Mysticism in Newburyport Peter James Ford, 2022-10-05 SHADOW RIDERS is the third book in this seven book series under the title MYSTICISM IN NEWBURYPORT It is the continuing unfolding story of just another soul s re awakening in this lifetime to the truth of his divinity After Peter's younger wild years growing up in Lynn Massachusetts with heavy alcohol use and abusing all the drugs of the sixties along with his love of riding motorcycles and physical training he found himself crawling into the 12 step recovery program for alcoholics Peter abused alcohol for seven years and he drank alcoholically right from his first drink He used all the drugs of the sixties and combined both alcohol and drugs which brought him to his knees at a very young age He was to be involved in endless trouble with police car and motorcycle crashes high speed chases arrests and many broken bones Peter's journey in the recovery program began with a spiritual awakening and he began his education about the spiritual principles and the ancient wisdom from the past While Peter was living in the Newburyport area and reading ancient writings from meditation masters Peter was to have a profound spiritual experience and his journey back to his true self really began Through the grace of a mediation master Peter's own inner spiritual energy called kundalini burst wide open and this energy flowed up his spine and chakras and caused incredible insights and experiences It was later that Peter learned about Kundalini Yoga and what had happened to him Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past life experiences To honor his spiritual awakening while in this historic seaport he decided to use the name MYSTICISM IN NEWBURYPORT for the title Peter's first book was introduced at the Miami International Book Fair as a modern day version of the Herman Hesse classic novel SIDDHARTHA These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly Irish seeker Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face about the unique life of just another seeker This book is dedicated to Barbara Eleanor **The Seventh Fury** John Castle, 2009-07 This scarce antiquarian book is Parton She is in the below pictures on our bikes a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work The 7th Infantry Regiment: Combat in an Age of Terror John C. McManus, 2013-05-28 The 7th Infantry s motto Willing and Able speaks volumes about its past Throughout America's history the soldiers of this regiment have proven through their sacrifice their bloodshed and their sweat that they are willing and able to fight America's wars At practically every crucial moment in America's wars the 7th has been there shaping the future of the country and by extension the world

Acclaimed historian John C McManus takes us through the amazing history of this ever present regiment in modern warfare from Korea to our current toils in the Middle East More than anything McManus narrative tells the tale of those ordinary infantrymen who have always made up the 7th These soldiers have usually been unremarkable ordinary individuals but they have always been and probably always will be the heart and soul of the United States Army The 7th is a vital part of our military tradition And McManus gives a complete account of their struggles anguish fears sacrifices triumphs and pride McManus s narrative of the 7th provides a compelling glimpse of not only the infantryman s journey through American history but the shaping of our nation as a whole At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **The Story of 7th Heaven** Austin Strong, 1924 Chambers's Cyclopædia of English Literature: 7th-17th century Robert Chambers,1927 My Service in Custer's 7th Cavalry (Annotated) General Hugh Lenox Scott, A newly minted West Point lieutenant in 1876 he requested posting to George Armstrong Custer s 7th Cavalry just days after the general s death at the Battle of the Little Bighorn He accompanied the brother of General Philip Sheridan to recover the remains of Custer and the other officers from the battlefield at the Little Bighorn in 1877 He met and befriended most of the important Plains Indians as well as figures like Buffalo Bill Cody General Phil Sheridan Frederick Remington and others He met the idol of the 7th Cavalry Captain Frederick Benteen modeled his own style of command after Benteen and remained friends with him until the latter's death Fluent in Indian sign language a true friend to Native Americans probably no white man of his time was better at communicating with and gaining the trust of the tribes with which he worked than Hugh Lenox Scott During his time in the west he more than once turned down assignments to more desirable posts to remain working with the tribes Of his fellow white citizens he wrote there is an inborn racial fear of the Indian in our minds due to our ignorance of his thought enhanced by the tales of scalping and bloodshed we were fed on in our youth Many times Scott put himself at great risk to avoid bloodshed between whites and Indians This fascinating exciting and extremely important memoir is one that every student of American history should own and read repeatedly Every memoir of the American West provides us with another view of the movement that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample **Brief** .1944-06 Mystic Peter James Ford, 2023-10-19 Mysticism in Newburyport is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter's powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter's love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High Street was lined
