Sailors Journey Into War:

Sailors' Journey Into War Robert A. Maher, James E. Wise, 1998 In 1943 the navy destroyer USS Borie and a German U boat were engaged in a fierce battle north of the Azores Islands This personal account from a crew member of the Borie follows the action as well as illustrating the determination and courage shown by servicemen during the war as a whole A Journey into War Gerry Feld, 2017-03-07 My manuscript is a historical fiction novel The story line follows a young Minnesota farm boy into the army after the outbreak of the war It follows him through basic training jump school and then on into the war The book covers the Normandy Invasion the battle known as The Bridge to far up into Holland and finally the Battle of the Bulge Throughout the book I take the reader back to Minnesota so they may see how war affects family and friends on the home front All the characters are fictional However all the military bases in the US and Europe are factual Each battle my characters are involved in are accurate by timeline and locations Anyone who is a student of the war or readers who love this genre should appreciate those facts However as the novel is a fictional work I have taken literary license to add drama and hold your breath scenes throughout the story **A Journey in War-time** Lady Isabella St. John, 1919 Duel in the Deep David L.
