her line carry her gear and steer her to the best trout he can find But then a human scream pierces the night and Jack soon realizes that this idyllic fishing lodge may be merely a cover for a far more sinister operation A novel as gripping as it is lyrical as frightening as it is moving The Guide is another masterpiece from Peter Heller The Last Ranger Peter Heller, 2024-07-02 The best selling author of The River returns with a vibrant lyrical novel about an enforcement ranger in Yellowstone National Park who likes wolves better than most people When a clandestine range war threatens his closest friend he must shake off his own losses and act swiftly to discover the truth and stay alive A good story that s intertwined like leaves afloat in a river with the current of Heller's descriptive powers Filled with Heller's lush writing Powerful Denver Post Officer Ren Hopper is an enforcement ranger with the National Park Service tasked with duties both mundane and thrilling Breaking up fights at campgrounds saving clueless tourists from moose attacks and attempting to broker an uneasy peace between the wealthy vacationers who tromp through the park with cameras and the residents of hardscrabble Cooke City who want to carve out a meaningful living When Ren hiking through the backcountry on his day off encounters a tall man with a dog and a gun chasing a small black bear up a hill his hackles are raised But what begins as an investigation into the background of a local poacher soon opens into something far murkier A shattered windshield a series of red ribbons tied to traps the discovery of a frightening conspiracy and a story of heroism gone awry Populated by a cast of extraordinary characters famous scientists tattooed bartenders wildlife guides in slick Airstreams and bursting with unexpected humor and grace Peter Heller masterfully unveils a portrait of the American west where our very human impulses for greed love family and community play out amidst the stunning beauty of the natural world The Painter Peter Heller, 2015-03-03 NATIONAL BESTSELLER From the national bestselling author of The River and The Dog Stars comes a carefully composed story about one man's downward turning life in the American West The Boston Globe After having shot a man in a Santa Fe bar the famous artist Jim Stegner served his time and has since struggled to manage the dark impulses that sometimes overtake him Now he lives a guiet life until the day that he comes across a hunting guide beating a small horse and a brutal act of new violence rips his quiet life right open Pursued by men dead set on retribution Jim is left with no choice but to return to New Mexico and the high profile life he left behind where he ll reckon with past deeds and the dark shadows in his own heart
