Sex In The City The Prostitution Racket In Ireland:

Sexualities and Irish Society Máire Leane, Elizabeth Kiely, 2014-01-13 In Ireland recent social cultural and political changes combined with globalisation commercialisation and new technologies have re shaped how we understand and think about sexuality There is now a multiplicity of ways in which individuals can experience their sexuality negotiate their sexual identities and advocate for sexual rights Meanwhile sexualities continue to be denied problematised and subjected to regulation The ongoing exchanges between real life sexualities and the social contexts in which they are forged provides the core focus of this book *Sexualities and Irish Society* explores the construction and management of sexualities across a number of different sites including the family the legal and education systems medical and therapeutic settings and cultural and commercial arenas Engaging with both theoretical and empirical material the authors analyse the power relations within which sexualities are constructed resisted and reconstructed Written by academics researchers advocates and practitioners this is the first comprehensive academic text on sexualities in Irish society It showcases the best of recent scholarship from a range of disciplinary perspectives *Sexualities and Irish Society* is a valuable resource for undergraduate and postgraduate students in social policy social care social work sociology women s studies cultural studies history politics and studies of the body It should also appeal to activists campaigners and professional practitioners

Sex in the City Paul Reynolds, 2003 *Sex in the City* explains how the organised prostitution rackets work in this country It does so through the lives and activities of the main people involved It maps the origins and development of their enterprises and charts the growth of their multi million euro businesses It identifies the people at the top who ran the brothels the type of women they employed and the individuals who supported their criminal enterprises The men and women come from all walks of life and social classes Wealthy middle and upper class professionals such as doctors lawyers businessmen and priests all paid to have sex with prostitutes in the brothels in their offices or in their own homes And it s not just sex with women and men they seek There is a disturbing demand in Irish society for sex with young teenagers and children In 1997 an Eastern Health Board study found that 57 boys and girls were working as prostitutes A 14 year old child prostitute was found in one of the brothels Hundreds of men paid to have sex with her Two members of the Garda Siochana approached brothels and prostitutes while they were serving in the force looking for sex with children Kieran O Halloran who had him

Sex Worker Union Organising Gregor Gall, 2006-07-11 This is the first study of the emerging phenomenon of sex workers asserting that they are entitled to workers rights Drawing on examples from Australia Britain Canada Germany The Netherlands New Zealand and the USA the book analyzes the contexts for this struggle and the opportunities and challenges facing these unionization projects

Human Trafficking in Europe Gillian Wylie, Penelope McRedmond, 2010-06-30 This book focuses on human trafficking in Europe for labour and sexual exploitation It includes empirical work on trafficking throughout Europe identifying underlying causes in globalization migration policies and gender inequality It questions whether European responses from

policy makers or civil society are adequate Rethinking Joyce's Dubliners Claire A. Culleton, Ellen Scheible, 2017-01-24

This collection of essays is a critical reexamination of Joyce's famed book of short stories *Dubliners*. Despite the multifaceted critical attention *Dubliners* has received since its publication more than a century ago, many readers and teachers of the stories still rely on and embrace old outdated readings that invoke metaphors of paralysis and stagnation to understand the book. Challenging these canonical notions about mobility, paralysis, identity, and gender in Joyce's work, the ten essays here suggest that *Dubliners* is full of incredible movement. By embracing this paradigm shift, current and future scholars can open themselves up to the possibility of seeing that movement, maybe even noticing it for the first time, can yield surprisingly fresh twenty-first century readings.

After Optimism? Ronit Lentin, Robbie McVeigh, 2006 *Theorising Irish Social Policy* Bryan Fanning, 2004

Theorising Irish Social Policy addresses theoretical and conceptual debates underpinning Irish social policy and is an advanced text for courses in social policy as well as being intended for academics, researchers, policy analysts, and policy makers. It will be an invaluable aid for students who in the past were left to their own devices in the task of relating internationally developed themes and frameworks to Irish developments. The book is comprehensive in its choice of themes, which include an introductory discussion on locating Irish social policy, followed by chapters written by leading Irish academics on globalisation, communitarianism, social capital, and subsidiarity, individualisation, women's autonomy and bodily integrity, fathers' identity and well-being, poverty and insecurity, equity, efficiency, and health care, difference and social diversity, rights and judicial activism. *Theorising Irish Social Policy* is part of the University College Dublin Press series of social policy texts, which include *Contemporary Irish Social Policy* 1999, *Irish Social Policy in Context* 1999, *Disability and Social Policy in Ireland* 2003, and *Mental Health and Social Policy in Ireland* forthcoming 2005.

The British National Bibliography Arthur James Wells, 2004 **Occasions of Sin** Diarmaid Ferriter, 2010-07-09

Ferriter covers such subjects as abortion, pregnancy, celibacy, contraception, censorship, infanticide, homosexuality, prostitution, marriage, popular culture, social life, and the various hidden Irelands associated with sexual abuse, all in the context of a conservative official morality backed by the Catholic Church and by legislation. The book energetically and originally engages with subjects omitted from the mainstream historical narrative. The breadth of this book and the richness of the source material uncovered make it definitive in its field and a most remarkable work of social history.

The Irish Answer Tony Gray, 1966

Sketches Ireland's history to 1916 and gives an intimate fifty-year progress report on Irish life from 1916 to 1965.

Weekly World News, 1981-08-04

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

The Family Guide to Movies and Videos Henry Herx, 1995 **New York Magazine**, 1992-09-14

New York magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and

food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Time Out Film Guide ,2007 The New York Times Book Review ,1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
