civilization built of floating garbage and sustained entirely by rubber is beginning to fray literally revealing something disastrously like moss beneath its smooth synthetic skin following an appendectomy a young woman's belly starts transmitting what sound like Russian radio signals Inhabited occupied possessed suddenly the world as they knew it is no longer quite recognizable not to mention safe if it actually was safe before But it's the surprising often revelatory ways in which Cram's characters navigate through these strange new landscapes that imbues these stories with complexity grace and luster *Travels With My Radio* Fi Glover, 2011-05-31 Fi Glover is a bit of a traveller She loves hotels air stewardesses and fluffy towelling robes but above all she loves radio One night whilst recording BBC 2's Travel Show she found herself in the far reaches of Texas suffering from a night of line dancing and an over enthusiastic radio DJ She started to wonder about all the places she'd ended up in all the radio DJs she'd listened to the way a new radio station made her feel at home and yet gave her the fastest insight into an alien city or community She decided to take a journey around the world collecting hotel freebies and DJs from the charismatic Rose who guided Montserrat through the tragedy of their volcanic eruption to Dr Laura who talks the dysfunctionality of New York through their psychotic days from the peace keeping corps of Beirut and their radio station in a hut to the despairing English football broadcasters in their radio station above a cafe in Brussels 2000 From Somerset to Beirut Las Vegas to Vienna *Travels With My Radio* is a wonderfully funny and strangely moving quest to find the perfect radio station

Tyson,2009-11-15 This book tells the remarkable story of Robert F Williams one of the most influential black activists of the generation that toppled Jim Crow and forever altered the arc of American history In the late 1950s as president of the Monroe North Carolina branch of the NAACP Williams and his followers used machine guns dynamite and Molotov cocktails to confront Klan terrorists Advocating armed self reliance by blacks Williams challenged not only white supremacists but also Martin Luther King Jr and the civil rights establishment Forced to flee during the 1960s to Cuba where he broadcast Radio Free Dixie a program of black politics and music that could be heard as far away as Los Angeles and New York City and then China Williams remained a controversial figure for the rest of his life Historians have customarily portrayed the civil rights movement as a nonviolent call on America s conscience and the subsequent rise of Black Power as a violent repudiation of the civil rights dream But Radio Free Dixie reveals that both movements grew out of the same soil confronted the same predicaments and reflected the same quest for African American freedom As Robert Williams s story demonstrates independent black political action black cultural pride and armed self reliance operated in the South in tension and in tandem with legal efforts and nonviolent protest The Radio Signal Friedhelm Radandt,2021-02-08 Growing up in bucolic Eastern Pomerania during the early years of World War II

young Friedhelm Radandt has listened with his family on the Volksempfänger people's radio to the many victory news bulletins. At the same time Elizabeth Jobs and her family have lived in urbane Warsaw as loyal citizens of Poland who cherish their ethnic German heritage. As the war intensifies the Radandts continue to hold worship meetings in their home and defy the pressure of local party leaders to send their sons to the notorious school for future Nazi leaders. Meanwhile across the border Elizabeth's family must cope with the death sentence from the Polish resistance movement for her father Ludwig the researcher and developer of radio tubes. When both families are driven from their homes each embark on harrowing yet thrilling parallel escape routes across war-torn Germany. Amid the darkness and rubble can the light of love emerge? The Radio Signal captures the true story of two separate families who share a vibrant faith that imbues their actions with courage and trust. During the war neither family knew of the other. Neither family knew that their paths would ultimately cross. Includes discussion questions for book clubs.
