The Cinema of Robert Lepage Aleksandar Dundjerovich, 2003 The Cinema of Robert Lepage is the first critical study of one of the most striking artists of Quebecois and Canadian independent filmmaking The book examines Lepage's creative methods of filmmaking in their cultural and social context and argues that his work cannot be seen separately from his oeuvre as a multidisciplinary artist and challenges the notions that Lepage should be considered only in the terms of Quebecois film tradition The author explores such themes with Lepage in a new exclusive and detailed interview **Robert Lepage / Ex Machina** James Reynolds, 2019-02-07 Robert Lepage Ex Machina *Revolutions in Theatrical Space* provides an ideal introduction to one of our most innovative companies and a much needed and timely reappraisal of Lepage's oeuvre International interdisciplinary and

intercultural to the core Ex Machina have negotiated some of the most complex creative and cultural challenges of our time This book maps the story of that journey by analysing the full spectrum of their richly varied work Through a comprehensive historiography of productions since 1994 Robert Lepage Ex Machina offers a detailed picture of the relationship between director and company while connecting Ex Machina to culturally specific features of Quebec and its theatre This book reveals for the first time how overlooked aspects of creativity and culture shaped the company's early work while installing a dynamic interplay between director and company that would spark a unique and ongoing evolution of praxis Central to this re-evaluation of practice is the book's identification of an architectural aesthetic at the heart of Ex Machina's work an aesthetic which provides its artistic and political centres of gravity Moreover this architectural aesthetic powers the emergence of concrete narrative as a new and distinctive mode of theatrical storytelling uniting story and space body and technology content and form and demanding that we discover the politics of these performances in the energetic gestures of theatre design and space itself Drawing on extensive interviews with Lepage Ex Machina personnel and collaborative partners Robert Lepage Ex Machina calls upon us to revise both our creative and critical perceptions of this vital and distinctive practice

Robert Lepage Aleksandar Saša Dundjerovic, 2008-11-25 Routledge Performance Practitioners is a series of introductory guides to the key theatre makers of the last century Each volume explains the background to and the work of one of the major influences on twentieth and twenty-first century performance Robert Lepage is one of Canada's foremost playwrights and directors His company Ex Machina has toured to international acclaim and he has lent his talents to areas as diverse as opera concert tours acting and installation art His most celebrated work blends acute personal narratives with bold global themes This is the first book to combine an overview of the key phases in Lepage's life and career an examination of the issues and questions pertinent to his work a discussion of The Dragons Trilogy as a paradigm of his working methods a variety of practical exercises designed to give an insight into Lepage's creative process As a first step towards critical understanding and as an initial exploration before going on to further primary research Routledge Performance Practitioners are unbeatable value for today's student

Robert Lepage's original stage productions Karen Fricker, 2020-07-28 This book explores the development of Robert Lepage's distinctive approach to stage direction in the early 1984 1994 and middle 1995 2008 stages of his career arguing that globalisation had a defining effect on shaping his aesthetic and his professional trajectory In addition to globalisation theory the book draws on cinema studies queer theory and theories of affect and reception Each of six chapters treats a particular aspect of globalisation using this as a means to explore one or more of Lepage's productions Productions discussed include The Dragon's Trilogy Needles and Opium and The Far Side of the Moon Making theatre global Robert Lepage's original stage productions will be of interest to scholars of contemporary theatre advanced level undergraduates and arts lovers keen for new perspectives on one of the most talked about theatre artists of the early 21st century

Theatre and Photography Joel Anderson, 2015-01-14 Examining the

relationship between theatre and photography this book shows how the two intertwine and provide vantage points for understanding each other Joel Anderson explores the theory and practice of photographing theatre and performance as well as theatre and photography's mutual preoccupation with posing staging framing and stillness

Great North American Stage Directors Volume 7 James Peck, 2024-01-25 This volume focuses on three artists who embrace media and technology as essential elements of their theatrical expression Elizabeth LeCompte Ping Chong and Robert Lepage Diverse in their aesthetic interests they nevertheless share an approach to directing that includes technological media on stage as central to a rigorously crafted production concept Technological elements live alongside and negotiate with the theatre's human players disclosing shaping and even intruding on the dramas they enact The essays in this volume explore how all three directors have provided decisive responses to a question that has dogged the theatre for at least the last century what relationship can theatre an art form grounded in live ephemeral expression have to technology The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty four major practitioners from the late 19th century to the present Each of the eight volumes examines three directors and offers an overview of their practices theoretical ideas and contributions to modern theatre The studies chart the life and work of each director placing his or her achievement in the context of other important theatre practitioners and broader social history Written by a team of leading experts the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation
