Seven Centuries Of Sea Travel From The Crusades To The Cruises:

Seven Centuries of Sea Travel Chris Owen,1983 **Wet Britches and Muddy Boots** John H. White,2020-03-04

Succeeds admirably as an introductory survey of the early American travel experience from the National Book Award nominated author Journal of Transport History What was travel like in the 1880s Was it easy to get from place to place Were the rides comfortable How long did journeys take Wet Britches and Muddy Boots describes all forms of public transport from canal boats to oceangoing vessels passenger trains to the overland stage Trips over long distances often involved several modes of transportation and many days even weeks Baggage and sometimes even children were lost en route Travelers might start out with a walk down to the river to meet a boat for the journey to a town where they caught a stagecoach for the rail junction to catch the train for a ride to the city John H White Jr discusses not only the means of travel but also the people who made the system run riverboat pilots locomotive engineers stewards stagecoach drivers seamen He provides a fascinating glimpse into a time when travel within the United States was a true adventure Throughout this massive work the author repeatedly captures the romance flavor and color associated with travel Choice Every chapter in any order will constitute a well spent and informative read Journey with this book soon National Railway Historical Society Bulletin A popular history informative and engaging White has given us a book that s as unusual as it is useful Read it cover to cover or just pick out a random chapter in a stolen hour and the book will be equally enjoyable either way Railroad History **Naval Shipbuilders of the World** Robert J. Winklareth,2000 While the design and service histories of warships are well covered in print there is no single volume guide to the companies and state yards that built them This work is designed to fill the gap The core of the book is made up of potted biographies of the shipbuilders describing their corporate development highlights in their histories and listing the major ships they built The book is international in coverage divided by country by region and by yard with maps and plans showing the main areas the locations of the yards and the ground layout of the most important builders at significant dates in their history *The Mariner's Mirror* Leonard George Carr Laughton,Roger Charles
