**King Lion** John Powers,2009-07 Something incredibly peculiar has just transpired in the world of super action heroes Until now they would usually fight against evil villains in the visible physical realm and they would typically obtain their supernatural strength through some bizarre happenstance THE BATTLE IS SPIRITUAL and it is to be fought in the unseen realm of the spirit This is how these five super action warriors roll and the way they obtained their supernatural strength was no mishap

From the beginning of time these mighty warriors from the ancient Israeli tribe of Gad were destined to fulfill two great and timely plans. The first has been achieved. The second and final strategic plan was to commence in the year 2009 A.D. This is the appointed time and this is the chosen generation that will meet these mighty Gaddite warriors better known as the Lions of Zion. The Lions of Zion are back to balance the books of justice. King Lion who portrays God is their overseer in this new and exciting Christian novel series. Even though these characters were fictionally created, you can be sure that their message isn't. The storyline is a present day prophetic word for the church which is what makes the read so awesome. In 1993 God transitioned John Powers from being a specialist in the physical realm of fitness training to the nonphysical soul and spirit. John had no expertise in this area but through revelations and open visions God trained and equipped him. John's passion is to use the prophetic calling that God has placed on his life to fitly frame the body of Christ and to restore unity back into the church. John lives with his wife Carol in Indianapolis, Indiana.

*Baby No-eyes* Patricia Grace, 2002-07-07. This major novel merges contemporary headlines with stories of a heartfelt family history. Do you hear the people calling? No. See there dummy, you're nowhere near dead. Well, I don't believe you. How would you know? Of course I know. I do. I do. I know all about it. Tawera and his sister are inseparable in a relationship that is impossible for others to share. In fact, his whole whanau is bonded by secrets, a genealogy stitched together by shame, joy, love, and sometimes grief. This is an account of the mysteries that operate at many levels between generations where the present is the pivot, the centre of the spiral looking outward to the past and future that define it. There's a way the older people have of telling a story, a way where the beginning is not the beginning, the end is not the end.

**Something Rich and Strange:** Susan Davis Ph.D., 2011-11-22. *Something Rich and Strange* breathes fresh air into a tired list of psychological how-to and theological you-should books. In this inspiring work, psychologist Susan Davis guides us through a process of self-discovery and personal growth toward new freedom, deeper love, and more joyous living. Using the biblical stories of the Exodus and of Jesus' death and resurrection, ideas from modern psychology, and the words of writers, poets, and ordinary people, she shows that the path of the transformative journey is well-traveled and available to us today. She includes a foreword by Eugene Peterson, author of *The Message*, and chapter-by-chapter questions for group discussion or personal reflection. This book is an invaluable map for those who are on the journey of psychological healing and spiritual formation and for those who guide them. The most distinctive thing about Dr. Davis's account of her work is that in weaving this tapestry using the threads of story and poetry and psychology, she does her work on a loom constructed from the parallel stories of the Exodus of the Hebrews and the death and resurrection of Jesus. Reading *Something Rich and Strange* puts us in the unhurried and gentle company of a friend, Eugene Peterson, author and professor emeritus of spiritual theology, Regent College, British Columbia. I have recognized how great an impact reading this book has had on me, and I believe this response is possible for anyone who would be willing to read Davis's book and allow it to read them as well. There is definitely a revealing process that takes place in the reader as they make connections to the correlating

**Looking and Listening** Petunia Rose, 2023-08-09

For many years I've known that I was meant to write this book. I didn't know the exact reason, but I knew that I was meant to tell the story of the asbestos in the cooling towers, the importance of righteous leaders, and my experiences with the signs and wonders of God. Then on June 19, 2021, the purpose of this book evolved when God, in His Triune Being, confirmed to me that yes, indeed, I was meant to write this book. God gave me many prophetic words to include in this book: God's Word given to me on 6/21/2021. It is time to enact and react to the changing of the times. These
