milieu This book documents the culture of the ghetto through the example of a central character someone who is to be regarded as a catalyst of the characteristic traits of his community Like the tales of so many other unheralded talents among bluesmen Earl Hooker Blues Master Hooker s life story has all the elements of a great blues song late nights long roads poverty trouble and a soul felt pining for what could have been **Gibson** J. W. Peterson,2019-08-13 Gibson is an exciting portrayal of contemporary life on the prairies of central Montana and is set against themes of mystery discovery and the seeming randomness of events in an indifferent world The story concerns the discovery of an enormous cave system by two men of dissimilar character and upbringing that leads both of them to a fated sense of allegiance to one another a relationship that becomes stressed to the breaking point by jealousy mental illness and the often violent and uncontrollable forces of nature **Michigan Manufacturer and Financial Record** ,1919 Art of the American Automobile George N. Georgano,1995 A big beautiful car book with a different slant Eminent British automotive writer Georgano partners with an outstanding car photographer from his own country Nicky Wright to produce a testament to the dictum the automobile is art Their focus is on individual car stylists who adhered to the philosophy that the automobile has to sell on its appearance as much as on its mechanical qualities The men profiled here were not and are not specialty designers of custom cars but employees of big car companies who devoted themselves to beautifying cars sold to a mass market Billy, Alfred, and General Motors William Pelfrey,2006-03-27 This book is the tale not just of the two extraordinary men of its title but also of the formative decades of twentieth century America through two world wars and changes in business industry politics and culture You couldn t find two more different men Billy Durant was the consummate salesman a brilliant wheeler dealer with grand plans unflappable energy and a fondness for the high life Alfred Sloan was the intellectual an expert in business strategy and management master of all things organizational Together this odd couple built perhaps the most successful enterprise in U S history General Motors and with it an industry that has come to define modern life throughout the world In Billy Alfred and General Motors business leaders and history buffs alike will discover timeless lessons cautionary tales and motivational inspiration The book includes vivid warts and all portraits of the legends of the golden age of the automobile from Henry Ford Ransom Olds and Charles Nash to the brilliant but uncredited David Dunbar Buick and Cadillac founder Henry Leland The impact of Durant and Sloan on their contemporaries and their industry is matched only by the powerful legacy of their improbable and incredible partnership Characters events and context all are brought skillfully and passionately to life in this meticulously researched and supremely readable book Motor Age ,1928 **Dinosaur Provincial Park** Philip J. Currie,Eva Bundgaard Koppelhus,2005 This comprehensive history of a remarkable window into the history of the earth will be required reading for everyone interested in the life of the past BOOK JACKET The Life and Memoirs of Fast Eddie Eddie Martin,2022-03-07 This is the life story of Eddie Martin written at age 88 as he recalls both his physical and spiritual journey his observations and lessons learned Eddie makes the statement that his was an ordinary life
