Sex Death And Hierarchy In A Chinese City

G Orfield

Sex Death And Hierarchy In A Chinese City:

Sex, Death, and Hierarchy in a Chinese City William R. Jankowiak, 1993 The first contemporary ethnographic account of urban life in China Sex Death and Hierarchy in a Chinese City studies both public and private life including such aspects as religious belief gender images family life and sexual attraction

Sex, Science and Morality in China Joanna McMillan, 2014-07-30 After decades of near silence on the matter sex is being talked about in China But what is being said Who is allowed to speak And whose purposes are being served This ground breaking book takes a critical look at how sex in China is thought and talked about Drawing on the work of the country's foremost sex experts and years of research in the field it gives an overview of the sexual landscape in China today Including new material on transsexuals fetishism sex aids and pornography the book shows that the dominant ways of thinking about sex are neither innocent nor inconsequential and that amid catalogues of prescriptions linking self management to the collective good people are making decisions about how to live their sexual lives The most lively and accessible critique of sexual discourse this book will be essential reading for scholars in Chinese studies cultural studies and sexuality and gender studies

Gender and Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19 Gender and sexuality have been neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre modern state How did these and other late imperial legacies shape twentieth century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern while simultaneously challenging the universalizing assumptions of Western modernity

Women and Gender in Contemporary Chinese Societies Shanshan Du, Ya-chen Chen, 2013-03-04 Recent attention to historical geographic and class differences in the studies of women and gender in China has expanded our understanding of the diversity and complexity of gendered China Nevertheless the ethnic dimension of this subject matter remains largely overlooked particularly concerning women's conditions and gender status Consequently the patriarchy and its oppression of women among the Han the ethnic majority in China are often inaccurately or erroneously associated with the whole gendered heritage of China epitomized by the infamous traditions of footbinding and female infanticide Such academic and popular predisposition belies the fact that gender systems in China span a wide spectrum ranging from extreme Han patriarchy to Lahu gender egalitarianism The authors contributing to this book have collectively initiated a systematic effort to bridge the gap between understanding the majority Han and ethnic minorities in regard to women and gender in contemporary Chinese societies By achieving a quantitative balance between articles on the Han majority and those on ethnic minorities this book

transcends the ghettoization of ethnic minorities in the studies of Chinese women and gender The eleven chapters of this volume are divided into three sections which jointly challenge the traditions and norms of Han patriarchy from various perspectives The first section focuses on gender traditions among ethnic minorities which compete with the norms of Han patriarchy The second section emphasizes the impact of radical social transformation on gender systems and practices among both Han and ethnic minorities The third section underscores socio cultural diversity and complexity in resistance to Han patriarchal norms from a broad perspective This book complements previous scholarship on Chinese women and gender by expanding our investigative lens beyond Han patriarchy and providing images of the multiethnic landscape of China By identifying the Han as an ethnically marked category and by bringing to the forefront the diverse gender systems of ethnic minorities this book encourages an increasing awareness of and sensitivity to the cross cultural diversity of gendered China both in academia and beyond

Contemporary Chinese Politics Allen Carlson, Mary E. Gallagher, Kenneth Lieberthal, Melanie Manion, 2010-07-29 *Contemporary Chinese Politics Sources Methods and Field Strategies* considers how new and diverse sources and methods are changing the study of Chinese politics Contributors spanning three generations in China studies place their distinct qualitative and quantitative methodological approaches in the framework of the discipline and point to challenges or opportunities or both of adapting new sources and methods to the study of contemporary China How can we more effectively use new sources and methods of data collection How can we better integrate the study of Chinese politics into the discipline of political science to the betterment of both This comprehensive methodological survey will be of immense interest to graduate students heading into the field for the first time and experienced scholars looking to keep abreast of the state of the art in the study of Chinese politics

What Government Can Do Benjamin I. Page, James R. Simmons, 2002-04-15 At the same time Page and Simmons show how even more could be and should be accomplished

Theorising Chinese Masculinity Kam Louie, 2002-04 This book is the first comprehensive analysis of Chinese masculinity Kam Louie uses the concepts of wen cultural attainment and wu martial valour to explain attitudes to masculinity This revises most Western analyses of Asian masculinity that rely on the yin yang binary Examining classical and contemporary Chinese literature and film the book also looks at the Chinese diaspora to consider Chinese masculinity within and outside China

Transforming Patriarchy Gonalo Santos, Stevan Harrell, 2016-11-01 Each successive wave of revolution to hit modern China political cultural and economic has radically reshaped Chinese society Whereas patriarchy defined the familial social structure for thousands of years changing realities in the last hundred years have altered and even reversed long held expectations *Transforming Patriarchy* explores the private and public dimensions of these changes in present day China Patriarchy is not dead but it is no longer the default arrangement for Chinese families Daughters in law openly berate their fathers in law Companies sell filial piety insurance Many couples live together before marriage and in some parts of rural China almost all brides are pregnant Drawing on a multitude of sources and perspectives this volume

turns to the intimate territory of the family to challenge prevailing scholarly assumptions about gender and generational hierarchies in Chinese society Case studies examine factors such as social class geography and globalization as they relate to patriarchal practice and resistance to it The contributors bring the concept of patriarchy back to the heart of China studies while rethinking its significance in dominant Western centric theories of modernity

Obedient Autonomy Erika E.S. Evasdottir, 2007-10-01 In the west the idea of autonomy is often associated with a sense of freedom a self interested state of being unfettered by rules or obligations to others This original anthropological study explores a type of obedient autonomy that thrives on setbacks blossoms as more rules are imposed and flourishes in adversity Obedient Autonomy analyzes this model and explains its precepts through examining the specialized and highly organized discipline of archaeology in China The book follows Chinese students on their journey to becoming full fledged archaeologists in a bureaucracy saturated environment Often required to travel in teams to the countryside archaeologists are uniquely obliged to overcome divisions among themselves between themselves and their peasant workers and between themselves and bureaucratic officials This analysis reveals how these interactions provide teachers of archaeology with stories used to foster obedient autonomy in their students Moreover it demonstrates how this form of autonomy enables a person to order and control their future careers in what appears to be a disorderly and uncertain world A masterly contextualization of archaeology in China Obedient Autonomy shows how the discipline has accommodated itself to a Chinese social structure and uncovers the moral ethical political and economic underpinnings of that context It will be accessible to students of anthropology even as it will provoke Euro American archaeologists and interest social theorists of science philosophers gender theorists and students of Chinese society

New Directions in Anthropological Kinship Linda Stone, 2002-05-30 Following periods of intense debate and eventual demise kinship studies is now seeing a revival in anthropology New Directions in Anthropological Kinship captures these recent trends and explores new avenues of inquiry in this re emerging subfield The book comprises contributions from primatology evolutionary anthropology archaeology and cultural anthropology The authors review the history of kinship in anthropology and its theory and recent research in relation to new directions of anthropological study Moving beyond the contentious debates of the past the book covers feminist anthropology on kinship the expansion of kinship into the areas of new reproductive technologies recent kinship constructions in EuroAmerican societies and the role of kinship in state politics

Chinese Families Upside Down: Intergenerational Dynamics and Neo-Familism in the Early 21st Century , 2021-03-15 Chinese Families Upside Down offers the first systematic account of how intergenerational dependence is redefining the Chinese family The authors make a collective effort to go beyond the conventional model of filial piety to explore the rich nuanced and often unexpected new intergenerational dynamics Supported by ethnographic findings from the latest field research novel interpretations of neo familism address critical issues from fresh perspectives such as the ambivalence in grandparenting the conflicts between individual and family interests the remaking of the moral self in the

face of family crises and the decisive influence of the Chinese state on family change The book is an essential read for scholars and students of China studies in particular and for those who are interested in the present day family and kinship in general

Adolescent Identity Bonnie Lynn Hewlett, 2013 As our world becomes increasingly permeable and as human populations are rapidly converging and transitioning within a global interconnectedness it is vital that we look to and learn from those most adept at the adaptation creation and contesting of culture adolescents This text is designed to bridge critical gaps in the understanding of the daily lives identity development and experiences of adolescents in diverse cultures around the world Cultural context is predictive of developmental uniqueness comparisons provide insights into how social structures and relationships influence the manifestation of individual patterns of development and experience In quantitative and qualitative detail the contributors relate the nature of adolescent life to cultural biological ecological demographic and social variables The findings of this book will be relevant not only to other social anthropologists but also to sociologists and developmental educational psychologists

Chinese American Death Rituals Sue Fawn Chung, Priscilla Wegars, 2005-09-15 Death is a topic that has fascinated people for centuries In the English speaking world eulogies in poetic form could be traced back to the 1640s but gained prominence with the graveyard school of poets in the eighteenth century often stressing the finality of death Chinese American Death Rituals examines Chinese American funerary rituals and cemeteries from the late nineteenth century until the present in order to understand the importance of Chinese funerary rites and their transformation through time The authors in this volume discuss the meaning of funerary rituals and their normative dimension and the social practices that have been influenced by tradition Shaped by individual beliefs customs religion and environment Chinese Americans have resolved the tensions between assimilation into the mainstream culture and their strong Chinese heritage in a variety of ways This volume expertly describes and analyzes Chinese American cultural retention and transformation in rituals after death

Private Life under Socialism Yunxiang Yan, 2003-03-12 For seven years in the 1970s the author lived in a village in northeast China as an ordinary farmer In 1989 he returned to the village as an anthropologist to begin the unparalleled span of eleven years fieldwork that has resulted in this book a comprehensive vivid and nuanced account of family change and the transformation of private life in rural China from 1949 to 1999 The author's focus on the personal and the emotional sets this book apart from most studies of the Chinese family Yan explores private lives to examine areas of family life that have been largely overlooked such as emotion desire intimacy privacy conjugality and individuality He concludes that the past five decades have witnessed a dual transformation of private life the rise of the private family within which the private lives of individual women and men are thriving

Encyclopedia of Contemporary Chinese Culture Edward Lawrence Davis, 2005 First Published in 2009 Routledge is an imprint of Taylor Francis an information company

Sexual Nature/Sexual Culture Paul R. Abramson, Steven D. Pinkerton, 1995-06 In this multidisciplinary study of human sexuality an international team of scholars looks at the influences of nature and nurture biology and culture and sex

and gender in the sexual experiences of humans and other primates Using as its center the idea that sexual pleasure is the primary motivational force behind human sexuality and that reproduction is simply a byproduct of the pleasurable of sex this book examines sexuality at the individual societal and cultural levels Beginning with a look at the evolution of sexuality in humans and other primates the essays in the first section examine the sexual ingenuity of primates the dominant theories of sexual behavior the differences in male and female sexual interest and behavior and the role of physical attractiveness in mate selection The focus then shifts to biological approaches to sexuality especially the genetic and hormonal origins of sexual orientation gender and pleasure The essays go on to look at the role of pleasure in different cultures Included are essays on love among the tribespeople of the Brazilian rain forest and the regulation of adolescent sexuality in India Finally several contributors look at the methodological issues in the study of human sexuality paying particular attention to the problems with research that relies on people's memories of their sexual experiences The contributors are Angela Pattatucci Dean Hamer David Greenberg Frans de Waal Mary McDonald Pavelka Kim Wallen Donald Symons Heino Meyer Bahlburg Jean D Wilson Donald Tuzin Lawrence Cohen Thomas Gregor Lenore Manderson Robert C Bailey Alice Schlegel Edward H Kaplan Richard Berk Paul R Abramson Paul Okami and Stephen D Pinkerton Spanning the chasm of the nature versus nurture debate *Sexual Nature Sexual Culture* is a look at human sexuality as a complex interaction of genetic potentials and cultural influences This book will be of interest to a wide range of readers from scholars and students in psychology anthropology sociology and history to clinicians researchers and others seeking to understand the many dimensions of sexuality If we ever expect to solve the sexually based problems that modern societies face we must encourage investigations of human sexual behavior Moreover those investigations should employ a broad range of disciplines looking at sex from all angles which is precisely what *Sexual Nature Sexual Culture* does Mike May American Scientist This timely and relevant book reminds us that we cannot rely on simple solutions to complex problems It represents a transdisciplinary approach integrating knowledge from diverse fields and provides the reader with a challenging and rewarding experience Especially for those who are involved in teaching human sexuality to medical students and other health care professionals this book is highly recommended Gerald Wiviott M D Journal of Nervous and Mental Disease In short this volume contains much to stimulate inform and amuse in varying proportions What more can one ask Pierre L van den Berghe Journal of the History of Sexuality the book succeeds in bring together some of the sharpest thinkers in the field of human sexuality and goes a long way toward clarifying the diverse perspectives that currently exist David M Buss and Todd K Shackelford Quarterly Review of Biology

Physical Attractiveness and the Theory of Sexual Selection Doug Jones, 1996-01-01 In this fascinating study of five populations author Doug Jones explores the possibility that hardwired into the human psyche are standards of beauty that are really preferences and signals for good health

Masculine Compromise Susanne Yuk-Ping Choi, Yinni Peng, 2016-02-09 Drawing on the life stories of 266 migrants in South China Choi and Peng examine the effect of mass rural

to urban migration on family and gender relationships with a specific focus on changes in men and masculinities They show how migration has forced migrant men to renegotiate their roles as lovers husbands fathers and sons They also reveal how migrant men make masculine compromises they strive to preserve the gender boundary and their symbolic dominance within the family by making concessions on marital power and domestic division of labor and by redefining filial piety and fatherhood The stories of these migrant men and their families reveal another side to China s sweeping economic reform modernization and grand social transformations

Women in China's Long Twentieth Century Gail

Hershatter,2007-03-29 An important and much needed introduction to this rich and fast growing field Hershatter has handled a daunting task with aplomb Susan L Glosser author of Chinese Visions of Family and State 1915 1953 *The Cambridge Illustrated History of China* Patricia Buckley Ebrey,2022-08-11 The Cambridge Illustrated History of China is an illuminating account of the full sweep of Chinese civilisation from prehistoric times to the intellectual ferment of the Warring States Period through the rise and fall of the imperial dynasties to the modern communist state Written by a leading scholar and lavishly illustrated its narrative draws together everything from the influence of key intellectual figures to political innovations art and material culture family and religious life not to mention wars and modern conflicts This third revised edition includes new archaeological discoveries and gives fuller treatment of environmental history and Chinese interaction with the wider world placing China in global context The Qing dynasty is now covered in two chapters while the final chapter brings the story into the twenty first century covering the transformation of China into one of the world s leading economies and the challenges it faces Lively and highly visual this book will be appreciated by anyone interested in Chinese history

Sex Death And Hierarchy In A Chinese City Introduction

In today's digital age, the availability of Sex Death And Hierarchy In A Chinese City books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex Death And Hierarchy In A Chinese City books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex Death And Hierarchy In A Chinese City books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex Death And Hierarchy In A Chinese City versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex Death And Hierarchy In A Chinese City books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex Death And Hierarchy In A Chinese City books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex Death And Hierarchy In A Chinese City books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex Death And Hierarchy In A Chinese City books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex Death And Hierarchy In A Chinese City books and manuals for download and embark on your journey of knowledge?

FAQs About Sex Death And Hierarchy In A Chinese City Books

1. Where can I buy Sex Death And Hierarchy In A Chinese City books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
