## **Serving The People Of God:**

**Serving the People of God's Presence** Terry L. Cross, 2020-10-27 Leading theologian Terry Cross articulates the doctrine of the church's ministry from a Pentecostal perspective demonstrating how Pentecostals can contribute to and learn from the church catholic This companion volume to Cross's previous book *The People of God's Presence* proposes a radical revision of the structural framework of the local church within the often overlooked corporate priesthood of all believers Cross explores principles for leadership and ministry from the New Testament and the early church helping all believers to do the work of ministry *Serving the People of God* Random House, 1999-05-01

**Soul's Perfection** Sylvia Browne, 2009-10 Browne and her guides help solve a great mystery in this fascinating book namely what is the meaning of life This text describes how to discover a sense of intellectual and spiritual fulfillment

**One** Deidra Riggs, 2017-04-04 Jesus didn't say that the world would know we are his followers by our biting rhetoric our political leanings our charity work or even by our knowledge of Scripture He said the world would know us by our love for one another Yet it's so easy to put others at arm's length to lash out to put up walls Deidra Riggs wants us to put our focus on self preservation aside and like Jesus make the first move toward reconciliation In *One* Riggs shows readers that when Jesus offered himself up in our place he was not only purchasing our salvation but also setting an example for us to follow She helps readers understand that they are secure in God's inexhaustible love making them free to love others lavishly not just in what they do but in what they say what they don't say what they will endure and what they will forgive Anyone who longs for unity in the church in their family and in their community will find in this book both inspiring examples of loving done well and encouragement to begin the often unnoticed hard work of building bridges with those around them *Serving God Globally* Roland Hoksbergen, 2012-06-01 Dominating the daily news cycle today are the grim realities of grinding poverty sex trafficking gender discrimination child soldiering HIV AIDS failed states corruption and environmental breakdown In the midst of such pain and brokenness the followers of Christ cannot stand idly by for God calls them into the mission of reconciling all things first by easing suffering and then by building flourishing communities through the process of transformational human development This practical handbook explains what development is what development workers actually do and how young people can prepare for mission careers in this field both in North America and abroad In addition to setting the big picture for how Christians approach the big questions of international development the book draws on stories advice and wisdom collected from personal interviews with about fifty development professionals

**Colossians** David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed

Technical terms have been set aside. Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges. We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway. Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith. Come and join the journey.
