Sex And Scientific Inquiry:

Sex and Scientific Inquiry Sandra G. Harding, Jean F. O'Barr, 1987 **Sex-Specific Reporting of Scientific Research** Board on Population Health and Public Health Practice, Institute of Medicine, 2012-01-27

The number of women participating in clinical trials has increased during the last two decades but women are still underrepresented in clinical trials in general. Some of the overall increase can be attributed to the greater number of women only trials of therapies for diseases that affect only women. Even when women are included in clinical trials the results are often not analyzed separately by sex. On August 30 2011 the Institute of Medicine IOM Board on Population Health and Public Health Practice hosted the workshop Sex Specific Reporting of Scientific Research. The workshop explored the need for sex specific reporting of scientific results potential barriers and unintended consequences of sex specific reporting of scientific results experiences of journals that have implemented sex specific requirements including the challenges and benefits of such editorial policies and steps to facilitate the reporting of sex specific results. Presenters and participants included current and former editors of scientific journals researchers and scientists and policymakers from government industry and nonprofit organizations. Presentations and discussions highlighted the importance to both women and men of having sex specific data the problems with sample size and financial constraints for conducting the research the appropriateness of sex specific analyses and the limitations of journal policies to change experimental designs. Sex Specific Reporting of Scientific Research summarizes the presentations and discussions by the expert panelists during the IOM workshop. The workshop's first session focused on why sex specific reporting is important. Panelists highlighted historical and current events that have hindered or helped to advance the study of women. In the next session panelists in academe discussed the challenges of collecting analyzing and reporting sex specific data from the researcher's perspective. That was followed by two panels of leading journal editors who shared their experiences in developing and implementing editorial policies and the implications of sex specific reporting policies for journals.

Handbook for Conducting Research on Human Sexuality Michael W. Wiederman, Bernard E. Whitley, Jr., 2012-12-06

Human sexuality researchers often find themselves faced with questions that entail conceptual methodological or ethical issues for which their professional training or prior experience may not have prepared them. The goal of this handbook is to provide that guidance to students and professionals interested in the empirical study of human sexuality from behavioral and social scientific perspectives. It provides practical and concrete advice about conducting human sexuality research and addresses issues inherent to both general social scientific and specific human sexuality research. This comprehensive resource offers a unique multidisciplinary examination of the specific methodological issues inherent in conducting human sexuality research. The methodological techniques and advances that are familiar to researchers trained in one discipline are often unfamiliar to researchers from other disciplines. This book is intended to help enrich the communication between the various disciplines involved in human sexuality research. Each of the 21 self standing chapters

provides an expert overview of a particular area of research methodology from a variety of academic disciplines It addresses those issues unique to human sexuality research such as how to measure sexuality variables how to design studies recruit participants and collect data how to consider cultural and ethical issues and how to perform and interpret statistical analyses This book is intended as a reference tool for researchers and students interested in human sexuality from a variety of disciplines including psychology sociology family science health communication nursing medicine and anthropology

Scientific Inquiry into Human Potential David Yun Dai,Robert J. Sternberg,2020-12-09 Scientific Inquiry into Human Potential explores the intellectual legacy and contemporary understanding of scientific research on human intelligence performance and productivity Across nineteen chapters some of the most eminent scholars of learning and psychology recount how they originated distinguished measured challenged and adapted their theories on the nature and nurture of human potential over decades of scientific research These accessible autobiographical accounts cover a spectrum of issues from the biological underpinnings and developmental nature of human potential to the roles of community social interaction and systematic individual differences in cognitive and motivational functioning Researchers instructors and graduate students of education psychology sociology and biology will find this book not only historically informative but inspiring to their own ongoing research journeys as well

Human Sexuality Ami Rokach,Karishma Patel,2021-01-22 Human sexuality touches us all pun intended We all either enjoy it struggle with it or may have been victims of it Sexuality is not just about sex but about human sexual function the physiology of sex the hormones involved and how they affect us and the cultural norms related to it Sexual function and dysfunction are closely tied to one's self esteem self respect and to relationships with intimate partners Human Sexuality Function Dysfunction Paraphilias and Relationships explores the interplay of intimacy and sexuality how it can enhance relationships and how it can negatively affect them or be affected by them When individuals or partners encounter sexual problems or dysfunctions it can have a long lasting affect both biologically and psychologically Dr Rokach explores the causes and the reasons that these dysfunctions are maintained and successful treatment methods Chapters on sexual offenses and paraphilias and what treatment options are available to sexual offenders are also included This book is the first book to place sexuality where it belongs within the context of relationships demonstrating how sexuality relates to intimacy by both enhancing and negatively affecting it Explains psychological biological and sociological theories of sexuality Addresses sexual dysfunctions according to various models of sex therapy Discusses the biological developmental and sociological theories of sexual orientation Explores the specific hormones in male and female sexual behavior

Contemporary Research on Sex Work Jeffrey T. Parsons,2014-06-03 Gain important insight and a broader perspective on where why and how sex workers conduct their business For years the focus of sex work research has been on street based male and female sex workers and the HIV related risks they pose to their clients Contemporary Research on Sex Work moves beyond the basic association between sex work and unprotected sex to a fuller description of the varied facets of the industry

while still pursuing a better understanding of HIV risk among those working the streets The diverse approaches in this unique book include targeted sampling qualitative and quantitative interviews ethnographic interviews with key informants using sex workers as recruiters and quasi experimental intervention designs Contemporary Research on Sex Work dispels the notion that all sex workers are prostitutes working the streets highlighting instead various aspects of sex work in terms of gender venue and context Social scientists from a variety of disciplines present research collected from across the United States Cambodia the Philippines Argentina and Canada that reflects the efforts to explore interventions and programs designed to improve the social and physical lives of male female and transgender sex workers and their clients The book examines how different circumstances determine different issues of power control health social functioning mental health and HIV STI risk each sex worker faces Contemporary Research on Sex Work examines condom use by transgender female sex workers the association between mental health issues and unprotected sex the influence of structural intervention in reducing biologically sexually transmitted infections STIs the hidden population of women who solicit clients in private locations off the street stigma resistance among male sex workers in Canada the relationship between childhood sexual abuse and subsequent involvement in sex work health services among male sex workers in Argentina how the intersection between race ethnicity affects female sex workers in Los Angeles how sex workers deal with the negativity that surrounds their profession job related risk and safety for sex workers in Canada legal concerns and policy issues and much more Contemporary Research on Sex Work is your guide to the next generation of sex work research highlighting the need to understand sex work as work The book is an essential resource for researchers in the fields of sex research sex work and HIV/AIDS prevention and for clinicians who work with those involved in the industry

The Psychology of Scientific Inquiry Aaro Toomela, 2019-11-05 This brief sets out on a course to distinguish three main kinds of thought that underlie scientific thinking Current science has not agreed on an understanding of what exactly the aim of science actually is how to understand scientific knowledge and how such knowledge can be achieved Furthermore no science today also explicitly admits the fact that knowledge can be constructed in different ways and therefore every scientist should be able to recognize the form of thought that undergirds their understanding of scientific theory In response to this this text seeks to answer the questions What is science What is scientific explanation What is causality and why it matters Science is a way to find new knowledge The way we think about the world constrains the aspects of it we can understand Scientists the author suggests should engage in a metacognitive perspective on scientific theory that reflects not only what exists in the world but also the way the scientist thinks about the world

RIP-ing Through Scientific Inquiry Robert E. Landsman, 2005

Sex and Gender Hilary M. Lips, 2020-04-10 Are sex and gender really two different things How malleable is gender identity Do both gender and sex have to be conceptualized as binaries as having two distinct but complementary categories Should we emphasize gender differences or is that the wrong question When should we call a gender difference small Are women really

nonaggressive or does that label stem from stereotyping How does subtle or modern sexism work on its targets Scholarship on these and other gender related questions has exploded in recent years Hilary Lips synthesizes that research for students in an accessible and readable way Concepts on sex and gender are presented with the social context in which they were developed As in previous editions Lips takes a multicultural approach discussing the gender experiences of people from a wide range of races cultures socioeconomic statuses and gender and sexual identities She emphasizes empirical research but takes a critical approach to that research *Same Sex* John Corvino,1999 *Same Sex* presents a comprehensive anthology on homosexuality exploring historical conceptions of homosexuality homosexual identity and a variety of public policy issues

Handbook of Sexuality-Related Measures Terri D. Fisher,Clive M. Davis,William L. Yarber,2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume *Historicising Gender and Sexuality* Kevin P. Murphy,Jennifer M. Spear,2011-09-07 *Historicising Gender and Sexuality* features a diverse collection of essays that shed new light on the historical intersections between gender and sexuality across time and space Demonstrates both the particularities of specific formulations of gender and sexuality and the nature of the relationship between the categories themselves Presents evidence that careful and contextualised analysis of the shifting relationship of gender and sexuality illuminates broader historical processes **The Psychology of Human Sexuality** Justin J. Lehmiller,2023-10-13 *The Psychology of HUMAN SEXUALITY* New edition of an authoritative guide to human sexual behavior from a biopsychosocial perspective *The Psychology of Human Sexuality* is a comprehensive guide to major theoretical perspectives on human sexuality and the vast diversity of sexual attitudes and behaviors around the world with broad coverage of topics including anatomy gender and sexual orientation sexual behaviors sexual difficulties and solutions sex work and pornography Written from a sex positive perspective with material that is inclusive and respectful of a diverse audience the text includes cutting edge research on the origins of sexual orientation and gender identity as well as new treatments for sexually transmitted infections and diseases To aid in student learning the text is accompanied by online resources including a test bank and instructor slides Separate chapters deal with attraction and relationship processes *The Psychology of Human Sexuality* includes information on Sex science studies that researchers have failed to reliably replicate since the 2nd Edition was published and the broader replication crisis in psychology Graysexual identities that fall on the spectrum between allosexual and asexual and the sex recession of modern times Recent studies that shed light on sexual behavior in cultures that have previously been the subject of very little study Sex and disability and take home messages to allow readers to implement beneficial changes in their lives An important and comprehensive text that

provides readers with a better understanding of and appreciation for the science of sex and sexual diversity The Psychology of Human Sexuality is an essential resource for students of human sexuality in both intermediate and advanced undergraduate courses Histories of Sexuality Stephen Garton,2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality Histories of Sexuality highlights the key historical moments and issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson

Censoring Sex Research Thomas K Hubbard,Beert Verstraete,2016-06-16 This volume brings into daylight one of the most explosive episodes of censorship and censure of academic scholarship in recent decades presenting an extended version of Bruce Rind s suppressed essay on sexual relations between male adults and adolescents cross culturally accompanied by twelve essays arguing for or against Rind and analysing the controversy **Handbook for Human Sexuality Counseling** Angela M. Schubert,Mark Pope,2022-09-20 Sexuality is a significant part of the human experience yet it is often a neglected topic in both counselor training and the counseling process In this preeminent guide expert clinicians with a variety of mental health and medical backgrounds write on diverse issues related to sexuality through a radical acceptance lens Each chapter illustrates an affirmative and expansive approach to sexuality that consider s clients sexual an cultural idetntities and emphasizes sexual wellness Students and professionals alike will learn how to respectfully and ethically approach sexuality considerations not commonly mentioned in the profesioonal literature such as sexuality and disability healing after sexual violence older adult sexuality the impact of chronic illness on sexual expression and paraphilias The text is organized around eight comprehensive parts Foundations Physiological and Psychological Attraction Orientation and Gender Sexual Wellness Sexual Agency Approaches to Sexual Divergence Relationships and Education with case examples Questions You Always Wanted to Ask and additional resources interwoven throughout **Science & Engineering Indicators** ,2002 A *catalogue of scientific works on the psychology and pathology of sex* University of London press, ltd,1901 *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and

communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **Sex Research and Sex Therapy** Ross Morrow, 2013-06-17

Gynaecologist William Howell Masters and psychologist Virginia Eshelman Johnson pioneered research into the nature of human sexual response and the diagnosis and treatment of sexual disorders and dysfunctions from 1957 until the 1990s This book examines their influential scientific sex research and its groundbreaking implications for sex therapy and the study of human sexuality Until now these developments have been largely ignored in sociology The book illuminates how Masters and Johnson have constructed their apparently scientific ideas about sexual function and dysfunction with reference to dominant Western discourses about sexuality In addition the book will explore some of the wider theoretical conceptual and historical issues relating to the study of human sexuality These will include a critical evaluation of conventional accounts of the history of the sociology of sex particularly in the United States major theoretical frameworks used in the study and understanding of human sexuality and some of the key concepts underpinning sex research and sex therapy

Enjoying the Tune of Phrase: An Mental Symphony within **Sex And Scientific Inquiry**

In a world eaten by monitors and the ceaseless chatter of fast transmission, the melodic elegance and mental symphony produced by the published term frequently diminish into the back ground, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Sex And Scientific Inquiry** a wonderful literary prize full of natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that fascinating masterpiece conducts readers on an emotional trip, well unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths of the emotional review, we shall explore the book is key harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
