Raised Catholic:

Raised Catholic Ed Stivender, 1992 He was the only son of an Irish Catholic mother and a Protestant Navy man His mother frequently prayed for him to become a priest But his father warned him Son never get a job where you have to wear a dress to work

Young Catholic America Christian Smith, Kyle Longest, Jonathan Hill, Kari Christoffersen, 2014-02-04 Best Review at the Catholic Press Association Convention Studies of young American Catholics over the last three decades suggest a growing crisis in the Catholic Church compared to their elders young Catholics are looking to the Church less as they form their identities and fewer of them can even explain what it means to be Catholic and why that matters

Young Catholic America the latest book based on the groundbreaking National Study of Youth and Religion explores a crucial stage in the life of Catholics Drawing on in depth surveys and interviews of Catholics and ex Catholics ages 18 to 23 a demographic commonly known as early emerging adulthood leading sociologist Christian Smith and his colleagues offer a wealth of insight into the wide variety of religious practices and beliefs among young Catholics today the early influences and life altering events that lead them to embrace the Church or abandon it and how being Catholic affects them as they become full fledged adults Beyond its rich collection of statistical data the book includes vivid case studies of individuals spanning a full decade as well as insight into the twentieth century events that helped to shape the Church and its members in America An innovative contribution to what we know about religion in the United States and the evolving Catholic Church

Young Catholic America is the definitive source for anyone seeking to understand what it means to be young and Catholic in America today

Through a Catholic Lens Peter Malone, 2007-04-16 Movies are often examined for subtext and dramatizations of social and psychological issues as well as current movements Studies of well known Catholic directors such as Alfred Hitchcock and John Ford have made the search for Catholic themes a reputable field of examination

Through a Catholic Lens continues the search for these themes and examines the Catholic undercurrents by studying nineteen film directors from around the world Although these directors may or may not be practicing Catholics their Catholic background can be found in their writing and directing Each chapter written by a different contributor analyzes one film of each director for its Catholic motifs With the recent increase of cinema studies this collection will be of interest to students and academics as well as cinema buffs

Ordained Before the World: A Catholic Apologetic James E. Boardman, 2016-12-31 What is an apologetic Simply put an apologetic is an argument meant to persuade

Trial lawyers use apologetics every day to persuade juries and judges to adopt their point of view But we too are exposed to apologetics everyday as we listen to advertising touting one product over another or as we listen to our lawn care provider explain why we should continue using him to mow our lawn and trim our shrubs instead of a cheaper company down the street No high theology to be found here To the contrary this course arms Catholics both young and old with easy to understand basics necessary to defend their Catholic Faith and to comfortably share this faith with others If you are just beginning your walk as a newly committed Catholic or if you are a Cradle Catholic

to whom the basic ways of the faith have become foggy this course is for you **Living Tradition** John Anthony Berry, Viorel Coman, 2024-04-26 Lebendige Tradition Kontinuität und Wandel als Herausforderungen für Kirchen und Theologien Tagungsbericht der 21. Family Secrets Gloria González-López, 2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria González-López tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative González-López brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long

Koeth, 2025-08-19 How suburbanization was a crucial catalyst for reforms in the Catholic Church The 1960s in America were a time of revolt against the stifling conformism embodied in the sprawling uniform suburbs of the 1950s Typically the reforms of the Catholic Church's Second Vatican Council which aimed to make the Church more modern and accessible are seen as one result of that broader cultural liberalization Yet in Crabgrass Catholicism Stephen M Koeth demonstrates that the liberalization of the Church was instead the product of the mass suburbanization that began some fifteen years earlier Koeth argues that postwar suburbanization revolutionized the Catholic parish the relationship between clergy and laity conceptions of parochial education and Catholic participation in US politics and thereby was a significant factor in the religious disaffiliation that only accelerated in subsequent decades A novel exploration of the role of Catholics in postwar suburbanization Crabgrass Catholicism will be of particular interest to urban historians scholars of American

Traditions Carolyn Chen, Russell Jeung, 2012-07-06 The landscape of U S immigration has changed dramatically since Herberg first published his theory Most of today s immigrants are Asian or Latino and are thus unable to shed their racial and ethnic identities as rapidly as earlier European immigrants And rather than a flexible labor based economy allows little in the way of class mobility for some immigrants and rapid mobility for others The Catholic Revolution Andrew Greeley, 2004-03-10 How a mere generation after Vatican Council II initiated the biggest reform since the Reformation can the Catholic Church be in such deep trouble The question resonates through this new book by Andrew Greeley the most recognized respected and influential commentator on American Catholic life A timely and much needed review of forty years

of Church history The Catholic Revolution offers a genuinely new interpretation of the complex and radical shift in American Catholic attitudes since the second Vatican Council 1962 1965 Drawing on a wealth of data collected over the last thirty years Greeley points to a rift between the higher and lower orders in the Church that began in the wake of Vatican Council II when bishops euphoric in their temporary freedom from the obstructions of the Roman Curia introduced modest changes that nonetheless proved too much for still rigid structures of Catholicism the new wine burst the old wineskins As the Church leadership tried to reimpose the old order clergy and the laity newly persuaded that unchangeable Catholicism could in fact change began to make their own reforms sweeping away the old rules that no longer made sense The revolution that Greeley describes brought about changes that continue to reverberate in a chasm between leadership and laity and in a whole generation of Catholics who have become Catholic on their own terms Coming at a time of crisis and doubt for the Catholic Church this richly detailed deeply thoughtful analysis brings light and clarity to the years of turmoil that have shaken the foundations if not the faith of American Catholics
