Radical Spirituality Richard Sutphen, Dick Sutphen, 1995      You Were Born Again to Be Together Dick Sutphen, 2021-10-26 Discover the classic guide to past life regression that reveals how soulmates are reunited across the ages from renowned psychic researcher Dick Sutphen There is absolutely no doubt in my mind that romantic partners together in this lifetime have been together before After being hypnotized and shown his own past lives Dick Sutphen went on to become a practitioner of hypnosis and past life regressions Over the years he worked with many people and discovered the importance of karma that we have lessons to learn and if we do not do so in one lifetime we will encounter them in another lifetime Other people are instrumental in our learning these karmic lessons and we can be tied to certain individuals in life after life In this book Sutphen shares regressions with several clients and includes transcripts of their sessions In hearing their stories we discover what these people came to understand about the challenges in their present lives after they looked to the past Originally written in 1976 You Were Born Again to Be Together remains a useful primer in shining a light on metaphysics and the amazing power of the human spirit Discover the classic guide to past life regression that reveals how souls are reunited across the ages      Heal Thyself Pieter De Wet, 2010-06-29 With our health care system at its breaking point it is incumbent upon each of us to learn how to better take care of ourselves Is it conceivable that disease is a blessing not a curse a biological solution to internal imbalances created by unresolved inner conflicts lifestyle environmental toxins and infectious agents Author and doctor Pieter J De Wet sheds new light on why and how you get sick and guides you through the most critical steps on how to gain your health back in Heal Thyself Transform Your Life Transform Your Health Every patient should read this book in order to gain optimum health Heal Thyself helps even the novice patient understand how most illnesses actually develop and how the patient can take responsibility for their own recovery using safe effective noninvasive techniques William Lee Cowden MD MD H By understanding the purpose of disease and its root causes the solutions become readily apparent Follow Dr De Wet s twelve week plan and let Heal Thyself empower you to embrace these solutions and no longer feel that you are at the mercy of unpredictable and devastating scourges      Street Smarts and Critical Theory Thomas McLaughlin, 1996-11-15 Like academic theorists who are trained in a tradition of philosophical and political skepticism that challenges all orthodoxies the vernacular theorists McLaughlin identifies display a lively and healthy alertness to contradiction and propaganda They are not passive victims of ideology but active questioners of the belief systems that have power over their lives Their theoretical work arises from the circumstances they confront on the job in the family in popular culture And their questioning of established institutions McLaughlin contends is essential and healthy for it clarifies the purpose and strategies of institutions and justifies the existence of cultural practices      **The Oprah Phenomenon** Jennifer Harris, Elwood Watson, 2014-10-17 Her image is iconic Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing the talk show

host's unique style of self-actualizing individualism. The cultural and economic power wielded by Winfrey merits critical evaluation. The contributors to *The Oprah Phenomenon* examine the origins of her public image and its substantial influence on politics, entertainment, and popular opinion. Contributors address praise from her many supporters and weigh criticisms from her detractors. Winfrey's ability to create a feeling of intimacy with her audience has long been cited as one of the foundations of her popularity. She has repeatedly made national headlines by engaging and informing her audience with respect to her personal relationships, to race, gender, feminism, and New Age culture. *The Oprah Phenomenon* explores these relationships in detail. At the root of Winfrey's message to her vast audience is her assertion that anyone can be a success regardless of background or upbringing. The contributors scrutinize this message: What does this success entail? Is the motivation behind self-actualization in fact merely the hope of replicating Winfrey's purchasing power? Is it just a prescription to buy the products she recommends and heed the advice of people she admires, or is it a lifestyle change of meaningful spiritual benefit? *The Oprah Phenomenon* asks these and many other difficult questions to promote a greater understanding of Winfrey's influence on the American consciousness.

**Transrational Resonances** Josefina Echavarría Alvarez, Daniela Ingruber, Norbert Koppensteiner, 2018-02-28. This book comprehensively gathers the current academic literature, field expertise, and artistic developments on Wolfgang Dietrich's Many Peaces theory in the ways it has been conceptualized and practiced by peace and conflict workers around the world. Both scholars and practitioners challenge and creatively explore the field of transrational peace philosophy, contributing their insights on elicitive methods and conflict mapping. The book is further enriched by artistic perspectives on integrative approaches to theatre for living and intercultural soundscapes. The articles collected here respond with innovative strength and vigor to the worldwide need for further research on peace and for practical approaches to conflict transformation. This book therefore equally appeals to scholars, peacebuilders, and practitioners as well as artists engaged in conflict transformation.

[Perspectives on the New Age](#) James R. Lewis, J. Gordon Melton, 1992-11-03. This book begins with a comprehensive historical section that places the New Age within the context of its predecessor movements. It then focuses on specialized aspects of this subculture from essays on the convergence of New Age spirituality with women's spirituality to an essay on how Evangelical Christians have responded to the movement. The book also examines the international impact of the New Age.

**Philosophy of Religion for a New Century** Jeremiah Hackett, Jerald Wallulis, 2004-04-30. *Philosophy of Religion for a New Century* represents the work of nineteen scholars presented at a conference in honor of Eugene T. Long at the University of South Carolina, April 5-6, 2002. This volume is a good example of philosophy in dialogue; there is both respect and genuine disagreement. First, an account of our present situation in the Philosophy of Religion is given, leading to a discussion of the very idea of a Christian Philosophy and the coherence of the traditional concept of God. The implications of science and a concern for the environment in our concepts of God are carefully examined. A discussion follows on the possibility of speech about God and silence about God. Since much of modern

European philosophy is concerned with the Death of God theme the positions of Nietzsche and some of his twentieth century interpreters are presented There are presentations on Feminist Approaches to Philosophy of Religion and Comparative Religion is examined in relation to cultures and the demands of rationality The volume concludes with a critical dialogue on the relation of Religious Discourse to the Public Sphere Developing global awareness has led to significant change in the Philosophy of Religion One dimensional approaches have given way to honest dialogue The traditional boundaries between the secular and the religious have shifted and new approaches to traditional problems are required This volume presents examples of these new approaches     EntreMundos/AmongWorlds A. Keating,2016-01-26 A multidisciplinary investigation of the concepts impact and writings of contemporary cultural theorist and creative writer Gloria Anzaldua Her work has challenged and expanded previous views in American Studies composition studies cultural studies ethnic studies feminism literary studies critical pedagogy and queer theory     **Encyclopedia of New Age Beliefs** John Ankerberg,John Weldon,1996 This comprehensive indexed volume includes short one page listings of pertinent facts about a particular movement its founder how it claims to work scientific evaluations done and its potential dangers Some topics covered are angels visualization shamanism hypnosis new age medicine and martial arts     **The Church in the Movement of the Spirit** William R. Barr,1994 A collection of seven essays exploring how the Spirit moves in an amazing variety of ways through the church s life and witness Based on a four year study by the Faith and Order Working Group of the National Council of Churches this volume offers an ecumenical view of the Spirit at work in the church and of the wider movement of the Spirit in creation and in human history     *Modernism and British Socialism* Thomas Linehan,2012-08-06 Thomas Linehan offers a fresh perspective on late Victorian and Edwardian socialism by examining the socialist revival of these years from the standpoint of modernism In so doing he explores the modernist mission as extending beyond the concerns of the literary and artistic avant garde to incorporate political and social movements     **Being Spiritual but Not Religious** William B. Parsons,2018-05-30 In its most general sense the term Spiritual but Not Religious denotes those who on the one hand are disillusioned with traditional institutional religion and on the other hand feel that those same traditions contain deep wisdom about the human condition This edited collection speaks to what national surveys agree is a growing social phenomenon referred to as the Spiritual but Not Religious Movement SBNRM Each essay of the volume engages the past present and future s of the SBNRM Their collective contribution is analytic descriptive and prescriptive taking stock of not only the various analyses of the SBNRM to date but also the establishment of a new ground upon which the continued academic discussion can take place This volume is a watershed in the growing academic and public interest in the SBNRM As such it will vital reading for any academic involved in Religious Studies Spirituality and Sociology     *Religion, Education and Post-Modernity* Andrew Wright,2003-12-16 This book the first to explore religious education and post modernity in depth sets out to provide a much needed examination of the problems and possibilities post modernity raises for religious education

At once a general introduction to this topic and a distinctive contribution to the debate in its own right *Religion Education and Post modernity* explores and illuminates the problems and possibilities opened up for religious education by postmodern thought and culture The book describes the emergence of post modernity considers the impact of post modernity on religion addresses its impact on the philosophy of religion and considers the nature of religious education in the post modern world Andrew Wright argues that although post modernity has much to offer the religious educator there are also many pitfalls and dangers to be avoided Steering clear of the extreme of post modern hyper realism he constructs a religious pedagogy sensitive to post modern concerns for alterity difference and the voice of the Other whilst insisting on the importance of reasons in cultivating religious literacy

**Participatory Spirituality** John Heron, 2006 This innovative book is a collage of overlapping views each of which presents a distinct perspective on human spirituality as participating co creatively in the life divine You are invited to explore the text as a virtual conceptual reality roaming freely among the chapters and pages progressively generating a feeling for and comprehension of the whole A diversity of presentations include the manifesto the personal story theology metaphysics epistemology pathology psychology and practice You are also invited to appropriate and adapt any of the author's ideas and integrate them in any way into any form of expression of your own spiritual vision The author lays no claim to intellectual property rights with regard to the content of this book With illustrations and front cover photo by the author

Renaissance Magic and the Return of the Golden Age John S. Mebane, 1992-01-01 For all their pride in seeing this world clearly the thinkers and artists of the English Renaissance were also fascinated by magic and the occult The three greatest playwrights of the period devoted major plays *The Tempest* *Doctor Faustus* *The Alchemist* to magic Francis Bacon often referred to it and it was ever present in the visual arts In *Renaissance Magic and the Return of the Golden Age* John S Mebane reevaluates the significance of occult philosophy in Renaissance thought and literature constructing the most detailed historical context for his subject yet attempted
