Nelson,Sandra P. Longfellow,1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully      *Sacred Sex* Tony Evans,2012-04-20 Morality Relativity Right and Wrong The issues we face are complicated and everyone has an opinion But who has the answer when it comes to sexual issues Sex dominates our popular culture to a degree we ve never seen before and unrestricted sex is being touted as a shortcut to personal fulfillment and satisfaction but it s a counterfeited and cheapened imitation of the real thing Respected pastor Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd Discover what God says in His word regarding why your sexuality is important and why sexual immorality is devastating Discover how to maintain purity and enjoy true intimacy in marriage the real fulfillment and satisfaction that God intended      **Sacred Love and Sexual Fascination Juxtaposed in Eleven Minutes** Raihan,2021-12-27 Raihan MA B Ed English UGC NET English Research Scholar English Dr APJ Abdul Kalam University Indore Hailing from Thalassery Kerala Raihan is an avid traveller numismatist and a passionate cricketer with zest and zeal in English Literature Done Graduation BA Post Graduation MA in English Language Literature from the prestigious Gov t

**Iconoclastic Sex** Henry Walter Spaulding, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

Sacred Marriages David Mullins, 2018-06-14. This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts. Drawing upon data from in-depth interviews of couples in long-term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals, Sacred Marriages explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody. The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts. This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife. The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered

sacred marriages during emotional extremes A thoughtful examination of long term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family      **Yoga Journal** ,1990-01 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
