## **Ragmans City:**

Ragman's City Boris Simon, 1957 Continues the story of the community for the underprivileged of France started in Abbe Pierre and the ragpickers of Emmaus      **Ragman's Roll** Jon Neal Wallace, 2014-06-25 The Civil War novel Ragman's Roll takes readers back to that bitter period of American history as two men enlist right after war breaks out Will Wallace and Tom Jackson were aides and security agents for President Lincoln After helping him win the presidency in 1860 they are now embarking on a new adventure fending off death and the possible division of the union Tom becomes a scout for Will who rises in rank to become Union General W H L Wallace As the hero of two battles Fort Donelson and Shiloh Wallace was responsible for saving Grant's army at the Battle of Shiloh despite being fatally injured on the battlefield A secondary plot focuses on the dreams of General Wallace as he lay dying from his wounds A vision appears to him reminding him of the true reason for his sacrifice to ensure the end of slavery and preserve democracy      Ragman Walter Wangerin, 2010-10-12 The expanded Twentieth Anniversary edition of stories parables and prayers from the National Book Award winning author of The Book of the Dun Cow Updated with eleven new stories and meditations this Gold Medallion winning classic interweaves vivid stories deep meditations and provocative allegories that together explore the power and meaning of love within an often inhumane urban landscape The opening chapter Ragman remains one of Walter Wangerin Jr's most beloved works and leads the reader to thirty three other writings all bearing the author's trademark poignancy and lyricism Ranging from gentle reflections to heartrending invocations these selections are powerful thought provoking explorations of the meaning of faith the person of Christ and the communion of believers Again and again Wangerin's cries of faith touch our deepest pains with rays of joyful healing This diverse polished collection attests not only to Wangerin's skill as a writer but to the earnestness and warmth with which he enacts his vocation as a servant of faith Christianity Today This is a book of stories stories of all sorts of fear and pride and death and pain and forgiveness and laughter and tears and hope and many shades of glory Robert McAfee Brown author of Unexpected News      **The Threat from Within** Charles F. Lee, 2013-08-15 An Eastern European research institute has developed the power to attack and destroy the mental capacity of American teenagers through the insidious use of cell towers popping up all over the United States like mushrooms Seven teenaged high school classmates with extraordinary powers ultimately put an end to that threat for now      **Straight From The Ragman's Horse** Robert Fenwick, 2014-04-24 Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s They are about real life and experience However the tales are also about truth lies and betrayal Comedy sits alongside pathos and tragedy sometimes uncomfortably They are fragments of the author's memories of those years but quite possibly they will also be part of the collective memory of other working class children of that era      **The Ragman** Joseph Schillaci, 2013 This story was based on a collection of the author's actual experiences and stories told to him by friends and family Schillaci needed to tell the story to future family members and decided about 20 years ago

to bring this book to fruition Schillaci had the opportunity to learn about the dress industry first hand He worked beside his dad for over 15 years The one important principal that he learned was to treat your employees with respect Your success or failure was based on their loyalty Schillaci s dad captured the loyalty of most of the people that worked under him Schillaci s dad was a remarkable individual who went against all odds to become an American success story His character and dedication to family and friends was a major factor in his success in business As a child it was not very obvious what Schillaci s dad had to overcome to support his family As the author grew older the realization was overwhelming Hence the idea to put his life into words for all to see Schillaci will never be able to express the real character and personality of Rocky Schillaci But for those who knew him they will attest to his special persona For all of the future Schillacis it will simply be a way to attest to a great man and his accomplishments Hopefully some of these genes will spread through the generations to come In future years for those family members who need to find the will to pursue their goals Rocky can be their inspiration With all his love the author presents this manuscript in honor of a great man and the successful son of a Sicilian immigrant
