## **RAFFLES PLACE**

THE Raffles Place, at the heart of the city, is a place of great significance. It is a place where the past meets the present, where the old meets the new. It is a place where the city's history is preserved, and where the city's future is being built. It is a place where the city's identity is being shaped, and where the city's soul is being nurtured. It is a place where the city's people are coming together, and where the city's spirit is being renewed. It is a place where the city's dreams are being realized, and where the city's hopes are being kindled. It is a place where the city's future is being written, and where the city's destiny is being sealed.
