Sex God And Marriage

Dr. Daniel L. Akin

Sex God And Marriage:

Sex, God, and Marriage Johann Christoph Arnold, 2008 In *Sex God and Marriage* Arnold addresses the pain resulting from broken relationships and the misuse of sexual intimacy He provides fresh biblical insights into critical issues including the sacredness of sex the struggle against temptation the decision to remain single or to marry child rearing and divorce and remarriage *Sex God and Marriage* offers hope healing and a new beginning to those who have experienced discouragement or failure

God, Sex, and Your Marriage Juli Slattery, 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage but few resources comprehensively and biblically guide couples specifically on sexual intimacy *God Sex and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love Dr Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy Godly sexuality extends far beyond sexual purity and calls us to sexual integrity God invites every couple to view their sexual relationship including their greatest struggles as an avenue to learn about the nature of His covenant love It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character That desire gives purpose and context to addressing pornography healing from past wounds sexual

incompatibility pursuing pleasure together and forgiveness

A Plea for Purity Johann Christoph Arnold, 1998 Unlike the vast majority of marriage books available on the Christian market *A Plea for Purity* digs deeper than the usual issues and goes to the root our relationship with God and the defining power of that bond over all of our other relationships

Marriage Christopher Ash, 2005-01-01 The way of a man with a maiden was too wonderful for the writer of Proverbs to understand Preoccupying so many thoughts and dreams the subject of countless songs films and fairy tales the love between a man and a woman has always been a profound and

perplexing mystery And yet we do not live happily ever after Four out of ten marriages will end in divorce Couples now choose to live together rather than marry and those relationships are even less likely to last People are having fewer children later and with a succession of partners Ironically just when so much is expected of love Western societies are witnessing lower levels of public commitment in sexual relationships than ever before The scale of this change amounts to a revolution a major historical paradigm shift The statistics mask a depth of pain that every pastor and counsellor knows only too well We must face the inevitable questions if faithfulness is no longer esteemed why get married at all What is marriage What did God intend when he gave us marriage Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction To begin to rebuild a biblical confidence in marriage we need to understand that the primary blessing and purpose of marriage is not sexual intimacy but rather serving God in partnership This in turn leads to the blessings of love friendship children and order in society and will help us to rediscover that faithfulness which is the heart of marriage One of those precious rarities a major piece of biblical scholarship which addresses an issue in today's headlines directly and warmly One to own not to borrow David Field Deeply scholarly extraordinarily thorough and biblically faithful as well as courageously fresh in rethinking the role of marriage in God's intention for human life David Wright Christopher Ash studied at Wycliffe Hall Oxford and then joined the staff at St Andrew the Great Cambridge From there he headed to a church plant and is now Rector of All Saints Little Shelford He is married to Carolyn and they have four children

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In *Real Marriage* Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable *Real Marriage* is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you're married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk Whether engaged newlywed or veteran *Real Marriage* will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of *The Grace of God* and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us

through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES

MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word **What the Bible Says about Love Marriage & Sex** David Jeremiah, 2025-05-01 With roughly a third of all marriages ending in divorce there's never been a better time for this refresher course in the true meaning of a successful union As New York Times bestselling author Dr David Jeremiah reminds us it's a biblical truth Sex and passionate romantic love are God's ideas Nothing rivals the beauty of the writing in the Song of Solomon and nothing rivals the wisdom of Solomon on matters of love romance marriage and sexual intimacy Dr Jeremiah's thoughtful interpretation of Solomon and Shulamith's relationship provides all of us whether married or single with valuable lessons for a better happier more fulfilling life and a long loving marriage **Marriage,**

Sex, and Procreation Steven Schafer, 2019-09-09 The contemporary church's debate on the inclusion of same sex individuals and their relationships has devolved into diametrically opposed positions Rather than resolving the argument the conversation between the two sides reflects the impasse that is taking place in denominations across the West It is clear that the dispute cannot be resolved while couched in these terms In this timely work Steven Schafer invites the reader to move beyond the terms of the current debate toward the underlying doctrinal concerns so often glossed over by that discussion This book is a work of hermeneutics that engages the contemporary discussion on the legitimacy of same sex relationships with the grand theological narrative handed down by the church By placing four contemporary revisionists in dialogue with the work of Augustine the book provides language and theological avenues to reframe the debate and contributes to the church's ongoing discernment **Sacred Marriage** Gary Thomas, 2015-08-04 What if God designed marriage to make you

holy instead of happy What if your relationship isn't as much about you and your spouse as it is about you and God In Sacred Marriage bestselling author Gary Thomas uncovers the ways that your marriage can become a doorway to a closer walk with God and with each other Join over one million others who have already uncovered Thomas's tips for fostering a sacred marriage Within the pages of Sacred Marriage Thomas invites you to see how God can use your relationship with your spouse as a discipline and a motivation to love God more and reflect more of the character of his Son In addition to life changing insights from Scripture church history and time tested wisdom from Christian classics you'll find practical advice and techniques to make your marriage happier by becoming holier husbands and wives In Sacred Marriage Thomas will give you all of the tools you need to Turn marital struggles into spiritual and personal appreciation Love your spouse with a stronger sense of purpose Confront your weaknesses and sin in order to grow your relationship with God and with your spouse

Partner in the spiritual growth and character formation of your spouse Transform a tired marriage into a relationship filled with awe and respect Thomas reveals that sacred marriages teach us to love God and others well by fostering a healthy sex life a strong prayer life and a rich spiritual life God uses our marriages to help us grow in character in prayer in worship and in service we just have to recognize that the purpose of marriage is holiness not happiness Each copy also includes thought provoking discussion questions designed to spark conversation between couples and small groups allowing you to dive deeper into the lessons that Thomas shares in Sacred Marriage Join the one million others who have already started on their journey to transforming their relationship with their spouses and with their Creator **Sacred Sex** Tim Alan

Gardner,2002-05-21 For years Christians have been told that sex is God s creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple s sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness Sacred Sex shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined **Marriage**
