Seventy Two Virgins:

Rational Extremism Ronald Wintrobe, 2006-08-14 Extremists are people whose ideas or tactics are viewed as outside the mainstream. Looked at this way extremists are not necessarily twisted or evil. But they can be especially when they are intolerant and violent. What makes extremists turn violent? This 2006 book assumes that extremists are rational given their ends they choose the best means to achieve them. The analysis explains why extremist leaders use the tactics they do and why they are often insensitive to punishment and to loss of life. It also explains how rational people can be motivated to die for the cause. The book covers different aspects of extremism such as revolution, suicide terrorism, and global jihad. The arguments are illustrated with important episodes of extremism including the French Revolution, the rise of nationalism in Yugoslavia under Milosevic, and the emergence of suicide terror and Al Qaeda today. **Seventy-two Virgins** Boris Johnson, 2004

Seventy Two Virgins is a comic political novel with similar appeal to *Stephen Fry* or *Ben Elton* written by one of Britain's most popular politicians. It is Boris Johnson's first novel. To much fanfare the American President is on an inaugural visit to the Houses of Parliament. Our hero, a hapless MP on a bicycle, gets caught up in the ferocious security arrangements. A stolen ambulance runs into trouble with the Westminster Parking Authorities. A man born in Lebanon but going by the name of Jones manages to persuade his way through the barriers. The best sharpshooter in the United States is enlisted and stationed on the roof of the building adjoining Westminster Hall. Henry VIII's tennis ball gets caught up in the melee. These disparate parts meet head on and the events are broadcast live on worldwide television. *Schmoozing with Terrorists*

Aaron Klein, 2007 In a time of unprecedented danger for the West it's crucial that Americans understand the true nature of the adversaries we face and how we are making them bolder each day. Join Aaron Klein, award-winning journalist and radio commentator, as he schmoozes and kvetches with radical clerics, suicide bombers, the parents of potential child martyrs, and the leaders of the world's most dangerous terrorist organizations. Here's the real story behind today's war headlines told from the unique perspective of a Jew meeting and eating with his deadliest enemies. Among the highlights of *Schmoozing with Terrorists*: Why do the terrorists tell Klein that Hillary Clinton is the jihadist choice for president? Which anti-war politicians and celebrities meddling in Middle East politics are jihadist favorites? What compels someone to blow themselves up in order to kill others? What would day to day life be like in America if the terrorists win? Madonna and Britney Spears take note.

In Pursuit of the Free Pass John Howard, 2012-09 John Howard, author of *Road Warriors*, asks WHY? Why can't we display the Ten Commandments in public places? Why can't we say Merry Christmas even though that's the holiday we are celebrating? Why do we all have to kowtow to the liberal Church of the Enlightened's dictates and lack of morals? Why can't children pray in school if that is their choice? Why does the Church of the Enlightened hate core American values? Why does the feminist's agenda ruin the workplace and weaken the United States from within? Why does Affirmative Action hurt the people it's supposed to help? Why can't we find out the truth about our elected leaders who pay attorneys to cover up their

past And WHAT can the right thinking Christian majority do about changing the messages that are sent out each day seeking to dismiss them as crazy people that seek to destroy this great nation The United States of America is the greatest country in the world and only when right thinking foundational principles are brought to surface can we truly have a nation of which to be proud *Bull**T* Steven Elliott,2015-01-07 Our beautiful World is full of lies Why Why do people feel such a desperate need to cling to lies untruths and fantasy Is the World not beautiful enough without filling it with falsehoods Over the centuries many men and women have written many thousands of books explaining and supporting lies In all fairness the majority of those authors have undoubtedly believed the lies of which they wrote But that does not excuse the pernicious spreading of lies I believe it is time that we came out of the dark and entered the light And I propose to do my bit to lift the veil through this small work Men and women have been permitted down the ages to spread lies and misinformation Am I not allowed to endeavor to spread some truth
