Matthew Philip McKelway,2006-02-28 Following the destruction of Kyoto during the civil wars of the late fifteenth century large scale panoramic paintings of the city began to emerge These enormous and intricately detailed depictions of the ancient imperial capital were unprecedented in the history of Japanese painting and remain unmatched as representations of urban life in any artistic tradition *Capitalscapes* the first book length study of the Kyoto screens examines their inception in the sixteenth to early seventeenth centuries focusing on the political motivations that sparked their creation Close readings of the Kyoto screens reveal that they were initially commissioned by or for members of the Ashikaga shogunate and that urban panoramas reflecting the interests of both prevailing and moribund political elites were created to underscore the legitimacy of the newly ascendant Tokugawa regime Matthew McKelway s analysis of the screens exposes their creators masterful exploitation of ostensibly accurate depictions to convey politically biased images of Japan s capital His overarching methodology combines a historical approach which considers the paintings in light of contemporary reports diaries chronicles ritual accounts with a thematic one isolating individual motifs deciphering their visual language and comparing them with depictions in other works McKelway s combined approach allows him to argue that the Kyoto screens were conceived and perpetuated as a painting genre that conveyed specific political meanings to viewers even as it provided textured details of city life Students and scholars of Japanese art will find this lavishly illustrated work especially valuable for its insights into the cityscape painting genre while those interested in urban and political history will appreciate its bold exploration of Kyoto s past and the city s late medieval martial elite **Library Holding Lists** Japan Foundation & Language Center in Los Angeles,1993 京都の町並み,1984 **Lonely Planet Cruise Ports Northeast Asia** Lonely Planet,Ray Bartlett,Andrew Bender,Trent Holden,Craig McLachlan,Rebecca Milner,Kate Morgan,Simon Richmond,Phillip Tang,Jade Bremner,Dinah Gardner,Thomas O'Malley,MaSovaida Morgan,Stephanie d'Arc Taylor,2019-10-01 Lonely Planet The world s number one travel guide publisher Lonely Planet s Cruise Ports Northeast Asia is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Discover Nagasaki s vibrant charm venture back to a time of samurai in Kakunodate and relax on Okinawa s palm fringed sugar white beaches all with your trusted travel companion Discover the best of Northeast Asia and begin your journey now Inside Lonely Planet s Cruise Ports Northeast Asia Full colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience history art architecture politics landscapes wildlife cuisine customs etiquette Covers Tokyo
