Rutherford,2023-09-19 The Lord is calling His people to break their silence and proclaim the Gospel to everyone right now The Spirit of God is moving in people s hearts prompting them to speak out against the sins and atrocities in our world Speaking out comes with a cost It can be challenging unpopular and downright lonely You will be misunderstood But those who speak in God s voice find peace for being faithful to his call God has always looked for people who are willing to do what He needs done He takes those imperfect people and baptizes them with passion to do His will They cannot escape its clutches God wants to say something to you and through you He is looking for a trumpet the raised voices of His remnant are the sounds of revival Revival happens when repentance happens Repentance happens when people speak the heart of God God has voices ready to speak and bring revival to earth Are you one of them If you are looking for a way to unlock the words of God from deep in your soul this book is for you *Early American Proverbs and Proverbial Phrases* Bartlett Jere

Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what B JW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **Voyages and Travels** Sir John Mandeville,1899
