Cinemulacrum Aaron Sultanik, 2012-04-19 Cinemulacrum a conflation of cinema the art of the Hollywood film and simulacrum a reality counterfeit was coined to designate contemporary media culture This period is distinguished by the advent of digital film video an ideology of fantasy as the central narrative of movies and television and a ruling audience demographic of the young adult A pre cinemulacrum era 1960 1980 and Age of Cinemulacrum 1980 to the present day are demarcated to examine the fall and rise of classical Hollywood and the hegemony of television in a media dyad of movies and television Cinemulacrum argues that the convergence of technology ideology and audience represent the primary factors surrounding the social immediacy of movies and television and that video fantasy and the young adult have replaced film realism and the family as the outstanding attributes of contemporary media culture A contemporary vision of media culture emerges in the 1980s George Lucas and Steven Spielberg lead a populist new wave combining technological modernity with a retro sensibility grounded both in B movie melodramas and the genteel domesticated television sit coms of the 1950s Television however gains an unrivaled authority through the spinoff production model and the expanded resources of cable with its 24 7 news sports and movies Advocating a new or alternate history of movies and television the author assesses critical trends from America s hybrid media culture The pre cinemulacrum era is unraveled through an apocrypha of violence a cycle of conflicting portrayals of movie violence and heroism in Bonnie and Clyde Dirty Harry The Godfather Taxi Driver and Rocky The Age of Cinemulacrum is then characterized by the making of simulacra the proliferating nature of movie sequels prequels and special editions and by television s multi generational young adult demographic of The Cosby Show Seinfeld and The Simpsons The author concludes his study with an annotated timeline The Seven Ages of Cinemulacrum listing the history making movies and television programs in contemporary media culture

Rage and Time Peter Sloterdijk, 2010 While ancient civilizations worshipped strong active emotions modern societies have favored more peaceful attitudes especially within the democratic process We have largely forgotten the struggle to make use of thymos the part of the soul that following Plato contains spirit pride and indignation Rather Christianity and psychoanalysis have promoted mutual understanding to overcome conflict Through unique examples Peter Sloterdijk the preeminent posthumanist argues exactly the opposite showing how the history of Western civilization can be read as a suppression and return of rage By way of reinterpreting the Iliad Alexandre Dumas s Count of Monte Cristo and recent Islamic political riots in Paris Sloterdijk proves the fallacy that rage is an emotion capable of control Global terrorism and economic frustrations have rendered strong emotions visibly resurgent and the consequences of violent outbursts will determine international relations for decades to come To better respond to rage and its complexity Sloterdijk daringly breaks with entrenched dogma and constructs a new theory for confronting conflict His approach acknowledges and respects the proper place of rage and channels it into productive political struggle

Lamy, 2013-11-11 When a leading presidential candidate feels comfortable proclaiming he ll destroy the New World Order A code word for the supposed minority led worldwide conspiracy it cannot be a moment too soon to learn the truth about the covert symbols spreading zealotry and deadly machinations of the armies of millennium rage

Dear Incomprehension Stéphane Vanderhaeghe, 2024-03-12 This book tackles a broad swath of contemporary literature currently labeled speculative fiction A blurring of genres that includes science fiction modern fairy tales and avant garde experimental fiction these works are extremely popular but also derive from highly sophisticated philosophical and aesthetic sensibilities ones that call into question and uproot the very foundations of stories and storytelling Because such fictions subvert most conventional narrative devices plot recognizable characters verisimilitude logic legibility they deliberately confound almost any kind of conventional reading and criticism To do such a literature justice the traditional frameworks of literary criticism fail and Dear Incomprehension is more of an extended philosophical essay than it is a traditional work of criticism as oblique and unconventional in its voice tone and methods as the texts it illuminates

On the Apocalyptic and Human Agency Kirsi Stjerna, Deanna A. Thompson, 2014-10-21 There is little doubt about the fundamental importance of both Augustine of Hippo and Martin Luther for western theology and anthropology Both continue to invite critical debate on a host of issues that persist in their contemporary relevance such as questions about human identity and destiny This engaging volume brings together a group of scholars pursuing new directions in Lutheran and Augustinian scholarship on these issues The first section on Luther and the Apocalyptic highlights L

Why Do the Nations Rage? David A. Ritchie, 2021-12-28 What if we understood nationalism as a religion instead of an ideology What if nationalism is more spiritual than it is political Several Christian thinkers have rightly recognized nationalism as a form of idolatry However in Why Do the Nations Rage David A Ritchie argues that nationalism is inherently demonic as well Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul s doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival religion that bears its own distinctive

Education Vachel W. Miller, 2017-03-01 Mainstream educational leadership has lost much of its footing as a progressive practice More managers than wisdom keepers educational leaders no longer have authority to critique the toxicities of the present and imagine alternative futures In public schools and higher education the neoliberal emphasis on measurable outcomes shrinks the radius of concern for what educational leaders are leading toward There s a planet missing in mainstream discourses of sustainability in educational leadership and this book aims to resituate the work of teaching leading in the place where we stand In a period of overlapping social environmental crises this book takes inspiration from Robert Jensen s call for teachers and intellectual leaders to go apocalyptic i e to face head on the calamities that threaten our shared future on Earth When leadership is situated within an apocalyptic context we are called to reflect on educational injustice and unsustainability while envisioning more hopeful futures The work of apocalyptic leadership though isn t all about future vision it s also about attending to what hurts and what heals in the present moment Intended for aspiring and practicing educational leaders in both K 12 and higher education settings as well as scholars in the fields of social justice and sustainability this book begins mapping and traversing the affective spiritual pragmatic and organizational geography of apocalyptic leadership Such leadership holds dear the radical belief in our shared capacity to work gracefully with the painful awareness that tremendous challenges are inevitable and yet we have every opportunity for inching toward a more habitable future [Apocalypse the Blossoming](#) Miranda Martin, 2019-12-05 They say I m the one to save the world That s great but how The Third Trumpet of the Revelation sounded and the world is ruled by the Shadow monsters demons undead and worse Humans have retreated into underground bunkers to survive the Apocalypse Me I don t belong anywhere Weird shit has happened around me all my life You d think with the world literally gone to hell I d fit in better but no such luck I m still me still an outcast and still all alone After I m kicked out of the only home I ve ever known I run into four gorgeous men who call themselves mages It s a fleeting encounter but I can t stop thinking about them until Fate all but kicks down my door with undead monstrosities That s when they return to save me Efram Rafe and Nathaniel a Necroseer a Demon and an Angel Yep told you shit was weird They help me escape the fall of the Bunker then vow to be my protectors They say I ve got a destiny That I m special But Tynan doesn t seem to agree He s dominating Controlling Arrogant Powerful Attractive He s a sexy and brooding alpha bad boy that makes my heart race He s also the Horseman of the Apocalypse and fully under the control of the Shadow And if I can t save him then the rest of the world doesn t stand a chance Fans of Sarah J Maas and Linsey Hall are sure to love this exciting new series from USA Today bestselling author Miranda Martin If you like paranormal dystopian romances scroll up and one click to start reading The Power of Twelve today Apocalypse The Beginning is a slow burn fantasy romance with magic dragons demons angels and one headstrong heroine who has to not only save the world but

Post Apocalyptic Fiction Jack London's book places in 2073 sixty years after an uncontrollable epidemic has depopulated the planet. A former English professor is one of the survivors and he travels with his grandsons. The teacher tells the grandchildren the story of how the plague spread and how the world was before the devastation. In *After London*, a long forgotten catastrophe devastates Europe and returns cities to nature. Good news for nature, bad news for human survivors who live in an almost medieval state. The inventor of modern science fiction, Mary Shelley, also describes a world ravaged by disease where human societies invade into a state of horror and barbarism. This is one of many books in the series *3 Books To Know*. If you liked this book, look for the other titles in the series; we are sure you will like some of the topics.

Echoes of the Most Holy Andre Reis, 2022-03-01. The Levitical Day of Atonement was a day of penitence, confession, and judgment for Israelites of loyal character and a day of covenant renewal for the nation of Israel. On this day, sin was removed from the tabernacle through the application of sacrificial blood to its altars and compartments as well as by the dismissal of the goat for Azazel, which carried all the community's sin to a barren land. As it became ingrained in the veil of Jewish consciousness, the Day of Atonement underwent a process of abstraction over many centuries, leading up to Second Temple times when the Most Holy Place lay devoid of the ark of the covenant and its mercy seat. Continuing to reverberate in the Jewish imagination, the Day of Atonement was received by the authors of the New Testament, including John of Patmos, to whom its sacrificial typology provided irresistible motifs which they used to proclaim the Christ event. By utilizing a coherent intertextual approach, this book explores how John wove the Day of Atonement into the colorful literary tapestry of Revelation.

Rapture Ready...Or Not? Terry James, 2016-06-01. Read the detailed precise frame of reference of where this generation stands on God's prophetic timeline. Discover how each chapter points specifically to what the strange troubling things happening in a world seemingly gone insane with unstoppable violence means for the immediate future and beyond. Reflect on the very Word of God, the Bible, in pointing to the only hope the reader and those he or she loves has for escaping God's righteous judgment that is about to fall on a rebellious world. *Rapture Ready or Not* is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright abundant future. The Rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers. Jesus Christ is the Shelter from the coming Tribulation storm of God's wrath and judgment.
