*Radio and Television Broadcasting in Eastern Europe* Burton Paulu, 1974-11-19      *Radio and Television Broadcasting in Eastern Europe* Burton Paulu,      Popular Television in Eastern Europe During and Since Socialism Anikó Imre, Timothy Havens, Kati Lustyik, 2013 This collection of essays responds to the recent surge of interest in popular television in Eastern Europe This is a region where television's transformation has been especially spectacular shifting from a state controlled broadcast system delivering national regional and heavily filtered Western programming to a deregulated multi platform transnational system delivering predominantly American and Western European entertainment programming Consequently the nations of Eastern Europe provide opportunities to examine the complex interactions among economic and funding systems regulatory policies globalization imperialism popular culture and cultural identity This collection will be the first volume to gather the best writing by scholars across and outside the region on socialist and postsocialist entertainment television as a medium technology and institution      Radio and Television Broadcasting on the European Continent Burton Paulu, 1967-10-30 *Radio and Television Broadcasting on the European Continent* was first published in 1967 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In this book Dr Paulu provides a comprehensive survey based on firsthand study of the development and current status of radio and television broadcasting in continental Europe He discusses the technical organizational financial and programming aspects of European broadcasting in both Communist and Western countries The material is organized not on a country by country basis but as it relates to broad basic issues and it is presented in a framework of such interrelated factors as geography history politics international relations religious traditions language national economic standards and cultural and social life The broadcasting systems studied include those of the Soviet Union and other Communist countries France West Germany Belgium the Netherlands Italy Sweden and Switzerland The account is particularly timely in view of the concern and discussion about the future course of broadcasting in the United States It has relevance not only for communications specialists but for political scientists and other scholars in the social sciences as well as for the growing public which is interested in the improvement of American broadcasting      **Eastern Europe** Task Force on Telecommunications and Broadcasting in Eastern Europe, 1990      **Radio and Television Systems in Central and Eastern Europe**, 1998      *Post-Communism and the Media in Eastern Europe* Patrick H. O'Neil, 2014-01-14 This investigation of the media in Poland the Czech Republic Slovakia Hungary Romania and Bulgaria seeks to outline the legacies of communism confronting media reform and how interaction between the media state society and market has led to the particular and unique dynamics in each case      Television and Radio in the United Kingdom Burton Paulu, 1981      **Central and Eastern European Media in Comparative Perspective** John Downey, Sabina Mihelj, 2016-04-15 Appearing more than twenty years after the revolutions in Central and Eastern Europe this book could not have come at a

more appropriate time a time to take stock not only of the changes but also the continuities in media systems of the region since 1989 To what extent are media institutions still controlled by political forces To what extent are media markets operating in Central and Eastern Europe Do media systems in Central and Eastern Europe resemble media systems in other parts of Europe The answers to these questions are not the same for each country in the region Their experience is not homogeneous An international line up of distinguished experts and emerging scholars methodically examine the different economic political cultural and transnational factors affecting developments in media systems across Central and Eastern Europe Whereas earlier works in the media system tradition have in the main adopted the political framework of comparative politics the authors argue that media systems are also cultural and economic institutions and there are other critical variables that might explain certain outcomes better Topics discussed range from political economy to gender inequality to the study of ethno cultural diversity This unmatched volume gives you the unique opportunity to study the growing field of comparative media analysis across Eastern and Western Europe A valuable resource that goes beyond the field of media and cultural analysis which media scholars as well as to area specialists should not go without

Foreign Direct Investment Inflows Into the South East European Media Market Zvezdan Vukanović, 2016-07-25 This book offers a strategic analysis of current and future perspectives of Foreign Direct Investment FDI inflows into the South East European media market The author develops a hybrid FDI business model strategy to guide media companies wishing to more effectively position and leverage their media infrastructure within the increasingly globalized and expanding media market By conducting sixteen comparative and exploratory case studies of the South East European media market the author explores how specific microeconomic factors influence spillover effects absorption capacities and investment incentives between local and foreign firms through FDI inflows The book is directed towards researchers and students as well as practitioners professionals involved with media organizations

**Foreign Trade In Eastern Europe And The Soviet Union** Michael FriedlAnder, 2019-04-11 This second yearbook of The Vienna Institute for Comparative Economic Studies presents studies dealing with the economic situation in Eastern Europe and the Soviet Union Its foreign trade analysis offers insights into the ongoing transition process from centrally planned to market oriented systems

**Television in Europe** Eli Noam, 1992-02-06 Like its companion volume Telecommunications in Europe this book deals with the evolution of powerful monopoly institutions in the communications field the public broadcasters and the dramatic changes that took place in the late 1980s throughout Europe and transformed the media landscape It provides a comprehensive view of European broadcasting systems using the perspective of economics and policy analysis The introductory part offers a framework for understanding media and the forces of change affecting them The main section is a unique series of chapters covering the broadcast and cable television systems of almost thirty European countries

Communism in Eastern Europe Melissa Feinberg, 2021-12-29 Communism in Eastern Europe is a ground breaking new survey of the history of Eastern Europe since

1945 It examines how Communist governments came to Eastern Europe how they changed their societies and the legacies that persisted after their fall Written from the perspective of the 21st century this book shows how Eastern Europe s trajectory since 1989 fits into the longer history of its Communist past Rather than focusing on high politics Communism in Eastern Europe concentrates on the politics of daily life melding political history with social cultural and gender history It tells the history of this complicated era through the voices and experiences of ordinary people By focusing on the complex interactions of everyday life Communism in Eastern Europe illuminates the world Communism made in Eastern Europe its politics and culture values and dreams successes and failures This book is an engaging introduction to the history of Communist Eastern Europe for any reader It is ideal for adoption in a wide array of undergraduate and graduate courses in 20th century European history      United States Public Diplomacy in Eastern Europe and the Soviet Union United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Operations,1991      Globalisation Trends in the Media Marta Žilková,2021-04-16 The book of studies named Globalisation Trends in the Media contains an evaluation of the media culture in Slovakia It deals with problems caused by globalisation and by the specific circumstances of media production Whilst the post socialist states are in many respects in a similar situation they each have their own specific attributes too As this book features not only Slovak but also Czech and Polish authors the English reader will be able to gain an idea of the state of media production and especially of the media culture in Central Europe The nature of media culture in Central Europe when compared to that of countries situated further east differs mainly in its inclination towards western Europe and unfortunately towards America too The book contains theoretical and glozing articles dealing with radio and television production as well as the Internet Overall the book aims to introduce the reader to the state of the Slovak media culture to its audience and also to its problems and successes since the year 1989 The book will probably attract the attention of experts in media production academics of media culture and young people interested in radio and television production who would like to learn something about the culture of a small Central European country They might have come across a similar phenomena in England The book will help them find out how European culture influences Slovakia      *East European Accessions List* Library of Congress.
