The Life God Honors Andrew G. Robbins, 2012-02 Discover what it Means to be Truly Spiritual Many Western Christians get sucked into the crippling thinking that a life which God will honor means going through the motions of religious observation without any real attention to the process of character transformation as we follow the example of Christ Still others especially those in the charismatic circles to whom most of this book will address the same circles in which the author spent most of his Christian life seem to believe that a truly spiritual life is one that is marked by ecstatic emotional experiences with only a

secondary focus on the daily task of building one's faith and character down in the trenches of day to day living where emotional highs are often absent. A discussion on the importance of understanding God's work in the day to day might not seem like material noteworthy enough to write a book about. Yet you might be surprised how much emphasis God puts on it and how many Christians are frustrated in their spiritual walks because they fail to recognize how God works in the everyday events of their common day. Andrew G Robbins has been in different facets of ministry since 1993 mostly in the areas of worship leading and teaching. In January 2010 Andrew and his wife Donna launched Blessed Life Fellowship [www.BlessedLifeFellowship.org](http://www.BlessedLifeFellowship.org) a church and ministry devoted to teaching God's people about the goodness of God and His Kingdom principles for living and experiencing God's abundance. A successful businessman and entrepreneur for the last two decades Mr Robbins is also an active writer and has authored numerous books, articles and blogs. Andrew and Donna reside in central Indiana and have three children Hannah, Luke and Drew.

[The Complete Worship Ministry Handbook](#) Andrew G. Robbins, 2013-07-15. The Complete Worship Ministry Handbook by pastor and former worship leader Andrew G Robbins is an extensive training resource for worship leaders, worship team members and church members alike. Laying the foundation in the first section of the book by exploring the proper understanding and practice of true Biblical worship compared to cultural innovations, the author then turns the focus in the next two sections to worship ministry teams. Section 2 provides practical instruction to worship team members for serving God and their churches with their talents and Section 3 provides instruction to worship leaders and ministry directors to help streamline their efforts and avoid many of the landmines associated with worship ministry leadership.
