Emotional Healing with Angels Angels, Rekha Vidyarthi, 2008-12-05 Emotional Healing with the Angels is an inspired spiritual guide to healing and Self realization Dictated by angels to Rekha Vidyarthi a life long seeker of spiritual truth this simple practical guide explains angelic wisdom and philosophy Using personal anecdotes introspection and the intuitive wisdom of the soul Rekha gives a very personal and moving account of a 10 year spiritual journey Unknown to her at the time this quest began as a child when in deep contemplation and query she innocently asked Who is the real God Readers will be inspired by Rekha s experience with the angelic realm and the Divine Her personal stories and those of her clients illustrate how one can overcome life s challenges and find healing peace and purpose Emotional Healing with the Angels demonstrates how human souls can be healed of emotional suffering trauma or spiritual dis ease Most importantly it teaches souls to re discover the Power of Self and reclaim their rightful heritage oneness with God

The Journey Through Cancer Dr. Jeremy Geffen, 2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients

thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life's deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit *Tapping the Power Within* Iyanla Vanzant, 2018-11-27 The revised and expanded 20th anniversary edition of Iyanla Vanzant's first published work offers a powerful path to self empowerment through the revitalization of one's spiritual and ancestral roots Written with Iyanla's signature healing stories this classic guide to uniting the will with the spirit teaches that only you have the power to make a change for the better With chapters on basic breathing and meditation techniques setting up a home altar connecting with ancestors and guardian spirits and the extraordinary power of forgiveness this book is a perfect companion on the way toward the real you Known for teaching by principle and example this exclusive edition also contains Iyanla's special What I Know Now commentaries and an original CD These tools will challenge you to stop struggling and start recognizing that it is possible to reconcile your humanity with your divinity Whether you are a beginner on the path or a veteran in need of refreshment Iyanla's prescriptions can support your growth from the comfort of spiritual adolescence to the wisdom of spiritual maturity You no longer need to settle for the way things are you can open up to the way things can be if you dare to tap the power within **Vibrational Healing** Deborah Eidson, 2000-11-01 In a therapeutic blend bringing together Chinese Medicine reflexology and craniosacral therapy massage therapist Deborah Eidson shows how essential oils and Bach Flower Remedies can be used to identify and free up emotional blockages which may be causing health problems Eidson explains that all chakras have a location associated with organs as well as a sound color and element Giving a good massage can involve stimulating meridians and meridian points finding the location of blocked energy and then working with oils to affect change Eidson writes in an unabashedly spiritual context using her intuitive energetic abilities to help clients open to their own development and spiritual path In a thorough listing of essential oils Eidson describes each in terms of its use in life transformations relevant growth and healing issues the oil's energetic influences on blockages and distortions relevant organs and the botanical origin of the plant Her trust in plants to reveal the nature and problems of a person amounts to a fascinating statement on the nature of the relationship between plants and people as well as an important healing text How We Heal, Revised and Expanded Edition Douglas W. Morrison, 2013-01-08 Unlike health books that cover only nutrition and lifestyle factors or books that deal with consciousness spirituality personal growth and metaphysical considerations outside the realm of the physical How We Heal addresses healing in the broadest conceivable context It presents this whole range of topics in a coherent comprehensive manner that introduces the novice reader to Body Electronics iridology sclerology and other alternative health modalities Author Douglas Morrison explores the physical

factors sleep water exercise and detrimental influences such as amalgam dental fillings root canals fluoride electromagnetic fields vaccinations drugs that influence health and explains why it s necessary to integrate them with the hidden patterns of thought word and emotion that make healing possible Through the use of analogies and practical examples the book helps readers embrace this new way of seeing their own reality Diagrams and illustrations throughout help further illuminate these potentially life changing concepts

The Translucent Revolution Arjuna Ardagh,2010-10-06 There is a gentle but profound revolution in human consciousness happening throughout the world it has affected millions of people from all walks of life and the numbers continue to multiply exponentially The breakthroughs they have experienced are startlingly similar and are marked by a new sense of well being increased joy in life diminished fear and a natural impulse to serve and contribute to the world in a real way For more than a decade Arjuna Ardagh has studied this worldwide advance in human consciousness marked by what he calls translucents individuals who have undergone a spiritual awakening deeply enough that it has permanently transformed their relationship to themselves and to reality while allowing them to remain involved in ordinary life The Translucent Revolution draws on the author s dialogues with thousands of writers teachers and workshop participants around the world who display characteristics of translucence He blends observation anecdote and research including commentaries from leading pioneers in the field of human consciousness

Consciousness, Bioenergy and Healing Daniel J. Benor,2004-10 People have the potential to heal themselves and each other Dr Daniel Benor a wholistic psychiatrist explains how mind body and body mind interactions promote health or cause illness Clear and concise explanations of a large body of research clinical examples and a variety of theory explain healing through complementary alternative medicine Dr Benor reviews research supporting claims that complementary alternative therapies and bioenergy therapies are potent and effective treatments
