Religion in 30 Days: A REAL Wellness Approach to Critical Thinking, Exuberance and Personal Freedoms

Contributors include Annie Laurie Gaylor, Dan Barker, Gerrie Paino, Carol Ardell and 109 luminaries whose work is briefly cited to support or inform the material in the book, 2022 This book is a 30 Day plan for gaining more freedom from religion Freedom From Religion in 30 Days FFR is an antidote for anti democratic tendencies irrationality tribalism and intolerance It also offers relief from the mental constraints of dogmas creeds and superstitions Religion as promoted by Christian Nationalists obstructs and threatens our wellbeing and freedoms Christopher Hitchens best seller God Is Not Great How Religion Poisons Everything seems increasingly apt In FFR a case is made that religions poison not quite everything but more than enough to make it a mental health and quality of life hazard Whether you re a believer a devout freethinker or someone in between you will find each of the 30 days meets three standards 1 engaging 2 entertaining and 3 informative My goal is that FFR will hold your attention for a solid month and benefit you even longer WHY IT MATTERS FFR is about breaking away from the false claims and destructive effects of religion It s also about the positive nature of a REAL wellness way to think more critically live more exuberantly and enjoy more personal liberties A large number of freedoms are available for the taking once mental constraints of creeds and dogmas are eliminated This book promotes 1 Science based critical thinking using reason to guide important decisions Few decisions are as important as what you believe about religions especially the one in which you were indoctrinated 2 Happiness joy fun adventure meaning and purpose in life These are the key elements in the REAL wellness dimension of exuberance 3 Freedom to live the kind of life you desire This is the liberty dimension of REAL wellness THE 30 DAY FORMAT All 30 essays address some aspect of religion as it affects mental freedoms that shape values commitments beliefs behaviors and ultimately quality of life and wellbeing The format is inspired by Wilfred Funk s 30 Days to a More Powerful Vocabulary Within the 30 essays are four self evaluations focused upon reason exuberance personal liberties and management of stress Over 30 topics are covered in the essays though religion is a theme throughout The topics besides religion in general and Christianity in particular include politics heroic freethinkers mountebanks dubious and needed holidays ethics prayers play commandments parenting happiness sexuality doubt aging and death In addition to informing and entertaining FFR advances skills and awareness needed to slow the frightful trends that threaten our national interests THE PRISON OF BELIEF Although Christianity no longer has the power it wielded in the Middle Ages and thus no longer engages in atrocities such as the Inquisition s auto de f carnival like public executions of heretics it has another insidious liability it imprisons the brains of adherents thereby diminishing our democracy and crippling our personal freedoms and opportunities for exuberant lives James Haught put it this way When people accept supernatural claims of a

religion their lives are altered They commit themselves to belief in miracles prophecies and similar magic which orients their view of reality It confines them hindering their ability to consider other possibilities This narrowed lifestyle can be called the prison of belief This book will delight you if you re no longer willing to go along with pabulum babble in ritual blather such as In God we trust so help me God or God bless America

None of the Above Elie Mikhael Nasrallah, 2014-08-27 The notion of redefining religion's role in our lives is not an academic exercise It is an urgent modern imperative This book confronts all religious dogma It challenges the idea and practice of the need for a middle man between man and God It invites the reader to consider the modern rise of the Nones the religiously unaffiliated and to join this magnificent silent social tsunami It explores with vivid and compelling narrative the story of the Nones showing the who when where and how of this revolt against religious corruption and its preoccupation with power money and politics Born in the East Lebanon living in the West Canada Elie M Nasrallah offers the reader emotion ridden stories as he draws from personal experience of the Lebanese War to highlight the role of organized religion in the Middle East and around the world The content and style are both provocative and captivating making the theme timely and timeless Are you fed up with orthodoxy and willing to free yourself from the shackles of conformity outdated practices and stale tales of the tribe If so then this book is for you
