

Sex In History

**Robert M. Buffington, Eithne
Luibhéid, Donna J. Guy**

Sex In History:

Sex in History Reay Tannahill, 1989 A long cool and entertaining look at sexual attitudes customs and practices in all the world's major civilizations past and present Drawing on art architecture literature and theology as well as a whole alphabet of scientific disciplines the author places that great imperative of humanity the sex drive in its widest historical perspective More than a history of sex alone it is a history of relationships between the sexes and a history of how sex and sexuality have influenced the whole course of human development

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013-03-20 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500-1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

The Origins of Sex Faramerz Dabhoiwala, 2012-05 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God's forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture's attitudes toward sex occur In The Origins of Sex Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that

really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world's relationship to sex Deeply researched and powerfully argued *The Origins of Sex* is a major work of history *Sex, the World History* John R. Gregg, 2019-07-26 *Sex The World History Through Time Religion and Culture* is a daring exploration of human sexuality from the ancient to the modern world *Sex The World History* traces sexual attitudes from the transcendent to the bizarre throughout world cultures Unmasked are sexual practices and beliefs previously omitted or obscured from all historical telling In a scathing condemnation of religion and its control of sex the book explores the intricate dance between spirituality and sexuality Revealed for the first time is a history of bisexuality in the majority of human cultures Prior to Christianity bisexual orientation was common in Asia the Pacific Africa the Americas and Europe Religions have controlled sex and gender orientation throughout time The history of LGBTQ across the globe is illuminated here How have women been exploited in sexual and cultural roles from prehistory to present day How does religion affect women's sexuality throughout time The supremacy of the Mother Earth Goddess throughout most of human existence and her relatively recent fall have had drastic consequences for women's sexual expression and identity Other topics included are sex slavery and human trafficking child brides forced marriages Roman Catholic abuses war time sexual crimes Victorian licentiousness the evolution of sexual attitudes in North and South America the sexual revolution of the counter culture Offered here is an encyclopedic tour of the sexuality of humankind *A Global History of Sexuality* Robert M. Buffington, Eithne Luibhéid, Donna J. Guy, 2014-02-24 *A Global History of Sexuality* provides a provocative wide ranging introduction to the history of sexuality from the late eighteenth century to the present day Explores what sexuality has meant in the everyday lives of individuals over the last 200 years Organized around four major themes the formation of sexual identity the regulation of sexuality by societal norms the regulation of sexuality by institutions and the intersection of sexuality with globalization Examines the topic from a comparative global perspective with well chosen case studies to illuminate the broader themes Includes interdisciplinary contributions from prominent historians sociologists anthropologists and sexuality studies scholars Introduces important theoretical concepts in a clear accessible way *Sex in History* G. Rattray Taylor, 1968 *Sex Before Sexuality* Kim M. Phillips, Barry Reay, 2011-09-26 Sexuality in modern western culture is central to identity but the tendency to define by sexuality does not apply to the premodern past Before the invention of sexuality erotic acts and desires were comprehended as species of sin expressions of idealised love courtship and marriage or components of intimacies between men or women not as outworkings of an innermost self With a focus on c 1100 c 1800 this book explores the shifting meanings languages and practices of western sex It is the first study to combine the medieval and early modern to rethink this time of sex before sexuality where same sex and opposite sex desire and eroticism bore but faint traces of what moderns came to call heterosexuality homosexuality lesbianism and pornography This volume aims to contribute to contemporary historical theory through paying attention to the particularity of premodern sexual cultures

Phillips and Reay argue that students of premodern sex will be blocked in their understanding if they use terms and concepts applicable to sexuality since the late nineteenth century and modern commentators will never know their subject without a deeper comprehension of sex's history

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013

The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day. The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing. This book examines the current scholarship and looks towards future directions across the field. The volume is divided into fourteen thematic chapters which are split into two chronological sections: 1500-1750 and 1750 to present day. Focusing on the history of sexuality and the body in the West but also interactions with a broader globe, these thematic chapters survey the major areas of debate and discussion. Covering themes such as science, identity, the gaze, courtship, reproduction, sexual violence, and the importance of race, the volume offers a comprehensive view of the history of sex and the body. The book concludes with an afterword in which the reader is invited to consider some of the tensions, problems, and areas deserving further scrutiny. Including contributors renowned in their field of expertise, this ground-breaking collection is essential reading for all those interested in the history of sexuality and the body.

Sex and the Eighteenth-Century Man Thomas Foster, 2007-09-01

With few exceptions, sex is noticeably absent from popular histories chronicling colonial and Revolutionary America. Moreover, it is rarely associated specifically with early American men. This is in part because sex and family have traditionally been associated with women, while politics and business are the historic province of men. But Thomas Foster turns this conventional view on its head. Through the use of court records, newspapers, sermons, and private papers from Massachusetts, he vividly shows that sex, the behaviors, desires, and identities associated with eroticism, was a critical component of colonial understanding of the qualities considered befitting for a man. *Sex and the Eighteenth-Century Man* begins by examining how men as heads of households held ultimate responsibility for sex, not only within their own marriages but also for the sexual behaviors of dependents and members of their households. Foster then examines the ways sex solidified bonds in the community, including commercial ties among men, and how sex operated in courtship and social relations with women. Starkly challenging current views about the development of sexuality in America, the book details early understandings of sexual identity and locates a surprising number of stereotypes, until now believed to have originated a century later, among them the black rapist and the unmanly sodomite figures that serve to reinforce cultural norms of white male heterosexuality. As this engrossing and surprising study shows, we cannot understand manliness today or in our early American past without coming to terms with the oft-hidden relationship between sex and masculinity.

Sex and Power in History Amaury De Riencourt, 1974. See index for homosexuality and lesbianism.

A Women's History of Sex Harriett Gilbert, 1987

The Story of Sex Philippe Brenot, 2025-04-08. The first graphic history of sex chronicles sexuality and human intimacy through the ages, from our primate pasts to our robotic futures. Humans have

had sex on the brain since pre civilization either for pleasure power revenge a desire for children or simply because it isn't allowed Today sex is all around us but it's rarely explained and almost never taught In *The Story of Sex* sexologist Phillipe Brenot combines anthropology sociology psychology and history with witty comics by Latetita Coryn for an in depth explanation of this essential aspect of humanity Organized chronologically into sections like Babylon Free Love The Middle Ages Heaven and Hell and The 20th Century Sexual Liberation Brenot explores what eroticism really is how our ancestors behaved sexually when the first couple was established how superstition and morality laws shaped sexuality the use of pornography in the digital age and how some ancient civilizations were far ahead of their time when it came to gender equality Full of fascinating details like Cleopatra's invention of the vibrator and a Dutch shopkeeper's accidental discovery of the existence of sperm all accompanied by hilarious comics and dialogue *The Story of Sex* is informative unique and entertaining book

Sexuality in World History Peter N. Stearns, 2017-02-14 This book examines sexuality in the past and explores how it helps explain sexuality in the present The subject of sexuality is often a controversial one and exploring it through a world history perspective emphasizes the extent to which societies including our own are still reacting to historical change through contemporary sexual behaviors values and debates This new edition examines these issues on a global scale with attention to anthropological insights on sexuality and their relationship to history the dynamics between sexuality and imperialism sexuality in industrial society and trends and conflicts surrounding views of sex and sexuality in the contemporary world

A Curious History of Sex Kate Lister, 2020-02-06 This is not a comprehensive study of every sexual quirk kink and ritual across all cultures throughout time as that would entail writing an encyclopaedia Rather this is a drop in the ocean a paddle in the shallow end of sex history but I hope you will get pleasantly wet nonetheless The act of sex has not changed since people first worked out what went where but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages Humans are the only creatures that stigmatise particular sexual practices and sex remains a deeply divisive issue around the world Attitudes will change and grow hopefully for the better but sex will never be free of stigma or shame unless we acknowledge where it has come from Based on the popular research project *Whores of Yore* and written with her distinctive humour and wit *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history From medieval impotence tests to twentieth century testicle thefts from the erotic frescoes of Pompeii to modern day sex doll brothels Kate unashamedly roots around in the pants of history debunking myths challenging stereotypes and generally getting her hands dirty This fascinating book is peppered with surprising and informative historical slang and illustrated with eye opening toe curling and meticulously sourced images from the past You will laugh you will wince and you will wonder just how much has actually changed

Sex, the Illustrated History John R. Gregg, 2016-11-16 *Sex The Illustrated History Volume I* begins a daring exploration of human sexuality from the ancient to the modern world Revealed are sexual practices and beliefs previously omitted or obscured

from all historical telling In a scathing condemnation of religion and its control of sex the book explores complex relationships between spirituality and sexuality The supremacy of the mother goddess throughout most of human existence and her relatively recent fall is detailed in both word and image These pages share graphic erotic art works and explicit literary excerpts painstakingly culled from the hidden treasure trove of cultures throughout history *Sex The Illustrated History* traces sexual attitudes from the transcendent to the bizarre throughout the worlds cultures The often explicit illustrations are linked by historical and anthropological content inviting the reader to experience sexuality through varied and often shocking cultural lenses Over 300 images have been gathered by the author in his travels and studies of world cultures An encyclopedic tour of the sexuality of humankind

Sex between Body and Mind Katie Sutton, 2019-11-25 Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century As scholars such as Magnus Hirschfeld Iwan Bloch Albert Moll and Karen Horney in Berlin and Sigmund Freud Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines sexology and psychoanalysis This is the first book to closely examine vital encounters among this era s German speaking researchers across their emerging professional and disciplinary boundaries Although psychoanalysis was often considered part of a broader sexual science sexologists increasingly distanced themselves from its mysterious concepts and clinical methods Instead they turned to more pragmatic interventionist therapies in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance As sexology and psychoanalysis diverged heated debates arose around concerns such as the sexual life of the child the origins and treatment of homosexuality and transgender phenomena and female frigidity This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were always part of a dialogic and competitive process It fundamentally revises our understanding of the production of modern sexual subjects

The Classification of Sex Donna J. Drucker, 2014-07-31 Alfred C Kinsey s revolutionary studies of human sexual behavior are world renowned His meticulous methods of data collection from comprehensive entomological assemblies to personal sex history interviews raised the bar for empirical evidence to an entirely new level In *The Classification of Sex* Donna J Drucker presents an original analysis of Kinsey s scientific career in order to uncover the roots of his research methods She describes how his enduring interest as an entomologist and biologist in the compilation and organization of mass data sets structured each of his classification projects As Drucker shows Kinsey s lifelong mission was to find scientific truth in numbers and through observation and to record without prejudice in the spirit of a true taxonomist Kinsey s doctoral work included extensive research of the gall wasp where he gathered and recorded variations in over six million specimens His classification and reclassification of Cynips led to the speciation of the genus that remains today During his graduate training Kinsey developed a strong interest in evolution and

the links between entomological and human behavior studies In 1920 he joined Indiana University as a professor in zoology and soon published an introductory text on biology followed by a coauthored field guide to edible wild plants In 1938 Kinsey began teaching a noncredit course on marriage where he openly discussed sexual behavior and espoused equal opportunity for orgasmic satisfaction in marital relationships Soon after he began gathering case histories of sexual behavior As a pioneer in the nascent field of sexology Kinsey saw that the key to its cogency was grounded in observation combined with the collection and classification of mass data To support the institutionalization of his work he cofounded the Institute for Sex Research at Indiana University in 1947 He and his staff eventually conducted over eighteen thousand personal interviews about sexual behavior and in 1948 he published *Sexual Behavior in the Human Male* to be followed in 1953 by *Sexual Behavior in the Human Female* As Drucker's study shows Kinsey's scientific rigor and his early use of data recording methods and observational studies were unparalleled in his field Those practices shaped his entire career and produced a wellspring of new information whether he was studying gall wasp wings writing biology textbooks tracing patterns of evolution or developing a universal theory of human sexuality

Sexuality and Sex Therapy Mark A. Yarhouse, Erica S. N. Tan, 2025-02-25 In this second edition of the standard Christian resource on human sexuality Mark Yarhouse and Erica Tan offer a survey and appraisal of this field that integrates the latest research within a Christian worldview and addresses recent societal trends related to gender identity non normative sexualities digital and social media and more

Sex, the Illustrated History John R. Gregg, 2017-11-15 *Sex the Illustrated History Through Time Religion and Culture Volume II* continues a daring exploration of human sexuality from the ancient to the modern world This volume explores the sexual beliefs and practices of the peoples of Asia Australia Africa the South Pacific and the indigenous Americas Revealed are sexual practices and beliefs previously omitted or obscured from all historical telling This work explores complex relationships between Eastern spirituality and sexuality The author continues the exploration of religion's control over sexuality and the projection of women as both goddess and chattel *Sex the Illustrated History* traces sexual attitudes from the transcendent to the bizarre throughout the world's cultures These pages share graphic erotic artworks as well as explicit literary excerpts painstakingly culled from the hidden treasure troves of cultures throughout history The often explicit illustrations are linked by historical and anthropological content inviting the reader to experience sexuality through varied and often shocking cultural lenses Each volume contains over 250 erotically themed images that have been gathered by the author in his travels and studies of world cultures This is an encyclopedic tour of the sexuality of humankind Reviews A startling achievement Nothing like this has ever been published A prodigious and iconoclastic odyssey into human sexuality through ages and cultures A new light is cast upon lesser explored topics in the history of sexuality bisexuality the subjugation of women and the exploitation of women and boys Hundreds of images of sexual and erotic life in various cultures help to tell this impeccably documented tale of human sensuality Challenging and confronting this book is sure to

disrupt cherished beliefs about religion and sex Dr T W Vickers Personally I was enriched by this book and learned a vast amount of new sexual material This book is both unsafe and pernicious if you share this most common superstition in our culture the idea that words can be dangerous I know John from the Berkeley days and he worked with Timothy Leary and myself on the Exo series of Human Evolution I applaud his life s work Robert Anton Wilson *Sexualities in History* Kim M. Phillips, Barry Reay, 2013-10-18 Over the past twenty years historians have overturned nearly everything we once took for granted about human sexuality Gender sexual orientation deviance and even the biology of sex have been unmasked for what they are historically specific culturally contested and above all unstable constructions

As recognized, adventure as without difficulty as experience roughly lesson, amusement, as skillfully as arrangement can be gotten by just checking out a ebook **Sex In History** plus it is not directly done, you could undertake even more something like this life, approaching the world.

We pay for you this proper as capably as simple pretentiousness to get those all. We give Sex In History and numerous books collections from fictions to scientific research in any way. in the midst of them is this Sex In History that can be your partner.

Sex In History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sex In History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sex In History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sex In History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sex In History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sex In History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sex In History Books

1. Where can I buy Sex In History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sex In History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sex In History books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sex In History audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sex In History books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
