God, Sex, and Politics Dawne Moon,2004-07 Dawne Moon explores how members of Protestant congregations determine beliefs about God and justice **Sex, Lies & Feminism** Peter D. Zohrab,2002 *God and Man According To Tolstoy* A. Boot,2009-05-25 With a critical look at Tolstoy s persona faith and thought this book treats the writer as a midwife of modern counterculture It shows and tries to correct the metaphysical blunder on which Tolstoy s philosophy was based Sex, Lies and the Bible Francis D. Ritter,2006-09 **Inventing God's Law** David P. Wright,2009-09-03 Most scholars believe that the numerous similarities between the Covenant Code Exodus 20 23 23 19 and Mesopotamian law collections especially the Laws of Hammurabi which date to around 1750 BCE are due to oral tradition that extended from the second to the first millennium This book offers a fundamentally new understanding of the Covenant Code arguing that it depends directly and primarily upon the Laws of Hammurabi and that the use of this source text occurred during the Neo Assyrian period sometime between 740 640 BCE when Mesopotamia exerted strong and continuous political and cultural influence over the kingdoms of Israel and Judah and a time when the Laws of Hammurabi were actively copied in Mesopotamia as a literary canonical text The study offers significant new evidence demonstrating that a model of literary dependence is the only viable explanation for the work It further examines the compositional logic used in transforming the source text to produce the Covenant Code thus providing a commentary to the biblical composition from the new theoretical perspective This analysis shows that the Covenant Code is primarily a creative academic work rather than a repository of laws practiced by Israelites or Judeans over the course of their history The Covenant Code too is an ideological work which transformed a paradigmatic and prestigious legal text of Israel s and Judah s imperial overlords into a statement symbolically countering foreign hegemony The study goes further to study the relationship of the Covenant Code to the narrative of the book of Exodus and explores how this may relate to the development of the Pentateuch as a whole *God in the Movies* Catherine M. Barsotti,Robert K. Johnston,2017-07-18 This informative guide helps readers combine their love of movies with their desire to grow closer to God Foremost experts on faith and film all connected with the Reel Spirituality Institute at Fuller Seminary explore forty leading movies from the last four decades to encourage movie lovers and small groups to reflect critically and theologically on their film choices *God in the Movies* introduces and analyzes the spiritual content of top films from the 1980s through the 2010s opening viewers up to a conversation about life faith and God Following a format similar to Barsotti and Johnston s successful *Finding God in the Movies* this completely new book covers different films spanning four decades This engaging resource contains production notes and film synopses relevant Scripture texts theological reflection discussion questions film stills recommended film clips and more serving as a treasure chest for hours of film viewing discussion and ministry Clips from the movies referenced in each chapter are available online *Studying City of God* Stephanie Muir,2008-03-19 Considers the historical and industrial context of *City of God* **God Answers Prayers--Military Edition** Allison

Bottke,2005-09-01 More than one million men and women presently serve America in the Armed Services Many millions more are veterans having done their part to keep our nation secure And in many cases these brave soldiers sailors airmen Marines and Coast Guardsmen have remarkable stories to tell about their experiences in uniform Here are their stories of how God was with them during often life threatening situations Each story is a recollection from a past or present serviceman or woman or their loved one sharing their story of how God answered their prayer Stories range from our current struggle in the mideast to past conflicts such as World War II the Korean War and the Vietnam War God'll Cut You Down John Safran,2014 Originally published in 2013 by Hamish Hamilton with the title Murder in Mississippi Gazing Upon the Face of God Steven Stoltzfus,2010-03-08 Gazing upon the face of God is our only source for ultimate Truth God did not just give us a bunch of rules to follow He gave us His very nature All of creation including mankind is a direct attribute of God Himself so it only makes sense that in order to understand anything we must look upon His face to determine Truth The world today is slipping towards a world order that defines Truth by popular demand and a majority of vote The screaming minorities become the majorities Without God as the ultimate Truth then there is no source other than the will and laws of man and who is to say they are wrong or right but the majority Christianity has become a natural acceptance of belief that is acknowledged but hardly lived Reality as the world knows it has conformed completely to the natural laws of the physical senses The nature of God is hardly recognized as our source of reality Naturalism has become man s god and Spiritualism has become simply the reference of historical events back in bible times It is time we as Christians accept our role as outsiders to this world and take on the Nature of God in ushering in the Kingdom of Heaven upon earth *The Secret of God's Son* Usha Narayanan,2016-06-09 The seas will devour the glorious city of Dwarka People will forget your name and your Gita May the world perish May the world perish With this cruel curse on Krishna Queen Gandhari plunges mankind into the unspeakable evil of the Kali Yuga It is up to Pradyumna to try and reverse the dire prediction To journey into terrifying realms confront Yama and Shiva and to vanquish the Kali demon And to do so he must shed all that holds a mortal back his arrogance his fears his baser instincts He must lead his people out of the swirling vortex of greed disease and misery And there is one powerful weapon still the secret surrounding his origin Will he uncover it in time to fight off the cataclysm In the answer lies the destiny of all humanity *Swear to God* Scott Hahn,2005-10-18 The most solemn majestic and beautiful gifts that Jesus Christ gave to the world are His sacraments He endowed them with unprecedented and unparalleled power power to change lives save souls and share God s very life The sacraments are the ordinary means by which God directs the course of each human life and all of world history The Church celebrates seven sacraments baptism Eucharist confirmation matrimony holy orders confession and anointing of the sick Each was established by Jesus for the sake of salvation When Jesus spoke of the sacraments He made clear that they were essential Unless one is born of water and the Spirit he cannot enter the kingdom of God Jn 3 5 unless you eat of the flesh of the Son of man and drink His blood you have no life in you Jn 6

53 In *Swear to God* Dr Scott Hahn explores the richness of Christ's sacraments their doctrine history symbols and rituals Drawing upon the Bible and the Church's tradition he shows how God's covenants with Adam Noah Abraham Moses and David became the driving forces in history When Jesus came to fulfill all these covenants He established a new covenant with greater power than ever before Christians are God's children now Joined to Christ by baptism we can already share in the eternal life of the Trinity a life we hope to know fully in heaven But heaven is with us even now in the sacraments

Men and Women in the Household of God Korinna Zamfir, 2013-04-10 Korinna Zamfir explores the manner in which the Pastoral Epistles redefine roles and ministries within a changed ecclesiological framework the *ekklesia* as *oikos* Theou The contextual investigation focuses on the cultural and social background of the station codes and church orders Applying the environmental approach advanced by Abraham Malherbe Zamfir discusses the Pastoral Epistles as writings intimately linked to their Greco Roman social and cultural environment The volume addresses the mentalities reflected in moral philosophies political theories drama and epigraphy focusing on the discourse articulated in these sources Exploring the adoption of conservative mentalities the monograph advances a reading of the Pastoral Epistles based on ideology critique It also incorporates insights gained from research on the social world of earliest Christianity in particular on private associations Korinna Zamfir argues that the ecclesiology of the Pastoral Epistles presupposes the metaphorical use of *oikos* Theou and shows that in Greco Roman antiquity *oikos* denotes larger social entities like the religious association the polis and the cosmos The *ekklesia* is the *oikos* and polis of God As a consequence the Pastoral Epistles define roles and ministries based on the public private divide and on honor and shame mentality The theological and cosmic dimension of the household of God explains the essentialist understanding of social and ecclesial roles The author also tackles the contrast between discourse and ecclesial reality

Guests of God : Pilgrimage and Politics in the Islamic World Robert R. Bianchi Formerly Associate Professor of Political Science University of Chicago, 2004-09-09 Each year more than two million pilgrims from over 100 countries converge on the holy city of Mecca to reenact the ritual dramas that Muslims have been performing for centuries Making the hajj is one of the most important duties in the life of a Muslim The pilgrimage and its impact on international politics is

enormous and growing every year yet Westerners know virtually nothing about it What is the hajj and what does it mean Who are the hajjis What do they do and say in Mecca and how do they interpret their experiences Who runs the hajj and what are their political objectives How does the hajj encourage international cooperation among Muslims and can it also promote harmony between Islam and the West In *Guests of God* Robert R Bianchi seeks to answer these and many other questions While it is first and foremost a religious festival he shows the hajj is also very much a political event The Muslim world's leading multinational organization the Organization of the Islamic Conference has established the first international regime explicitly devoted to pilgrimage Every large Muslim nation has developed a comprehensive hajj policy and a powerful bureaucracy to enforce it Yet Bianchi argues no authority secular or religious national or international can really control the hajj Pilgrims believe that they are entitled to travel freely to Mecca as Guests of God not as guests of any nation or organization that might wish to restrict or profit from their efforts to fulfill a fundamental religious obligation Drawing on his personal experience as a pilgrim and a wealth of data gathered over the course of ten years of research Bianchi has produced a fascinating look at the hajj filled with personal candid stories from political and religious leaders and hajjis from all walks of life A wide ranging study of Islam politics and power *Guests of God* is the most complete picture of the hajj available anywhere
