

The Free Bird

If we had wings
Feathers and breath
Would we be free
Or fearing death

Would we fly high
Instead of looking into the sky
Or be afraid to fall
To the ground below

If we had the will
The desire and courage
To set us free
From the worlds luggage
Would we spread our wings
Or still look up
Afraid of opportunities
That come with flight

Sevenstar Bird Poems:

Seven-Star Bird David Daniel, 2003-10 David Daniel explores a city entire lives swept clean off the map in this haunting debut As breezes lap the shallow tugged tide flow And swallows twitter and skirt the dusk We lie within the wreckage of the stars The moon spill our planets pull this sad machine from Seven Star Bird You will not find Friendship Texas it now lies at the bottom of a lake of floodwater forgotten In Seven Star Bird David Daniel rescues the town s and the poet s own family s stories and memories from an immigrant past and from the clutches of devastation In a weaving of elliptical and elaborate voices lyrics and narratives Daniel s debut collection guided by Heraclitus discovers an ethical religious and aesthetic antidote to the disasters of loss and disappointment why the gods call down their inexplicable punishment why we can never step into the same river twice

Goodbye, My

Princess Fei Wo Si Cun, 2025-06-17 The only thing more dangerous than a king is his heir in this first English translation of the romantic tragedy that inspired the popular TV series from one of China's best known authors of heartbreak perfect for readers of *Captive Prince* and *Grandmaster of Demonic Cultivation* There is no room for love in an empire Qu Xiaofeng has been living in Shangjing for three years now A naive happy go lucky treaty bride from the desert kingdom of Xiliang she has everything she could ever want as the crown princess of the Li Empire everything except the crown prince's heart Because Li Chengyin is a heartless boy Cruel jealous and ruthless he has given his adolescence to the cutthroat contention for the throne and now that he is the heir presumptive largely ignores his bride in favor of the girl he seems to really love Xiaofeng doesn't mind much It leaves her more time to sneak out of the manor to go drinking and riding in the streets living just the way she wants to But one day another boy shows up claiming to be a sweetheart from a life she can't remember having lived As Xiaofeng puzzles out the tangled threads of her past and her complicated feelings about the enigmatic distant husband she loves and hates in equal measure what she doesn't realize is that she's setting a course straight to tragedy Because the only place more dangerous than the palace is the crown prince's court the only thing harder to be than a king is his heir and the path to the throne is paved with blood Power will always have its price the only question is if Xiaofeng will survive long enough to pay

Star Birds and Other Poems Winnie Brigham, 1987 Small Press Record of Books in Print, 1976 **Xu Xiake (1587-1641)** Julian Ward, 2001 Sheds new light on the importance of the diaries of Xu Xiake 1587-1641 a compulsive traveller who spent a lifetime visiting and writing about China's beauty spots

Xu Xiake (1586-1641) Julian Ward, 2013-12-16 In this the first full length study in English of China's best known travel writer new light is shed on the importance of the diaries of Xu Xiake 1587-1687 a compulsive traveller who spent a lifetime

visiting and writing about China's beauty spots. The general view of his work that he brought a sober analytical approach to a genre previously the domain of the dilettante and that his writing was utilitarian and lacking in literary merit is cast aside, revealing Xu to be a figure of his age, his concerns perfectly in tune with the exuberant tastes of other late Ming literati. Essential background is provided with a survey of the history of Chinese travel writing in general, with particular emphasis given to the late Ming period and a resume of Xu Xiake's life. The core of the work examines the wealth of new information to be found in a longer version of Xu's account of his great journey to southwest China, rediscovered in the 1970s. Detailed study of Xu's use of language serves to underline the breadth of achievement of a man who utilised traditional and contemporary Chinese poetic language in order to express an emotional response to the landscape through which he passed. This is reinforced by a complete annotated translation of a deeply personal essay written towards the end of Xu's life. The book covers a broad spectrum of voguish sinological subjects relating to late Ming China, ranging from the huge growth in all forms of geographical writing to the anthropological analysis of the non-Han peoples of southwest China. This book will interest both seasoned sinologists and anyone who has spent time travelling in China or is interested in the art of travel writing.
