Seventeenth- Century Verse and Prose; Volume two: 1660-1700 Helen C. White, Seventeenth-century Verse End Prose, Vol. 1: 1600-1660 Helen C. White, Ruth C. Wallerstein, Ricardo Quintana, 1951 Seventeenth Century Verse and Prose Helen C. White,1970 Anthology of selected 17th century English Writers Fault Lines and Controversies in the Study of Seventeenth-century English Literature Claude J. Summers, Ted-Larry Pebworth, 2002 Written by various experts in the field this volume of thirteen original essays explores some of the most significant theoretical and practical fault lines and controversies in seventeenth century English literature. The turn into the twenty first century is an appropriate time to take stock of the state of the field and as part of that stocktaking the need arises to assess both where literary study of the early modern period has been and where it might desirably go Hence many of the essays in this collection look both backward and forward They chart the changes in the field over the past half century while also looking forward to more change in the future Seventeenth Century Literature and Culture Jim Daems, 2006-11-17 The guide to Seventeenth Century Literature and Culture provides students with the ideal introduction to literature and its context from 1603 1688 including the historical cultural and intellectual background including religion politics and culture during the Civil War Commonwealth and Restoration major writers and genres including John Donne George Herbert Andrew Marvell and John Milton concise explanations of key terms needed to understand the literature and criticism key critical approaches from the eighteenth century to the present a chronology mapping historical events and literary works and further reading including
