Air Corps News Letter ,1966 *An Aerospace Bibliography* ,1978 *Fortnight of Infamy* John Burton, 2013-09-23 While America was preoccupied with the aftermath of Pearl Harbor an even greater tragedy was unfolding across Southeast Asia From Wake Island to Burma the Empire of Japan opened the largest front in the history of warfare an aircraft driven invasion of colonial possessions throughout the Far East that crumbled the entire Western imperial legacy of the nineteenth century Events during the first two weeks of battle set the stage for the greatest military defeats America and Great Britain would suffer during any conflict This book offers the first comprehensive overview of the collapse of Allied air forces during the period between December 8 and 24 1941 Written for a wide audience it gives readers both a cockpit view of the desperate actions that took place and an understanding of why such heavy losses occurred The narrative account includes enough detail and analysis to hold the interest of serious students of Pacific War aviation and enough exciting descriptions of air combat to attract those with little knowledge of the subject Explaining how and why the Japanese were able to win a quick victory John Burton points to U S failures in the concepts for employment of airpower and a significant underestimation of Japanese air mindedness and aviation capabilities failures that resulted in the loss or surrender of more than 200 000 troops at Bataan and Singapore *World War II in Asia and the Pacific and the War's Aftermath, with General Themes* Loyd Lee, 1998-10-23 A companion to *World War II in Europe Africa and the Americas* this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a

Air Power and Warfare Alfred F. Hurley, Robert C. Ehrhart, 1979 Undeclared Bill Sloan, 2013-06-18 The fight to defend the Philippines from Japanese invasion during 1941 to 1942 ended with the surrender of the largest U S military force ever American servicemen endured rampant disease near starvation the horrors of the Bataan Death March and life as prisoners of war Undeclared captures the fortitude and suffering of the American defenders of the Philippines as no other book has done Bill Sloan hailed as the master of the combat narrative The Dallas Morning News interviewed more than thirty war veterans and drew from unpublished oral history and out of print memoirs to provide a unique eyewitness account of this major military encounter and its aftermath Yet rather than portraying the American defenders as little more than helpless victims of an overwhelmingly powerful and sadistic foe as most previous books about the Philippines campaign have done Sloan praises the unexcelled heroism and indomitable spirit they displayed under the worst imaginable conditions Undeclared also provides vivid and critical portraits of the officers who led the American forces including General Douglas MacArthur who escaped to Australia as the situation in Bataan worsened and General Jonathan Wainwright who succeeded him as top U S commander in the Philippines and himself became a POW Filled with remarkable feats of courage and endurance Undeclared re creates the tragic yet inspiring panorama of POW camps in the Philippines in all its high tension
