Lynchburg Clifton W. Potter, Dorothy Bundy Turner Potter, 2004 Once the primary hunting ground of the Monacan Indians and later a harmonious common area shared with the Quakers Lynchburg was a crossroads for various cultures even before its founding following the French and Indian War With roots in the prosperous tobacco fields the City of Seven Hills became one of the nation's wealthiest communities by the Civil War During the robust and arduous times to come Lynchburg continued to thrive by developing diverse industries and eventually becoming a respected educational center
