West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States *Sex, Marriage, and Chastity*

Lutzer,2009-12-17 HEADLINE Is it really that big of a deal A May 2009 Gallup poll revealed that fifty seven percent of Americans oppose same sex marriage while only forty percent are in favor of it down from forty six percent in 2007 This short easy to read book helps shed light on what so many people believe and why they ought not be at a loss about what to do now The headlines only tell part of the story In this revised and updated version of his bestselling book Dr Erwin Lutzer clearly and accurately depicts the truth about what is at stake here By asking the right questions and by pinpointing the very real ramifications of same sex marriage this handbook will help guide reality back to Truth Dr Lutzer expertly answers the questions that so many individuals parents friends and families are asking How did we get to this point Why is marriage as God intended it better and healthier How can I talk to my kids about this How do I responsibly read watch and filter the news Is there still hope Let no one say that we have to choose between loving homosexuals and opposing same sex marriages Biblically love is defined not as license to legitimize sinful behavior of any kind but love helps us see that there is a better way Obviously we must be as concerned about our own sins as we are about the sins of the homosexual community We must be concerned enough to speak out about any action heterosexual or homosexual that violates God s intended plan for marriage and the family This simple straightforward look at the issue of same sex marriage will equip you to know what is really happening and most importantly why it matters for you      **Sex, Love, and Families** Julie Hanlon Rubio,Jason Edward King,2020-03-30 2021 Association of Catholic Publishers first place award in theology 2021 Catholic Media Association Award first place award in marriage and family living Six years into the papacy of Pope Francis Catholics are still figuring out how to respond to his image of the church as a field hospital a church that goes into the streets rather than remaining locked up behind closed doors Marriage and family are primary sites of the field hospital called to meet people s need for healing and accompaniment with compassion and love The authors of this collection all lay a mix of single and married traditional and progressive Catholics take up this work They offer practical wisdom from and critical engagement with the Catholic tradition but avoid rehashing decades old theological debates Instead their essays engage with and respond to realities shaping contemporary family life like religious pluralism technology migration racism sex and gender incarceration consumerism and the call to holiness The result is a collection that envisions ways that families can be places of healing and love in and for the world      **God, Sex, and Gender** Adrian Thatcher,2011-05-02 Engagingly and clearly written by a highly respected theologian God Sex and Gender is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years Discusses many topics including sexual difference sexual equality gender and power the nature of desire the future of marriage in Christian sexual ethics homosexuality and same sex unions the problems

*Not Just Private* Craig Bakker,2023-03-07 Both within the church and outside of it popular discourse around sex is often shallow and individualistic This is especially true on the topic of sex outside of marriage Not Just Private explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian
