"Bold! Daring! Shocking! True!" Eric Schaefer, 1999 A social and cultural history of exploitation films which were produced on the fringes of Hollywood and often dealt with subjects forbidden by the Production Code

The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre s exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as *Basic Instinct* *Fatal Attraction* and *In the Cut* to straight to video film titles such as *Carnal Crimes* *Sins of Desire* and *Night Eyes* Williams s witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally

The History of Sex in American Film Jody Pennington, 2007-07-30 Although American films especially Hollywood fare are often belittled for their one dimensional portrayal of sex a close examination of the history of sex in American motion pictures reveals that American cinema has

actually represented sex in myriad ways A more complete understanding of the ways in which sex has been represented onscreen requires an approach that pays equal attention to cinematic techniques and to the diversity of sexual values and behaviors in American society It is necessary to frame this discussion within the multiple contradictions of an industry that has both repressed and represented sex with equal fervor over the course of its history of audiences that have both taken offense at and flocked to films with sexual themes and a body politic that has regulated the sexual in popular culture even as its discourse has been saturated with sexual images and topics The History of Sex in American Cinema moves seamlessly between general film and social history to clarify how exactly sex has been expressed cinematically and how we have responded to those expressions as a culture In March of 1965 the Supreme Court put into motion legal changes that marked the end of local film censorship as it had existed since the early years of the twentieth century In Hollywood that same year The Pawnbroker was released with a Production Code Seal of Approval despite nudity that violated that Code As sexual liberation occurred onscreen parallel developments occurred in the way we lived our lives and by the end of the 1960s Americans were having sex more often and with more partners than ever before There was also now a public debate surrounding sexuality and one of the loudest and most continually active voices in this debate was that of American film This work begins with an examination of some of the earliest altercations in what later came to be known as the culture wars and follows those skirmishes more often than not provoked by American film up to the modern day By looking at how sex in the cinema has contributed to the demise of the fragile consensus between liberals and conservatives on freedom of expression The History of Sex in American Film suggests a perspective from which today s culture wars can be better understood This work combines close readings of many representative films including Who s Afraid of Virginia Woolf The Graduate Blue Velvet Philadelphia L A Confidential and Closer with a social and historical account of the most significant changes in American sexual behavior and sexual representation over the past fifty years

A History of X Luke Ford, 2010-06-03 he breaks legitimate stories that have a huge impact Meet Luke Ford chronicler of the porn world Online Journalism Review This first comprehensive and most in depth history of cinematic pornography details sex in film from 100 years ago to today concentrating on the quarter century since Deep Throat when pornography became a subject of popular culture Luke Ford is the best known source on the porn film world today the only journalist writing about the industry who is not also employed by it This unique position gives Ford the objectivity to report without bias and he is often consulted as a trusted news source on the porn industry by many major news publications Insightful entertaining and bold A History of X takes us from the primitive film studios of the 1900s where porn got its start as a daring experiment in sexual freedom to the closed door multi million dollar porn film corporations of today Ford includes exclusive interviews with the stars the producers and the distributors as well as detailed data on censorship attempts from the early days to the present He documents the controversial careers of top porn stars Marilyn Chambers John Holmes Linda Lovelace Harry Reems Gerard Damiano Georgina Spelvin Traci Lords

Max Hardcore Ginger Lynn and others revealing both the great benefits and the tragic consequences that often come from fame and fortune in the porn industry He also discusses the many controversial aspects to the business including Mafia influences the impact of the AIDS epidemic on the industry and the myths and realities behind child pornography Extensively researched and documented A History of X is a fascinating exposé of a business few dare to touch Luke Ford was educated in Australia and has worked as a radio host as well as a journalist He now operates a website on the porn industry www.lukeford.com

Swedish Cinema and the Sexual Revolution Elisabet Björklund, Mariah Larsson, 2016-07-13 Swedish cinema became recognized for daring representations of sexuality with such films as *One Summer of Happiness* 1951 *The Silence* 1963 *I Am Curious Yellow* 1967 and a wave of sex films in the late 1960s and 1970s The association between Swedish film and sexuality shows up frequently in popular culture From *Taxi Driver* 1976 to *Mad Men* 2007 2015 dirty Swedish movie references abound Yet the connection has attracted little critical attention In this collection of new essays Swedish and American scholars go beyond popular misconceptions to explore the origins influences and reception of sexuality in Swedish cinema during the sexual revolution on both sides of the Atlantic A broad range of topics are covered from analyses of key films to a behind the scenes study of the Swedish Film Institute which played a significant role in opposing Swedish film censorship

[Sex Scene](#) Eric Schaefer, 2014-03-21 *Sex Scene* suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe They discuss art films such as *I am Curious Yellow* mainstream movies including *Midnight Cowboy* sexploitation films such as *Mantis in Lace* the emergence of erotic film festivals and of gay pornography the use of multimedia in sex education and the sexual innuendo of *The Love Boat* Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics They highlight the increasingly fluid divide between public and private the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world Contributors Joseph Lam Duong Jeffrey Escoffier Kevin M Flanagan Elena Gorfinkel Raymond J Haberski Jr Joan Hawkins Kevin Heffernan Eithne Johnson Arthur Knight Elana Levine Christie Milliken Eric Schaefer Jeffrey Sconce Jacob Smith Leigh Ann Wheeler Linda Williams
