Treatment, Or Healing by True Prayer Frederick L. Rawson, 2007-04-01 Through a true communion with God argues the author it is possible to treat any and all problems from loneliness to envy to gray hair and

even bad investments But the prayer that Rawson speaks of is based not upon supplication to an omnipotent being who may or may not be listening but on a simple process of denial and affirmation Using an exhaustive list of examples Rawson shows how to first deny the problem then affirm what he calls the absolute good It is only by dwelling on God s perfect world that one can find true healing This is essential reading to the faithful and a work of genuine curiosity to everyone else British engineer businessman and author FREDERICK LAWRENCE RAWSON 1859 1923 also wrote *How to Bring About Permanent Peace* 1916 *Secret of Divine Protection* 1918 and *Nature of True Prayer* 1920 *Reflections* Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger [How to Find Your Real Self](#) Mildred Mann,2009-01-01 Mildred Mann was a bestselling author and teacher of the New Thought Movement Her ideas and ideals and those of others in the New Thought Movement have seen a resurgence with the release of the bestselling book and film *The Secret* and the popularity of the Jerry and Esther Hicks Abraham Teachings How do we find ourselves We do so by going within We get to know ourselves to understand how we are made and then we learn to use the magnificent power within us **The Advent** Grégoire de Kalbermatten,2018-06-20 This book proposes and describes a new category of perception vibratory awareness beyond thought feelings or instinct by which all kinds of absolute questions are answered This awareness itself thinks organizes and loves It balances neutralizes and heals human problems and relates man to the Divine In different scriptures it has been named as divine breath or the flood of bliss It is innate in every human being though unconscious for most Great prophets and founders of different world religions preached the lifestyle which would optimize man s awakening to its conscious knowledge self realization second birth mukti Divine incarnations who came on this earth at different stages of man s evolution prepared the setting for its manifestation on a mass scale as the phenomenon of collective consciousness Every reader is invited to verify personally the existence and the validity of this new awareness many already have *Find and Use Your Inner Power* Emmet Fox,2018-12-01 An inspirational classic this
