the Eurozone crisis to the struggle of dealing with growing numbers of migrants and refugees entering Europe EU wide issues now occupy a salient part of the domestic political debate This book examines what drives public opinion towards some of the key Europe wide issues of the day and how these EU issues shapes

electoral behaviour and party competition It brings together leading scholars from different fields to explore what shapes preferences towards Europe wide policy issues how they influence electoral behaviour and party fortunes and what the implications are for the quality of European democracy Overall this book deepens our understanding of the state of European democracy domestically in an era in which national and Europe wide problems and policy solutions are inextricably linked The chapters in this book were originally published in the Journal of European Public Policy

Absorbing the Blow Steven Wolinetz, Andrej Zaslove, 2018-06-08 The significance of populist parties and their presence in party systems is undeniable Parties like the Dutch Freedom Party the French National Front and the Five Star Movement in Italy rank among the largest political parties in their party systems Absorbing the Blow examines the effect of populist parties on eleven European party systems The results are mixed The book finds that impact often depends on the influence that populist parties have had on mainstream political parties those that hitherto dominated party competition In some instances populist parties reinforce existing patterns of competition and government formation Party systems that were bipolar continue to be bipolar In others change occurs either because populist parties make it difficult for mainstream parties to form coalitions that were hitherto possible or because their presence allows mainstream parties to form coalitions that were not previously conceivable This collection seeks to analyse the way in which mainstream parties absorb the blow of populist party activity and concludes that populist parties are one of several factors contributing to changes in party systems

The Handbook of West European Pension Politics M. Immergut, M. Anderson, Isabelle Schulze, 2007-01-04 The Handbook of West European Pension Politics provides scholars policy makers and students with a complete overview of the political and policy issues involved in pension policy and well as case studies of contemporary pension politics 1980 to present in 16 countries Austria Belgium Denmark Finland France Germany Greece Ireland Italy Luxembourg the Netherlands Portugal Spain Sweden Switzerland and the UK The book is suitable as a text for courses in comparative politics European Studies social policy comparative public policy and public administration Each chapter is written by an expert on pension politics and is presented in a standardized format with standardized tables and figures that describe political institutions government coalitions parliamentary and electoral majorities the party system the pension system proposed and enacted pension reforms

Impact of Extreme Right Parties on Immigration Policy Joao Carvalho, 2013-09-05 Drawing on a mixed research methodology with a strong qualitative character this book traces the political impact of the British National Party in the UK the Front National in France and the Lega Nord in Italy by exploring their contagion effects on immigration politics and policy in particular over the patterns of inter party competition public behaviour and policy developments This book suggests that extreme right party impact on immigration politics and policy is an outcome of the extreme right parties electoral threats to established parties alongside the agency of mainstream political elites It also highlights the decline in the intensity of extreme right parties contagion effects on public attitudes to immigration throughout the late 2000s or the potential overstatement of this political

process in the past Featuring detailed case studies of the UK France and Italy as three mature multi party democracies where the extreme right was on the rise during the past decade this work will be of great interest to students and scholars of populism extremism European politics and comparative and party politics

Radical Right Parties And Electoral Competition Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change. Radical Right Parties And Electoral Competition Introduction

In today's digital age, the availability of Radical Right Parties And Electoral Competition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Right Parties And Electoral Competition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Right Parties And Electoral Competition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Right Parties And Electoral Competition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Right Parties And Electoral Competition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Right Parties And Electoral Competition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Right Parties And Electoral Competition books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Right Parties And Electoral Competition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Right Parties And Electoral Competition books and manuals for download and embark on your journey of knowledge?

FAQs About Radical Right Parties And Electoral Competition Books

1. Where can I buy Radical Right Parties And Electoral Competition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Radical Right Parties And Electoral Competition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Radical Right Parties And Electoral Competition books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.

Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Radical Right Parties And Electoral Competition audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Radical Right Parties And Electoral Competition books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
