Eva Bertram

Safety Net Welfare And Social Security 1929 1979:

Safety Net Blanche D. Coll, 1995 Beginning with the stock market crash of 1929 Blanche Coll documents the evolution of federal and state government policymaking for welfare and Social Security our safety net As Coll points out the policies that determine who is entitled to aid how standard dollar amounts are set child support responsibilities the equitable fiscal division between state federal and local governments and the resulting impact on the poor particularly women and children of all races have fluctuated throughout the history of welfare Coll shows how demographic patterns the definition of a family the relative health of the economy and Presidents political agendas all deeply affect the system of entitlements to Social Security and welfare the kernel of the American welfare state

The Segregated Origins of Social Security Mary Poole, 2006 The relationship between welfare and racial inequality has long been understood as a fight between liberal and conservative forces In *The Segregated Origins of Social Security* Mary Poole challenges that basic assumption Meticulously reconstructs *The Handbook of Social Policy* James Midgley, Michelle Livermore, 2009 *The Handbook of Social Policy* is a comprehensive examination of the development implementation and impact of social policy The contributors document the substantial body of knowledge about government social policies and their driving forces

American Labor and the Cold War Robert W. Cherny, William Issel, Kieran Walsh Taylor, 2004 The American labor movement seemed poised on the threshold of unparalleled success at the beginning of the post World War II era Fourteen million strong in 1946 unions represented thirty five percent of non agricultural workers Why then did the gains made between the 1930s and the end of the war produce so few results by the 1960s This collection addresses the history of labor in the postwar years by exploring the impact of the global contest between the United States and the Soviet Union on American workers and labor unions The essays focus on the actual behavior of Americans in their diverse workplaces and communities during the Cold War Where previous scholarship on labor and the Cold War has overemphasized the importance of the Communist Party the automobile industry and Hollywood this book focuses on politically moderate conservative workers and union leaders the medium sized cities that housed the majority of the population and the Roman Catholic Church These are all original essays that draw upon extensive archival research and some upon oral history sources

The Safety-Net Health Care System Gunnar Robert Almgren, Taryn Lindhorst, 2012 Print CourseSmart

Caring for Mom and Dad Susan Stein-Roggenbuck, 2023-10-05 Throughout the twentieth century the United States implemented social policies targeting the needs of dependent parents parents who were no longer able to work but lacked sufficient financial resources to support themselves These parent dependency policies either encouraged or required family members particularly adult children to provide support as an alternative to government benefits Debates over how best to support aging parents centered on conceptualizations of dependency and the moral obligations family owed their parents Measures of dependency often inhibited aging Americans access to benefits they needed focusing instead on ensuring that they were in fact dependent and that other family resources

were not available Susan Stein Roggenbuck highlights this understudied aspect of the modern US welfare state highlighting the limited support provided to aging parents and the hardship they and their adult children endured in the efforts to minimize public expenditures

The Poverty of Welfare Michael D. Tanner, 2003-10-25 The 1996 Welfare Reform Act was the most significant changes in social welfare policy in nearly 30 years The Poverty of Welfare examines the impact of that reform looking at the context of welfare s history and concludes that while welfare reform was a step in the right direction we have a long way to go to fix the deeply troubled system Tanner suggests that we should be working toward the total elimination of government welfare programs substituting a renewed and invigorated program of private charity and economic opportunity

Ellen S. Woodward: New Deal Advoca , The biography of the first southern woman to hold a top ranking post in a federal administration

The American Dole Jeff Singleton, 2000-09-30 As Jeff Singleton shows the rapid expansion of unemployment relief in the early 1930s generated pressures which led to the first federal welfare programs However the process has received relatively little attention from historians and unemployment relief does not play a major role in discussions of the current state of welfare Singleton seeks not only to fill this gap but to challenge popular interpretations of relief policy in the early 1930s He shows that relief was expanding prior to the depression and that the modern aspects of social policy implemented in the 1920s profoundly influenced the response of the welfare system to the early stages of the economic crisis Relief under President Herbert Hoover was neither primarily voluntarist nor traditional The first full fledged federal welfare program was implemented under the Hoover administration by the Reconstruction Finance Corporation The initial goals of the New Deal s Federal Emergency Relief Administration were to reduce the national relief caseload and the federal welfare role while improving standards for those on the dole The institutionalization of state level welfare was a consequence of the failure of the 1935 reform program the WPA and the Social Security Act to eliminate the dole not a product of conscious liberal policy Singleton concludes by evaluating the 1996 Personal Responsibility Act in the context of these conclusions If the dole was not a product of liberal reform but instead arose to fill a policy vacuum then it will be difficult to eliminate by legislative fiat unless states and the federal government are willing to finance relatively costly alternatives A provocative analysis of interest to historians and social scientists concerned with American social and labor policy

The Limits of Voluntarism Andrew J. F. Morris, 2009 This book examines the new relationship between charity and welfare in the era following the New Deal

Families, Poverty, and Welfare Reform Lawrence B. Joseph, 1999 This volume combines essays by public policy scholars with comments by social project directors who speak from their experiences in the field Essays include critical assessments of policies to reduce dependency on welfare and a discussion of the effects of poverty on women and children as well as a look at welfare reform in Illinois

Social Problems in a Free Society Myles J. Kelleher, 2004-09-02 The future of the sociologist s profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social

political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory

Invoking the Invisible Hand Robert Asen, 2009-03-02 In *Invoking the Invisible Hand* Robert Asen scrutinizes contemporary debates over proposals to privatize Social Security Asen argues that a rights based rhetoric employed by Social Security's original supporters enabled advocates of privatization to align their proposals with the widely held belief that Social Security functions simply as a return on a worker's contributions and that it is not in fact a social insurance program By analyzing major debates over a preeminent American institution Asen reveals the ways in which language is deployed to identify problems for public policy craft policy solutions and promote policies to the populace He shows how debate participants seek to create favorable contexts for their preferred policies and how they connect these policies to idealized images of the nation

Welfare's End Gwendolyn Mink, 1998 *Welfare as a condition of women's equality* How we got welfare reform A legislative history Disdained mothers unequal citizens Paternity establishment child support and the stratification of rights Why should poor single mothers have to work outside the home Work requirements and the negation of mothers The end of welfare

The Workfare State Eva Bertram, 2015-07-17 *The Workfare State* recounts the history of the evolving social contract for poor families from the New Deal to the present Challenging conventional accounts Eva Bertram argues that conservative Southern Democrats in the 1960s and 1970s led the way in developing the modern workfare state well before Republican campaigns in the 1980s

The ^AOxford Handbook of Children and the Law, 2020-02-07 *The Oxford Handbook of Children and the Law* presents cutting edge interdisciplinary scholarship on a broad range of topics covering the life course of humans from before birth to adulthood by leading scholars in each area Authors present and analyze the law and science pertaining to reproduction prenatal life including fetal exposure to toxic substances and abortion parentage including biology based rights background checks on birth parents adoption ART and surrogacy infant development child maltreatment including corporal punishment and religious defences to abuse and neglect the child protection system and foster care child custody disputes between parents schooling including financing resegregation religious expression in public schools at risk students special education regulating private schools and homeschooling delinquency minimum age laws and child advocacy It is an essential resource for scholars and professionals interested in the intersection of children and the law

From Rhetoric To Reform? Anne Marie Cammisa, 2018-10-08 By framing the dilemma in American politics in terms of helping the poor or reducing dependency this book examines the question of what government assistance can do It explains why some people believe that focusing on dependency moves us away from the real problem of welfare reform

Bold Relief Edwin Amenta, 2021-03-09 According to conventional wisdom American social policy has always been exceptional exceptionally stingy and backwards But Edwin

Amenta reminds us here that sixty years ago the United States led the world in spending on social provision. He combines history and political theory to account for this surprising fact and to explain why the country's leading role was short lived. The orthodox view is that American social policy began in the 1930s as a two track system of miserly welfare for the unemployed and generous social security for the elderly. However Amenta shows that the New Deal was in fact a bold program of relief committed to providing jobs and income support for the unemployed. Social security was by comparison a policy afterthought. By the late 1930s he shows the U S pledged more of its gross national product to relief programs than did any other major industrial country. Amenta develops and uses an institutional politics theory to explain how social policy expansion was driven by northern Democrats state based reformers and political outsiders. And he shows that retrenchment in the 1940s was led by politicians from areas where beneficiaries of relief were barred from voting. He also considers why some programs were nationalized why some states had far reaching little New Deals and why Britain otherwise so similar to the United States adopted more generous social programs. Bold Relief will transform our understanding of the roots of American social policy and of the institutional and political dynamics that will shape its future. **The Poor Belong to Us**

Dorothy M. BROWN, Elizabeth McKeown, Dorothy M Brown, 2009-06-30. Between the Civil War and World War II Catholic charities evolved from volunteer and local origins into a centralized and professionally trained workforce that played a prominent role in the development of American welfare. Dorothy Brown and Elizabeth McKeown document the extraordinary efforts of Catholic volunteers to care for Catholic families and resist Protestant and state intrusions at the local level and they show how these initiatives provided the foundation for the development of the largest private system of social provision in the United States. It is a story tightly interwoven with local national and religious politics that began with the steady influx of poor Catholic immigrants into urban centers. Supported by lay organizations and by sympathetic supporters in city and state politics religious women operated foundling homes orphanages protectories reformatories and foster care programs for the children of the Catholic poor in New York City and in urban centers around the country. When pressure from reform campaigns challenged Catholic child care practices in the first decades of the twentieth century Catholic charities underwent a significant transformation coming under central diocesan control and growing increasingly reliant on the services of professional social workers. And as the Depression brought nationwide poverty and an overwhelming need for public solutions Catholic charities faced a staggering challenge to their traditional claim to stewardship of the poor. In their compelling account Brown and McKeown add an important dimension to our understanding of the transition from private to state social welfare. Table of Contents Acknowledgments Introduction 1 The New York System 2 The Larger Landscape 3 Inside the Institutions Foundlings Orphans Delinquents 4 Outside the Institutions Pensions Precaution Prevention 5 Catholic Charities the Great Depression and the New Deal Conclusion Sources Notes Index. Reviews of this book. **The Poor Belong to Us** raises important questions about American social welfare history. It is particularly significant in that it restores Catholic

charity to its rightful place at the center of that history As the authors point out Catholics represented the majority of dependent and delinquent children in most American cities for much of the nineteenth and twentieth centuries Their book convincingly demonstrates that Catholic charities massive efforts to aid their own needy had long term ramifications for the entire modern American system of welfare provision The book is an impressive achievement and should be required reading for all social welfare historians Susan L Porter Journal of American History Reviews of this book Brown and McKeown provide a richly documented narrative that incorporates the insights and scholarship of American Catholic history and social history The Poor Belong to Us represents an ambitious foray into territory within the history of Catholic social activism that has been neglected for too long It provides an important counterpoise and supplement to the burgeoning scholarship on individual congregations of women religious and the Catholic Worker movement two area adjacent to this study that have received considerable attention in the past three decades In The Poor Belong to Us readers gain a new understanding of the complexities and internal tensions within the world of Catholic social welfare during the century of growth and change chronicled by Brown and McKeown They show us how for most American Catholics of the nineteenth and early twentieth centuries questions of class and social and economic responsibility can only be understood with reference to the faith a pervasive yet elusive presence that Brown and McKeown illuminate for us in carefully pruned contextualized examples from archival sources Debra Campbell Church History Reviews of this book This book documents the role of Catholics in the development of American welfare and shows strong parallels between situations and attitudes prevalent in the 19th century and those common today Following the enactment of the 1996 welfare reform law some of these same questions are being raised afresh today That situation makes Brown and McKeown s historical account timely and relevant Brown and McKeown neither try to sugarcoat nor to dramatize the role of Catholic charities in American welfare The story is interesting enough in itself This is an excellent work For anyone wanting to better understand the role of Catholic charities in the American welfare system or even the development of charities and welfare in general it is invaluable Diana Etindi Indianapolis Star Reviews of this book Thoroughly researched and meticulous in its reasoning this book shows how Catholic charities helped poor people in America between the 1870s and 1930s It remind s us how Catholic poverty seemed for half a century and how effectively a generation of more prosperous Catholics reacted to it It also shows how the idea of caring for the poor for centuries a religious duty was rapidly secularized in America The Poor Belong to Us takes its place as a study and reference work of permanent value Patrick Allitt Books and Culture Reviews of this book An interesting history of Catholic charitable institutions in the 20th century The Poor Belong to Us traces the development of Catholic charities from a collection of ill funded volunteer organizations in the 19th century into the largest private provider of social services in the country Crisp writing and a keen eye for relevant detail carries the story along nicely The authors display a deft hand in assembling their material and impress the reader with their grasp of the large picture as well as the detail This is a highly readable account of

an important element of the history of the Church in America Robert Kennedy National Catholic Register Reviews of this book This institutional history is valuable for underscoring the importance of the private sector in American welfare and for adding a Catholic dimension to recent welfare scholarship S L Piott Choice Reviews of this book Historian Dorothy Brown and theologian Elizabeth McKeown analyze the evolution of Catholic Churches between the Civil War and World War II from its local volunteer origins to a centralized and professionalized workforce that played a prominent role in the development of the American welfare system that is now under attack In this fascinating contribution to contemporary welfare scholarship the authors study is grounded in concerns and care for the children of the poor Dorothy Van Soest Journal of Sociology and Social Welfare

Religion and Social Policy Paula D. Nesbitt, 2001 What is the role of religion in creating the rules of society What should religion's role be Religion in industrialized countries often appears as a private personal matter while issues of social justice are worked out in a secular public sphere But increasingly both policymakers and religious leaders are becoming aware of the role religious values play at the local national and international levels Religion and Social Policy explores how religious concerns influence those who shape and those who are shaped by policies It queries the social teachings of global denominations and local congregations as well as the implicit religious stances taken by national governments and international NGOs Broad issues such as religious tolerance globalization multiculturalism gender roles and economic inequality are carefully grounded with practical examples For students of religion sociology politics or public policy Religion and Social Policy offers an excellent overview of how the sacred and the secular mix in both the theory and practice of creating a just society Visit the editor's web page

Safety Net Welfare And Social Security 1929 1979 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Safety Net Welfare And Social Security 1929 1979 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Safety Net Welfare And Social Security 1929 1979 has opened up a world of possibilities. Downloading Safety Net Welfare And Social Security 1929 1979 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Safety Net Welfare And Social Security 1929 1979 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Safety Net Welfare And Social Security 1929 1979. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Safety Net Welfare And Social Security 1929 1979. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Safety Net Welfare And Social Security 1929 1979, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Safety Net Welfare

And Social Security 1929 1979 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Safety Net Welfare And Social Security 1929 1979 Books

1. Where can I buy Safety Net Welfare And Social Security 1929 1979 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
