*Safetyline*, 1991      **The Boy Who Set Fire to the Moon** Harshad Sai, 2025-09-11 This delightful children's bedtime book follows a curious young boy on a whimsical space adventure sparked by his big questions about day and night. As he explores the mysteries of the universe, he also learns the importance of a healthy bedtime routine and how good sleep habits help him feel ready for new adventures. Blending creativity, gentle humor, and problem solving, this magical story turns bedtime into something to look forward to. It encourages children to wind down, build healthy sleep habits, and embrace the comfort of night time rest and relaxation. Perfect for ages 3-9, this is more than just a story; it's a joyful guide to transforming bedtime into a peaceful and magical experience.      *A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. [By Clement Cotton.]*, 1627      **Set Fire To Sicily** Jane Heritage, 2012-02-29 Marcello D'Estari, bastard son of a nobleman and a courtesan, is the most effective, most unmanageable, and most amorous of the spies of the Venetian Republic. To safeguard its position as the greatest Mediterranean power, Venice needs intelligence, and to gather intelligence, it needs spies and informers: courageous, reckless men who can pass unnoticed among peasants and courtiers alike, who can speak the polyglot dialects of the Mediterranean ports, who can befriend noblemen and seduce their wives, and who can, if necessary, kill. Marcello rarely enjoys the killing. Set Fire To Sicily is his first recorded mission.      *The Pacific Reporter*, 1902      **Taichi** Arthur T. Zabin, 2004-02-04 When in 1741 a rash of fires followed a theft in pre-revolutionary New York City, British colonial authorities came to suspect an elaborate conspiracy led by slaves and poor whites who intended to burn the city and hand it over to Britain's Catholic foes. Within seven months, roughly 200 people were arrested, 17 were hanged, and 70 others were expelled from New York. This book abridges the transcript Justice Daniel Horsmanden kept of the trials. His record of the testimony of slaves and working-class whites provides extraordinary clues to the nature of race, class, and gender relationships in colonial New York City and raises questions about the nature and extent of the alleged conspiracy. Serena Zabin's introduction provides context by describing slavery, tavern culture, and the legal system, as well as explaining British tensions with France and Spain. Additional documents include newspaper accounts of the Antigua and Stono Rebellions and letters concerning the 1741 trials to help students make connections among these uprisings and the atmosphere of fear and suspicion they created. Document headnotes and glosses, lists of trial participants, a chronology of events, questions for
