

THE ONE AND THE FUNCTION OF SEX ACCORDING TO
PSYCHOANALYSIS

ABSTRACT. Based on the constitutive ambiguity of the One that Lacan promotes from logic and mathematics in the seminars *O saber do psicanalista e ...ou pior*, between 1971 and 1972, the article seeks to support the theory of sexualization developed in that period and clarify that such conceptualization resumes the Freudian subversion of the drive polymorphism. If the drive does not have any instinctual determination as to its object, it appears that this same misunderstanding is revealed as the impossibility of proportion and sexual relationship [*rapport sexuel*] for the speaking being, who grammatically positions themselves in the structure of language from this impasse. Thus, the bifidity of the One, between set and element, sameness and difference, particularity and universality, ex-sistence and relativity, real and symbolic, rewrites the (sexual) difference according to psychoanalysis. Sex, therefore, is the very absence of any reference other than the constitutive opacity of the signifier, it is the fundamental evasion of the being from the truth.

Keywords: Sexuality; psychoanalysis; significant.

O UM E A FUNÇÃO DO SEXO SEGUNDO A PSICANÁLISE

RESUMO. Segundo a ambigüidade constitutiva do Um que Lacan promove a partir da lógica e da matemática nos seminários *O saber do psicanalista e ... ou pior*, entre 1971 e 1972, o artigo busca fundamentar a teoria da sexualização desenvolvida nesse período e esclarecer que tal conceituação retoma a subversão freudiana do polimorfismo pulsional. Se a pulsão não tem qualquer determinação instintual quanto a seu objeto, constata-se que esse mesmo equívoco se deslinda como impossibilidade de proporção e relação sexual [*rapport sexuel*] para o ser falante, que se posiciona gramaticalmente na estrutura da linguagem a partir desse impasse. Nesse sentido, a bifididade do Um, entre conjunto e elemento, mesmidade e diferença, particularidade e universalidade, ex-sistência e relatividade, real e simbólico, reescreve a diferença (sexual) conforme a psicanálise. O sexo, portanto, é a própria ausência de qualquer referência que não seja a opacidade de princípio do significante, é a evasão fundamental do ser à verdade.

Palavras-chave: Sexualidade; psicanálise; significante.

EL UNO Y LA FUNCIÓN DEL SEXO SEGÚN EL PSICOANÁLISIS

RESUMEN. Basado en la ambigüedad constitutiva del Uno que Lacan promueve desde la lógica y de la matemática en los seminarios *O saber do psicanalista e ...ou pior*, entre 1971

Sex In Psychoanalysis:

Three Contributions to the Theory of Sex Sigmund Freud, Abraham Arden Brill, 1920 **Freud on the Acropolis** Susan Sugarman, 1958-01 This book analyzes a unique mental event the paradoxical surprise that people often feel when they come upon something that they have felt sure existed but are seeing for the first time Noted first by Sigmund Freud this common but odd thought proves remarkably resistant to trivial explanation marks instead a distinct type of experience Similarly in everyday life we often feel compelled to verify firsthand the scene of a recent event even though we never doubted its occurrence Susan Sugarman probes this experience its relation to other everyday sensibilities such as the pleasure of reencountering the familiar people s fascination with authenticity Although the experience manifests itself in a seeming lapse in logic remains obscure in a way that one might that Freud did associate with pathological formations it is neither illogical nor pathological On the contrary it observes a moment of mental health personal integration On the contrary it observes a moment of mental health personal integration Sex in Psycho-analysis Sándor Ferenczi, Ernest Jones, 1916 *Sex in Psychoanalysis* Sándor Ferenczi, 1950 **Twelve Essays on Sex and Psychoanalysis** Wilhelm Stekel, 1922 **Sex in Psychoanalysis** S. Ferenczi, Ernest Jones, 2014-03 This Is A New Release Of The Original 1916 Edition **Sex in Christianity and Psychoanalysis** William Cole, 2015-11-06 Originally published in 1956 this survey of the interpretations of sex by the major figures in Christian thought and in psychoanalysis made an important contribution to the re thinking of our sexual morality at the time The author refutes the common belief that the negative attitude toward sex and the body which had been predominant in western civilization originated with Christianity He shows that such a viewpoint was widespread in the early Hellenism Age nearly three centuries before Christ He emphasizes the essentially positive view which Biblical religion demands and shows how Christianity s attitude early became corrupted by the dualism of the Orient He points to the need for a return to essential naturalism and the Biblical interpretation of sex The first part of the book consists of a historical treatment in the Christian tradition touching upon the teaching of Jesus Paul Augustine Aquinas Luther Calvin and others He analyses the classical and contemporary attitudes and ideas in both Catholic and Protestant circles and shows how Christian understanding comes into conflict with psychoanalysis In the later portions of the book the author discusses sex and psychoanalysis and the major problems in sexual mores He ends with a synthesis of the religious and psychoanalytic points of view and a critical reconstruction of a Christian interpretation Three Contributions to the Theory of Sex Sigmund Freud, 2011-12 This book is part of the TREDITION CLASSICS series The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide At tredition we believe that a great book never goes out of style Several mostly non profit literature projects provide content to tredition To support their good work tredition donates a portion of the proceeds from each sold copy As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from

oblivion Sex for Structuralists Shanna de la Torre, 2018-08-03 This book argues that structuralism makes itself useful when it engages with the non Oedipal logics of femininity and psychosis Building from the psychoanalytic belief that norms repress unconscious desire while structures open onto the creative resources of the symbolic Sex for Structuralists looks to key texts in myth trauma and unconscious fantasy by Sigmund Freud Jacques Lacan and Claude Lévi Strauss It also examines innovative writings by contemporary Lacanian thinkers in order to discover what becomes of structuralism when the ground upon which it ostensibly stands namely that of the zero symbol or the incest prohibition drops out from under it **Sex on the Couch** Richard Boothby, 2014-05-01 At just the moment when many people are ready to throw Freud on to the ash heap of intellectual history Sex on the Couch rescues from Freud's theories a fascinating series of reflections on the nature of sexuality and gender Richard Boothby presents here a fresh and engaging view of Freud Sex on the Couch offers new insights into our concepts of masculinity and femininity placing them in relation to Freud's theory of the Life and Death drives Richard Boothby also engages feminist critiques of Freud putting forward new and specific responses to questions that have shaped contemporary understanding of feminism and psychoanalysis Boothby's Freud far from being pass is in possession of insights that enrich our understanding of modernity and its distinctive character In a refreshingly readable style Richard Boothby writes here not only for the scholarly reader but for the student and lay reader curious about Freud's theories and their use in contemporary world *The Enigma of Desire* Galit Atlas, 2015-10-16 The Enigma of Desire Sex Longing and Belonging in Psychoanalysis introduces new perspectives on desire and longing in and outside of the analytic relationship This exciting volume explores the known and unknown ghosts and demons sexuality and lust Galit Atlas discusses the subjects of sex and desire and explores what she terms the Enigmatic and the Pragmatic aspects of sexuality longing female desire sexual inhibition pregnancy parenthood and creativity The author focuses on the levels of communication that take place in the most intimate settings between mothers and their babies between lovers in the unconscious bond of two people in the consulting room where two individuals sit alone in one room looking and listening breathing and dreaming Atlas examines the ways in which different languages translations and integrations focus on birth death sexuality and human bonds In The Enigma of Desire each chapter opens with a narrative a therapeutic story which illustrates both the analyst's and patient's desires and the ways these interact and emerge in the consulting room This book will be of interest to anyone who is interested in the intricacies of sex and desire and of great appeal to psychoanalysts therapists and mental health professionals Three Essays on the Theory of Sexuality Sigmund Freud, James Strachey, 2011-06 2011 Reprint of 1949 Edition Full facsimile of the original edition not reproduced with Optical Recognition Software Three Essays on the Theory of Sexuality was originally published by Freud in 1905 and reedited by him over the course of his life The edition reprinted is the 1949 London Edition translated by James Strachey In this work Freud advanced his theory of sexuality in particular its relation to childhood The three essays are The Sexual Aberrations Infantile Sexuality

and The Transformation of Puberty In its final version the Three Essays also included the concepts of penis envy castration anxiety and the Oedipus complex **Three Contributions to the Theory of Sex** *Sigmund Freud,2017-01-29 Freud s book covered three main areas sexual perversions childhood sexuality and puberty Freud began his first essay on The Sexual Aberrations by distinguishing between the sexual object and the sexual aim noting that deviations from the norm could occur with respect to both The sexual object is therein defined as a desired object and the sexual aim as what acts are desired with said object Discussing the choice of children and animals as sex objects pedophilia and bestiality he notes that most people would prefer to limit these perversions to the insane on aesthetic grounds but that they exist in normal people also He also explores deviations of sexual aims as in the tendency to linger over preparatory sexual aspects such as looking and touching His second essay on Infantile Sexuality argues that children have sexual urges from which adult sexuality only gradually emerges via psychosexual development Looking at children Freud identified many forms of infantile sexual emotions including thumb sucking autoeroticism and sibling rivalry In his third essay The Transformations of Puberty Freud formalised the distinction between the fore pleasures of infantile sexuality and the end pleasure of sexual intercourse He also demonstrated how the adolescent years consolidate sexual identity under the dominance of the genitals SummaryFreud sought to link to his theory of the unconscious put forward in The Interpretation of Dreams 1899 and his work on hysteria by positing sexuality as the driving force of both neuroses through repression and perversion In its final version the Three Essays also included the concepts of penis envy castration anxiety and the Oedipus complex *Sex in Psycho-Analysis* Sandor Ferenczi,2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Sex in Psycho-Analysis** Ferenczi Sandor 1873-1933,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Three*

Contributions to the Theory of Sex Sigmund Freud, 2015-11-23 COMPLETE NEW EDITION FULL ENGLISH TRANSLATION WITH INTRODUCCION Three Contributions to the Theory of Sex Essays on the Theory of Sexuality Second Edition By Sigmund Freud Vienna Authorized Translation By A A Brill Clinical Assistant Department Of Psychiatry And Neurology Columbia University ASSISTANT IN Mental Diseases Bellevue Hospital Assistant Visiting Physician Hospital For Nervous DISEASES With Introduction By James J Putnam Three Essays on the Theory of Sexuality sometimes titled Three Contributions to the Theory of Sex is a 1905 work by Sigmund Freud which advanced his theory of sexuality in particular its relation to childhood The Three Essays underwent a series of rewritings and additions over a twenty year succession of editions changes which expanded its size by one half from 80 to 120 pages The sections on the sexual theories of children and on pregenitality only appeared in 1915 for example while such central terms as castration complex or penis envy were also later additions As Freud himself conceded in 1923 the result was that it may often have happened that what was old and what was more recent did not admit of being merged into an entirely uncontradictory whole so that whereas at first the accent was on a portrayal of the fundamental difference between the sexual life of children and of adults subsequently we were able to recognize the far reaching approximation of the final outcome of sexuality in children in about the fifth year to the definitive form taken by it in adults Jacques Lacan considered such a process of change as evidence of the way that Freud s thought is the most perennially open to revision a thought in motion Sex-Pol Wilhelm Reich, 2014-08-26 This volume contains the first complete translations of Wilhelm Reich s writings from his Marxist period Reich who died in 1957 had a career with a single goal to find ways of relieving human suffering And the same curiosity and courage that led him from medical school to join the early pioneers of Freudian psychoanalysis and then to some of the most controversial work of this century his development of the theory of the orgone led him also at one period of his life to become a radical socialist The renewed interest in Reich s Marxist writings and particularly in his notions about sexual and political liberation follows the radical critiques of Herbert Marcuse Frantz Fanon and Paul Goodman the political protest movements toward personal liberation in the present decade *Interpretations of Sex in Christianity and Psychoanalysis ...* William Graham Cole, 1954

Sex and Nothing Alejandro Cerda-Rueda, 2018-05-08 From its etymological roots sex is related to a scission Latin for sectus secare meaning to divide or cut Therefore regardless of the various studies applied to defining sex as inscribed by discursive acts i e merely a performatively enacted signification there is something more to sex than just a social construction or an aprioristic substance Sex is irreducible to meaning or knowledge This is why psychoanalysis cannot be formulated as an erotology nor a science of sex scientia sexualis In this matter sex escapes the symbolic restraints of language however it is through its failure that it manifests itself through the symbolic e g symptoms or dream life So what is sex Sex and Nothing embarks upon a dialogue between colleagues and friends interested in bridging psychoanalysis and philosophy linking sex and thought where what emerges is a greater awareness of the irreducibility of sex to the discourse

of knowledge and meaning in other words sex and nothing
Cole, 1955 Donated by Sydney Harris

Sex In Psychoanalysis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex In Psychoanalysis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex In Psychoanalysis has opened up a world of possibilities. Downloading Sex In Psychoanalysis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex In Psychoanalysis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex In Psychoanalysis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex In Psychoanalysis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex In Psychoanalysis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex In Psychoanalysis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sex In Psychoanalysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sex In Psychoanalysis is one of the best book in our library for free trial. We provide copy of Sex In Psychoanalysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sex In Psychoanalysis. Where to download Sex In Psychoanalysis online for free? Are you looking for Sex In Psychoanalysis PDF? This is definitely going to save you time and cash in something you should think about.
