

# Sex An Oral History

**Amy Sueyoshi**

## Sex An Oral History:

Sex Harry Maurer, 1994 A portrait of American sexuality presents the results of interviews with fifty five people of all ages professions classes and ethnic backgrounds as they describe their sexual experiences A Brief History of Oral Sex David DePierre, 2017-06-09 The ancient Greeks and Romans considered it degrading to both parties yet depicted it prolifically in art and literature The Early Christian Church called it the worst evil punishable by seven years of penance and fasting murder was one year Nearly all of the 13 original American colonies had laws against it except Georgia A Victorian handbook for young brides advised how to dampen his desire to kiss in forbidden territory Attitudes about oral sex have varied through the centuries and across cultures a death sentence in some nations a religious practice in others This book explores its history as well as its impact on world events Lesbian Sex Susan E. Johnson, 1996 Lesbian Sex is the first contemporary oral history devoted exclusively to lesbian sexuality Lesbian Sex is in depth interviews with a diverse group of lesbians who reveal the intimate details about their sexual behavior and tell what sex means to them in the larger context of their lives **Queer Newark** Whitney Strub, 2024-02-16 Histories of gay and lesbian urban life typically focus on major metropolitan areas like San Francisco and New York opportunity filled destinations for LGBTQ migrants from across the country Yet there are many other queer communities in economically depressed cities with majority Black and Hispanic populations that receive far less attention Though just a few miles from New York Newark is one of these cities and its queer histories have been neglected until now Queer Newark charts a history in which working class people of color are the central actors and in which violence poverty and homophobia could never suppress joy resistance love and desire Drawing from rare archives that range from oral histories to vice squad reports this collection s authors uncover the sites and people of Newark s queer past in bars discos ballrooms and churches Exploring the intersections of class race gender and sexuality they offer fresh perspectives on the HIV AIDS epidemic community relations with police Latinx immigration and gentrification while considering how to best tell the rich and complex stories of queer urban life Queer Newark reveals a new side of New Jersey s largest city while rewriting the history of LGBTQ life in America *Right Stuff, Wrong Sex* Margaret A. Weitekamp, 2004-10-18 Book Review **Talk about Sex** Janice Irvine, 2023-03-24 A rich social history of how the American right wing used sex education as one of its first battlegrounds on which to build a political movement and regulate sexual morality by controlling sexual speech Talk about Sex Janice M. Irvine, 2004 Describes the political transformations cultural dynamics and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States **Sex and the Married Girl** Heather Stanley, 2022-11-01 Sex who was having it who shouldn t have it and who was supposed to be having it but wasn t was a major concern to social authorities in the immediate postwar era Though they are often remembered with nostalgia as a sexually simpler time the 1950s and early 1960s were incredibly sexually productive years Sex and the Married Girl examines how two interrelated and dominant

groups in Canada medical professionals and church leaders used married heterosexual female sexuality as a lever to rebuild the Canadian family and the state itself Using embodied historical methodologies the book examines not only discourses around sex but also how those discourses could influence the actual experience of sex for married women Heather Stanley draws upon extensive oral life histories of women who lived married and had sex during this liminal social period to demonstrate that this was a time of simultaneous sexual and gender quiescence and change

**Sex in the archives** Barry Reay, 2018-12-10 The archive has assumed a new significance in the history of sex and this book visits a series of such archives including the Kinsey Institute's erotic art gay masturbatory journals in the New York Public Library the private archive of an amateur pornographer and one man's lifetime photographic dossier on Baltimore hustlers Shedding new light on American sexual history the topics covered are both fascinating and wide ranging the art history of homoeroticism casual sex before hooking up transgender New York queer sex masturbation pornography sex in the city This book will appeal to a wide readership those interested in American studies sexuality studies contemporary history the history of sex psychology anthropology sociology gender studies queer studies trans studies pornography studies visual studies museum studies and media studies

*Sex Before the Sexual Revolution* Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives

**Communication and Sex-role Socialization** Cynthia Berryman-Fink, Deborah Ballard-Reisch, Lisa H. Newman, 2015-10-23 Originally published in 1993 The essays in this book collectively seek to illuminate the role of communication and sex role socialization throughout the life cycle Section 1 addresses some important issues and behaviours that have an impact on the beginnings of the socialization process Section 2 covers socialization later on in relationships the workplace and the political arena while section 3 looks at manifestations of socialization through communication strategies and skills Finally section 4 addresses ways to alter socialization through instructional practices in higher education The approach to studying sex role socialization varies by perspective and methodology and conclusions are interpreted in diverse ways but the results have been very similar and the research in this volume shows that the socialization of males and females continues to reinforce male dominance despite women's advancement toward equal status in society This work is of interest in the fields of sociology psychology

anthropology and women's studies as well as communication      **Let's Talk About Sex** Lisa Featherstone, 2011-01-18 From the start of the new Australian nation in 1901 to the use of the female contraceptive pill in 1961 *Let's Talk About Sex* explores the ways sexuality has been constructed, understood and experienced in Australia. Far from being something hidden and private, this work brings sexuality out into the open and explains why sex is of social, cultural, political and economic importance. *Let's Talk About Sex* is an inclusive history surveying multiple and interwoven forms of sexuality, desire, pleasure, regulation and resistance. It begins with the long Victorian period, the hidden desires of women and the hydraulic sexual needs of men, both in the cities and on the frontier. It moves across the decades, considering heterosexuality, homosexuality, lesbians and nascent ideas about queer and sexual difference. Lisa Featherstone highlights the tensions of the ages: venereal disease, homophobia, birth control, rape and child sexual assault. She analyses the ways non-normative sexuality was constructed as evil and perverse, but also how men and women responded to this pathologising of their desires. *Let's Talk About Sex* provides a fascinating account of sex, gender, age and race across the formative years of Australian society.

**Birth Control, Sex, and Marriage in Britain 1918-1960** Kate Fisher, 2006-07-13 The first half of the twentieth century witnessed a revolution in contraceptive behaviour as the large Victorian family disappeared. This book offers a new perspective on the gender relations, sexual attitudes and contraceptive practices that accompanied the emergence of the smaller family in modern Britain. Kate Fisher draws on a range of first-hand evidence, including over 190 oral history interviews in which individuals born between 1900 and 1930 described their marriages and sexual relationships. By using individual testimony, she challenges many of the key conditions that have long been envisaged by demographic and historical scholars as necessary for any significant reduction in average family size to take place. Dr Fisher demonstrates that a massive expansion in birth control took place in a society in which sexual ignorance was widespread, that effective family limitation was achieved without the mass adoption of new contraceptive technologies, that traditional methods such as withdrawal, abstinence and abortion were often seen as preferable to modern appliances such as condoms and caps, that communication between spouses was not key to the systematic adoption of contraception, and above all, that women were not necessarily the driving force behind the attempt to avoid pregnancy. Women frequently avoided involvement in family planning decisions and practices, whereas the vast majority of men in Britain from the interwar period onward viewed the regular use of birth control as a masculine duty and obligation. By allowing this generation to speak for themselves, Kate Fisher produces a richer understanding of the often startling social attitudes and complex conjugal dynamics that lay behind the vast changes in contraceptive behaviour and family size in the twentieth century.

**Discriminating Sex** Amy Sueyoshi, 2018-02-21 Freewheeling sexuality and gender experimentation defined the social and moral landscape of 1890s San Francisco. Middle-class whites crafting titillating narratives on topics such as high divorce rates, mannish women and extramarital sex centered Chinese and Japanese immigrants in particular. Amy Sueyoshi draws on everything from newspapers to felony case files to

oral histories in order to examine how whites pursuit of gender and sexual fulfillment gave rise to racial caricatures As she reveals white reporters writers artists and others conflated Chinese and Japanese previously seen as two races into one There emerged the Oriental a single pan Asian American stereotype weighted with sexual and gender meaning Sueyoshi bridges feminist queer and ethnic studies to show how the white quest to forge new frontiers in gender and sexual freedom reinforced and spawned racial inequality through the ever evolving Oriental Informed and fascinating Discriminating Sex reconsiders the origins and expression of racial stereotyping in an American city **Sex, Thugs and Rock 'n' Roll** Mark Fenemore, 2007 Living on the frontline of the Cold War young people in East Germany were subject to a number of competing influences the culture of their parents the new official culture taught in schools and new youth cultures Fenemore presents an account of what it was like in the 1950s and 1960s *Sex and Stigma* Sarah Jane Blithe, Anna Wiederhold Wolfe, Breanna Mohr, 2019-01-15 An intimate and original look at the lives of Nevada s legal sex workers through the voices of current and former employees brothel owners madams and local law enforcement The state of Nevada is the only jurisdiction in the United States where prostitution is legal Wrapped in moral judgments about sexual conduct and shrouded in titillating intrigue stories about Nevada s legal brothels regularly steal headlines The stigma and secrecy pervading sex work contribute to experiences of oppression and unfair labor practices for many legal prostitutes in Nevada Sex and Stigma engages with stories of women living and working in these hidden organizations to interrogate issues related to labor rights secrecy privacy and discrimination in the current legal brothel system Including interviews with current and former legal sex workers brothel owners madams local police and others Sex and Stigma examines how widespread beliefs about the immorality of selling sexual services have influenced the history and laws of legal brothel prostitution With unique access to a difficult to reach population the authors privilege the voices of brothel workers throughout the book as they reflect on their struggles to engage in their communities conduct business maintain personal relationships and transition out of the industry Further the authors examine how these brothels operate like other kinds of legal entities and how individuals contend with balancing work and non work commitments navigate work place cultures and handle managerial relationships Sex and Stigma serves as a resource on the policies guiding legal prostitution in Nevada and provides an intimate look at the lived experiences of women performing sex work Sex and Desire in Muslim Cultures Ayman Kreil, Lucia Sorbera, Serena Tolino, 2020-12-10 What have different ideas about sex and gender meant for people throughout the history of the Middle East and North Africa This book traces sex and desire in Muslim cultures through a collection of chapters that span the 9th to 21st centuries Looking at spaces and periods where sexual norms and the categories underpinning them emerge out of multiple subjectivities the book shows how people constantly negotiate the formulation of norms their boundaries and their subversion It demonstrates that the cultural and political meanings of sexualities in Muslim cultures as elsewhere emerge from very specific social and historical contexts The first part of the book examines how people constructed discussed and

challenged sexual norms from the Abbasid to the Ottoman period The second part looks at literary and cinematic Arab cultural production as a site for the construction and transgression of gender norms The third part builds on feminist historiography and social anthropology to question simplistic dichotomies and binaries Each of the contributions shows how understanding of sexualities and the subjectivities that evolve from them are rooted in the mutually constitutive relationships between gender and political power In identifying the plurality of discourses on desires the book goes beyond the dichotomy of norm and transgression to glimpse what different sexual norms have meant at different times across the Middle East

**On Account of Sex** Cynthia Harrison, 1989-06-08 On Account of Sex is required reading for historians political scientists legislators and citizens who wish to influence the shaping of feminist public policy Linda Kerber author of Women of the Republic Cynthia Harrison has written a splendid book a fine combination of balanced historical narrative penetrating social analysis and provocative nose under the tent flap political conclusions It must be added to the list of indispensable works on women s politics and issues James MacGregor Burns Williams College

*The Satellite Sex* Barbara M. Freeman, 2001 In this provocative new book the first one to examine print and broadcast news coverage of women s issues in English Canada Barbara Freeman explores what the media were saying about women and their concerns during an important period in our history and why The Satellite Sex is both a social history and a media case study of the years 1966-1971 when the feminist movement began once more to gather support Women wanted equal treatment under the law and they wanted rights they had not gained when they won the vote many years earlier In response the Canadian government appointed a federal inquiry on the status of women and hundreds of women came forward to talk to the Commission about the injustices they experienced at school at work in public life in their homes and even in their bedrooms The Satellite Sex demonstrates that the print and broadcast media coverage of women s issues at that time were much more complex and fragmented than revealed by research in the United States on the same era This book released thirty years after the Canadian Commission presented its report also raises questions about the lack of strong feminist voices in today s news media

**Pornography, Sex Work, and Hate Speech** Karen Maschke, 2024-11-01 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual

exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women

As recognized, adventure as with ease as experience about lesson, amusement, as competently as conformity can be gotten by just checking out a book **Sex An Oral History** plus it is not directly done, you could undertake even more going on for this life, on the world.

We pay for you this proper as with ease as easy pretentiousness to acquire those all. We have the funds for Sex An Oral History and numerous book collections from fictions to scientific research in any way. among them is this Sex An Oral History that can be your partner.

### **Sex An Oral History Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sex An Oral History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sex An Oral History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sex An Oral History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Sex An Oral History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sex An Oral History is one of the best book in our library for free trial. We provide copy of Sex An Oral History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sex An Oral History. Where to download Sex An Oral History online for free? Are you looking for Sex An Oral History PDF? This is definitely going to save you time and cash in something you should think about.
