Turtledove, 2011-03-09 As they faced one another in a duel of survival the Roman tribune Marcus Scaurus held the spell scribed sword of a Druid priest and the Celtic chieftain Viridovix held a similar sword bespelled by a rival Druid sorcerer At the moment they touched the two found themselves under a strange night sky where no stars were familiar and where Gaul and Rome were unknown They were in an outpost of the embattled Empire of Videssos in a world where magic and dark sorcery would test their skill and courage as no Roman legion had ever been tested before From the Paperback edition

Videssos Cycle: Volume One Harry Turtledove, 2013-04-02 Experience one of the most beloved series in fantasy as could only be imagined by the standard bearer for alternate history USA Today Harry Turtledove's many New York Times bestsellers provide an intriguing take on history's most crucial moments but he honed his speculative talents in a different genre fantasy The Videssos Cycle is the perfect fusion of the two Collected here are the first two novels of Turtledove's one of a kind saga in which a Roman legion is transported to a strange realm where magic rules THE MISPLACED LEGION In a duel for survival the Roman military tribune Marcus Aemilius Scaurus raises his sword blessed by a Druid priest against a Celtic chieftain who brandishes a blade of his own At the moment the weapons touch Marcus and his legion find themselves under a strange night sky full of unfamiliar stars where Rome and Gaul are unknown They are in an outpost of the embattled Empire of Videssos a world that will test their skill and courage as no soldiers have ever been tested before AN EMPEROR FOR THE LEGION In the capital of Videssos a coward and betrayer has seized the throne There behind great walls that have always made the city impregnable to storm or siege he rules with the aid of dark sorcery Overthrowing him seems impossible

and the imperial army has already fled in panic from the savage victors But there is no panic in the legion Now Marcus Scaurus leads his men through the chaos and enemy hordes in search of winter quarters to regroup and do the unthinkable take the untakeable city

Last Orders (The War That Came Early, Book Six) Harry Turtledove, 2014-07-15 History is changed by one small act In an extraordinary saga of nations locked in war master storyteller Harry Turtledove examines a very different World War II one which erupts eleven months earlier and over Czechoslovakia rather than Poland Now comes the final installment in this landmark series Hitler's Plan A was to win in a hurry striking hard and deep into France There was no Plan B Now the war grinds on Countries have been forced into strange alliances The Nazis fortify thin lines with Hungarian and Romanian troops England finding its footing after the suspicious death of Winston Churchill and a coup d'état fights back in Europe and on the seas of the North Atlantic Jews fight on both sides of the war in secret in German uniform openly in Spain France and Russia Into the standoff come new killing tools from tanks to bazookas In the Pacific Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii For the U.S. the only enemy is Japan as there has been no casus belli for America in Europe Then Hitler becomes desperate and declares war on the United States But is it too late His own people are rising up in revolt The German military may have to put down the violence even perhaps bomb its own cities In this epic drama real men and women are shaped by the carnage and their individual acts in turn shape history Drawing on the gritty personal reality of war and on a cast of unforgettable characters Harry Turtledove has written an alternate history that intrigues fascinates and astounds Praise for Last Orders From our perspective seventy years later we're accustomed to thinking of WWII's outcome as being inevitable Not so says Harry Turtledove Disdaining broad brush strokes Turtledove's focus on the characters serves to fill out the big picture with patient nitty gritty detail It's all quite plausible Armchair warriors will have much to ponder Kirkus Reviews Praise for Harry Turtledove If you like alternate histories you're going to like this series a lot The San Diego Union Tribune Turtledove is the standard bearer for alternate history USA Today Coup d'Etat This is what alternative history is all about Historical Novel Society The Big Switch The Hugo Award winner continues to delight in exploring the world of what if Library Journal West and East There's plenty to satisfy fans of military strategy tactics and armaments Publishers Weekly Hitler's War Turtledove is always good but this return to World War II is genuinely brilliant The characterizations in particular bring the book to extraordinary life Booklist
