*Galveston's the Elissa* Kurt D. Voss, 2009 For nearly three decades the 1877 sailing ship Elissa has been widely recognized as one of the finest maritime preservation projects in the world Unlike some tall ships of today the Elissa is not a replica but a survivor Over her century long commercial history she carried cargoes to ports around the world for a succession of owners Her working life as a freighter came to an end in Piraeus Greece where she was rescued from the salvage yard by a variety of ship preservationists who refused to let her die The story of Elissa s discovery and restoration by the Galveston Historical Foundation is nothing short of miraculous      Sailing Ship Elissa Patricia Bellis Bixel, 2011-03 Originally published in hardcover in 1998      Chapman Great Sailing Ships of the World Otmar Schäuffelen, 2005 Come sailing with Chapman on the pages of an expansive attractively illustrated reference to large and frequently famous sailboats from around the globe Enthusiasts will find completely up to date information on these extremely popular boats more than 450 color photos and descriptions of different types of sailing ships and rigging Each craft listed features a full color picture details and statistics accompanied by facts and figures on its home port the year it was built the names of the owner and crew plus rigging tonnage mast sails and use      **Historic Texas from the Air** David Buisseret, Richard Francaviglia, Gerald Saxon, Jack W. Smith, 2025-04-28 The subject matter of National Historic Landmarks is one that will entice readers as this goes beyond a narrative non fiction in depth view of each site This book gives an overview of each site enough to give people the 20 000 foot view that will bring them to the site

for a more in depth look and exploration Being able to see present day and historic photos of the site and its history along with directions and visitor information will give them the ability to find and explore on a basic level before deciding where to explore next As a local historian an avid explorer of such sites and having worked on the public sides of historic sites for several years I have a unique ability to boil down the history of a place to make it readable accessible and understandable with it leading the reader to want to visit and explore more Bringing this subject matter to the reader must make it more than a brochure but less than an in depth look site by site Through my years in the museum field I have been doing just that kind of work through marketing and exhibits *Lone Stars III* Karoline Patterson Bresenhan, Nancy O'Bryant
