Sex Broadcasting:

Sex and Broadcasting Lorenzo W. Milam,1975 **Media Sex** Barrie Gunter,2001-12 This book will provide a comprehensive review of what is known at the end of the 20th Century about the representation of sex on film television and video and how the public has responded to such material It proposes to show what impact sex on these *Wallowing in Sex* Elana Levine,2007-01-09 DIVA cultural history of sexual content in television shows and TV advertising during the 1970s div

Television and Sexuality Jane Arthurs,2004-09-16 In recent years there has been a marked increase in both the volume and diversity of sexual imagery and talk on television condemned by some as a rising tide of filth celebrated by others as a liberation from the regulations of the past Television and Sexuality questions both these responses through an examination of television s multiple channels and genres and the wide range of sexual information and pleasures they provide The book explores the way that sexual citizenship and sexual consumerism have been defined in the digital era to reveal the underlying assumptions held by the television industry about the tastes and sexual identities of its diverse audiences It draws on the work of key thinkers in cultural and media studies as well as feminist and queer theory to interrogate the political and cultural significance of these developments With topics including the regulation of taste and decency sex scandals in the news the biology of sex in science programmes and gay lesbian and postfeminist identities in quality drama this book is key reading for students in cultural and media studies and gender studies **Sex and Broadcasting** Lorenzo W.

Milam,2017-06-21 Eccentric and humorous cult classic both a practical guide to starting a listener supported community radio station and a passionate defense of noncommercial broadcasting A goldmine The Times London Literary Supplement

Illicit Sex within the Justice System Carmen M. Cusack,2017-06-23 This monograph explains the deviance of illicit sexual immorality in the justice system It includes extensive research of federal state and local scandals occurring in Washington DC Louisiana Georgia Florida Texas and other locations in the USA to demonstrate the impacts of decaying morals on contemporary society and constitutional law It explains that sexually immoral oligarchies may dilute or forfeit their authority and ability to chide and fastidiously control sexual choices and activities The text brings to light sexual abuse and indiscretions by justice system members and compares their misconduct to American prison culture to prove systemic breakdown dissipation of authority and dwindling power to enforce morality laws *Broadcasting* ,1978 **Sex and Violence on TV** United States. Congress. House. Committee on Interstate and Foreign Commerce. Subcommittee on Communications,1977 **Broadcasting Policy in Canada** Robert Armstrong,2010-01-01 Broadcasting Policy in Canada traces the development of Canada s broadcasting legislation and analyses the roles and responsibilities of the key players in the broadcasting system particularly those of the Canadian Radio television and Telecommunications Commission CRTC

All Talk Wayne Munson,2010-06-29 The postmodern phenomenon of the talkshow and its place in American culture

Broadcast and Internet Indecency Jeremy Lipschultz,2008-02-14 Indecency arguably among the most provocative and

incendiary issues in today's media is speech at the edge of social tolerance This timely volume examines broadcast and Internet indecency from legal and social perspectives utilizing current cases and well publicized examples In exploring the issues associated with this highly controversial area author Jeremy Harris Lipschultz makes headway toward an understanding of how indecency as communication on the fringes of social norms functions in defining free expression through specific types of speech He contrasts conceptualizations of indecency and obscenity synthesizes case law and social research and develops theoretical generalizations for future research and study His work provides a comprehensive examination of broadcast and Internet indecency issues and cases that serve to test generalizations about freedom of expression and one's ability to define free speech

LoveSex Cabby Laffy, 2018-05-08 This book looks at how our brains minds bodies and emotions interact to create our experience of sexuality and how we can create a sense of sexual self esteem and a nutritious sexual diet for ourselves As the author notes in her Introduction we think and talk about sex as something we do rather than sexuality being something that we have and being sexual as something that we are We talk little about feeling sexual or the emotional and relational reasons for sexual desire about the fact that it is usually an other that we want to be sexual with Our focus seems to be on how much sex we can have rather than how we want to express ourselves sexually This book challenges the cultural commodification of sex and sexuality and encourages the reader to experience being sexual rather than doing sex or looking sexy This is crucial to our development of sexual self esteem particularly in an era of ubiquitous online pornography

Broadcast Indecency Jeremy H. Lipschultz, 2023-12-22 Broadcast Indecency 1997 treats broadcast indecency as more than a simple regulatory problem in American law The author's approach cuts across legal social and economic concerns taking the view that media law and regulation cannot be seen within a vacuum that ignores cultural realities It treats broadcast as a phenomenon challenging the policy approach of government regulation and is an exploration of the political and social processes involved in the government control of mass media content

Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined
