Levin,2012-02 A trusted companion s final notes on life love and happiness *Chicken Soup for the Soul: Angels All Around* Amy Newmark,2019-08-27 These true personal stories of angels miracles answered prayers and divine intervention will deepen your faith and open your eyes to the angels guardians and guides in your life Miracles happen every day to people from all walks of life And angels are all around if we are open to seeing them and accepting their help You ll be inspired awed and comforted by these 101 stories from ordinary people who ve had extraordinary experiences including The young family caught in a snowstorm who were rescued by a man named David and hosted in his cabin who learned afterwards that David and his family had died three years earlier on the same highway they were stuck on The widow who had been making snow angels with her husband for decades and then found two perfect ones in the fresh snow by his memorial bench one wintry morning with no footprints leading to them The daughter whose dying mother promised to send flowers who returned from the funeral to find her mom s almost dead Christmas cacti had blossomed covering an entire room with flowers The mother who saw her husband hoisting their little girl by one arm from a lake she d fallen into but didn t see the man her husband says was holding the girl s other arm The notoriously grumpy old man in a nursing home who spent a whole day happily saying goodbye to everyone and thanking them because an angel told him correctly it would be his last day on earth The teenager working in a hotel kitchen who was pushed away by an invisible force while standing in a group of people and just missed being hit by a large piece of equipment that fell right where she d been standing [Ghetto Prophecy 7Th Street](#) Malcolm A. Rowe,2018-01-20 Urban street culture has since changed with the passing of the times There is no such thing as respect honesty trustworthiness or loyalty anymore Most of these young street guys who are now running around controlling the hustle game has all but lost their moral integrity Brothers are crossing their own brother while sisters are crossing damn near everyone solely on the strength of their commitment to their baby daddies There is no such thing as love anymore at least not the deep down satisfying kind of love that sits on your heart and influences every single decision and action that one may think about making There is no real reason for any street hustler to be celebrating the hustling lifestyle A lifestyle that has brought the African American communities so much hurt and pain should not be looked upon as a

thing of beauty by today's youth. It is crack, dope, pills, and weed smoke that has led today's youth down the wrong path and toward the pipe dream. With this novel *Ghetto Prophecy 7th Street: The Untold Story*, I will be making a desperate attempt to bring the dysfunctional plight of a race of colored people who had so much hope and promise to the world's stage. The sheer brilliance of the average street hustler is so amazing that the talent can only be compared to major business CEOs. Crack, cocaine, dens, well-thought-out business moves, calculated gestures, financial arrangements, and the strong stench of gun smoke are all things of the past. Today's modern-day hustler moves with such ease that there is an air of legitimacy hovering over his every move. *Ghetto Prophecy 7th Street: The Untold Story* will forever change the urban storytelling game. This remarkable, marvelous, emotionally gripping, thought-provoking street epic will be praised by mainstream society. This is a powerful Philadelphia story, so Philly readers definitely should not be left out of the loop.
