Rain Dogs:

The Words and Music of Tom Waits Corinne Kessel, 2008-11-30 Tom Waits's distinctive bourbon soaked growl, his unique persona and his incorporation of musical styles from blues to experimental to vaudeville have secured for him a top shelf cult following and an extraordinary critical respect. The idea of the Wanderer, someone who seeks an escape from all of life's problems and dreams himself into oblivion, serves as the fundamental personality type around which all Waits's music revolves. Ten years of producing and touring with Waits's macabre folktale adaptation across Canada and the U.S. has given author Corinne Kessel direct access to his work, creative process and his associates. In this comprehensive analysis, Kessel examines all of the many characters that have appeared throughout the course of Waits's musical career from *Closing Time* (1973) to *Orphans Brawlers Bawlers and Bastards*. His raw form of expression and his evocative lyrics work together to form an emotional chronicle of society's misfits, outcasts and lowlifes. He is not the sort of composer to chase after shiny red fire trucks to awesome blazing fires but instead looks after the intangible dreams found dissipating in the last wisp of smoke from a cigarette held in the weathered hands of a broken soul. Here, author Corinne Kessel pursues Waits into this distinctly murky and unsettled atmosphere to address in particular Waits's enduring questions of reality, landscape and identity. **Tom**

Waits' Swordfishtrombones David Sneyd, 2008-01-01 Two entwined narratives run through the creation of *Swordfishtrombones* and form the backbone of this book. As the 1970s ended, Waits felt increasingly constrained and trapped by his persona and career. Bitter and desperately unhappy, he moved to New York in 1979 to change his life. It wasn't working. But at his low point, he got the phone call that changed everything. Francis Ford Coppola tapped Tom to write the score for *One From the Heart*. Waits moved back to Los Angeles to work at Zoetrope's Hollywood studio for the next 18 months. He cleaned up, disciplined himself as a songwriter and musician, collaborated closely with Coppola and met a script analyst named Kathleen Brennan, his only true love. They married within 2 months at the Always and Forever Yours Wedding Chapel. *2am Swordfishtrombones* was the first thing Waits recorded after his marriage and it was at Kathleen's urging that he made a record that conceded exactly nothing to his record label or the critics or his fans. There aren't many love stories where the happy ending sounds like a paint can tumbling in an empty cement mixer. Kathleen Brennan was sorely disappointed by Tom's record collection. She forced him out of his comfortable jazzbo pocket to take in foreign film scores, German theatre and Asian percussion. These two stories of a man creating that elusive American second act and also finding the perfect collaborator in his wife give this book a natural forward drive. [Jim Jarmusch](#) Juan A.
