A Guide to the Period of Mystagogy Corinna Laughlin, Mary A. Wax, Stephen S. Wilbricht, csc, 2024-09-01. After the excitement of the Easter Vigil the period of mystagogy can often be overlooked by the initiation team and the neophytes. However it is an essential part of the Christian initiation process because it helps the neophytes deepen their relationship with Christ and with the Church. Mystagogical reflection is an important part of the spiritual growth of all parishioners from neophytes to lifelong Catholics because it invites the faithful to reflect on their encounters with Christ in the sacraments and then consider the transformative effects those encounters have on their daily lives. A Guide to the Period of Mystagogy encourages members of the initiation team to make the most of this period and provides practical support to do so. It includes

An overview of six foundational principles of initiation ministry and how they are applied to the period of mystagogy
Theological insights from the early Church's practice of mystagogy
Practical advice for implementing mystagogical reflection in your parish

Williams and W.J. Copeland]. [2 sets, containing differing eds. of vol.1. Vol.3 of the 2nd set is described as being of a New ed.].** Plain sermons, 1846 Life-study of Thessalonians, Timothy, Titus, and Philemon Witness Lee, 2023-09-27 Paul's two Epistles to the Thessalonians were written to a young church with young believers. These Epistles are very precious for they render particular help concerning the young Christian life and church life. In the Life study of 1 and 2 Thessalonians, Witness Lee presents the basic elements in Paul's word to the Thessalonians concerning living a holy life for the church life. Paul's Epistles to Timothy, Titus, and Philemon, written to more experienced believers, cover God's economy regarding the church. In the life study of these books, Witness Lee presents crucial points in these Epistles concerning God's economy, the inoculation of the church against decline, the maintenance of the order of the church, and the believers' equal status in the new man. *Private Needs, Public Selves* John K. Roth, 1997 Polls through the 90s show that many Americans believe the nation is in a period of spiritual decline, yet public religious display and discussion often is deemed politically incorrect. Philosopher John K. Roth feels that more outward sharing of religious beliefs, thoughts, and ideas would bridge the gap between our private needs and our public selves and would give Americans of differing faiths a common identity. **The Living Church**, 1913 *The Collected Works of Witness Lee, 1994-1997, volume 2* Witness Lee, 2021-05-28 The Collected Works of Witness Lee, 1994-1997, volume 2 contains messages given by Brother Witness Lee from November 4, 1994, through November 13, 1995.
