King, Michael J.G. Parnwell, 2018-10-26 South East Asia has developed rapidly as a tourist destination but what are the effects of this growth upon the peoples of the region How far is it possible to control the impact of tourism whilst also supporting the industry's role in the region's development This book first published in 1993 attempts to answer these questions by providing a critical analysis of the nature of tourism as it has developed in the area It questions commonly held assumptions about tourism both from a western perspective and from the point of view of policy makers in the region It explores central issues such as the impact of tourism on the environment culture and the economy placing it within an historical and political context in order to assess the implications of current developments The contributors use case studies from a variety of countries on such aspects as the sex industry dream holidays and rural handicrafts assessing tourist perceptions both domestic and international and policy decisions By taking a long term perspective it should provoke thought on the ways to develop

sustainable tourism for the future      **Legacies of the Comfort Women of World War II** Margaret D. Stetz, Bonnie B. C. Oh, 2015-02-12 The stories of the former comfort women have galvanized both Asian and non Asian intellectuals working in a variety of fields Scholars of Asian history and politics feminists human rights activists documentary filmmakers visual artists and novelists have begun to address the subject of the comfort system to take up the cause of the surviving comfort women's struggles to call attention to sexual violence against women especially during wartime to consider the links among militarism racism imperialism and sexism and to include this history into 20th century political history This volume contains a cross section of responses to the issues raised by the former comfort women and their new visibility on the international stage Its focus is on how theorists historians researchers activists and artists have been preserving interpreting and disseminating the legacies of the comfort women and also drawing lessons from these The essays consider the impact and influence of the comfort women's stories on a wide variety of fields and describe how those stories are now being heard or read and used in Asian and in the West      *Emerging Voices* Huping Ling, 2008-12-30 While a growing number of popular and scholarly works focus on Asian Americans most are devoted to the experiences of larger groups such as Chinese Japanese Korean Filipino and Indian Americans As the field grows there is a pressing need to understand the smaller and more recent immigrant communities *Emerging Voices* fills this gap with its unique and compelling discussion of underrepresented groups including Burmese Indonesian Mong Hmong Nepalese Romani Tibetan and Thai Americans Unlike the earlier and larger groups of Asian immigrants to America many of whom made the choice to emigrate to seek better economic opportunities many of the groups discussed in this volume fled war or political persecution in their homeland Forced to make drastic transitions in America with little physical or psychological preparation questions of why am I here who am I and why am I discriminated against remain at the heart of their post emigration experiences Bringing together eminent scholars from a variety of disciplines this collection considers a wide range of themes including assimilation and adaptation immigration patterns community education ethnicity economics family gender marriage religion sexuality and work      *Information Communication Technologies: Concepts, Methodologies, Tools, and Applications* Van Slyke, Craig, 2008-04-30 The rapid development of information communication technologies ICTs is having a profound impact across numerous aspects of social economic and cultural activity worldwide and keeping pace with the associated effects implications opportunities and pitfalls has been challenging to researchers in diverse realms ranging from education to competitive intelligence      **The Oxford Handbook of Transnational Feminist Movements** Rawwida Baksh-Soodeen, Wendy Harcourt, 2015 The Oxford Handbook of Transnational Feminist Movements explores the historical political economic and social contexts in which transnational feminist movements have emerged and spread and the contributions they have made to global knowledge power and social change over the past half century The publication of the handbook in 2015 marks the fortieth anniversary of the United Nations International Women's Year the thirtieth anniversary of the Third World Conference on Women held in Nairobi the

twentieth anniversary of the Beijing Declaration and Platform for Action and the fifteenth anniversaries of the Millennium Development Goals and of UN Security Council Resolution 1325 on women peace and security The editors and contributors critically interrogate transnational feminist movements from a broad spectrum of locations in the global South and North feminist organizations and networks at all levels local national regional global and glocal wider civil society organizations and networks governmental and multilateral agencies and academic and research institutions among others The handbook reflects candidly on what we have learned about transnational feminist movements What are the different spaces from which transnational feminisms have operated and in what ways How have they contributed to our understanding of the myriad formal and informal ways in which gendered power relations define and inform everyday life To what extent have they destabilized or transformed the global hegemonic systems that constitute patriarchy From a position of fifty years of knowledge production activism working with institutions and critical reflection the handbook recognizes that transnational feminist movements form a key epistemic community that can inspire and provide leadership in shaping political spaces and institutions at all levels and transforming international political economy development and peace processes The handbook is organized into ten sections each beginning with an introduction by the editors The sections explore the main themes that have emerged from transnational feminist movements knowledge theory and praxis organizing for change body politics health and well being human rights and human security economic and social justice citizenship and statebuilding militarism and religious fundamentalisms peace movements UNSCR 1325 and postconflict rebuilding feminist political ecology and digital age transformations and future trajectories

*Sex Tourism* Michael C. Hall, Chris Ryan, 2005-07-08 *Sex Tourism* examines the issues which emerge from sex worker client interactions and from tourists visiting sex destinations It is a comprehensive summary of past research by academics and original primary and secondary research by the authors and has examples from Asia Australasia and the USA The authors have generated new models to show different dimensions of sex tourism which normalise at least some components of the sex industry and represent a new way of looking at sex tourism by challenging the preconceived perceptions that some people have of sex tourism or confirm the impression of others *Sex Tourism* looks at issues of importance to those working in tourism women s studies gender studies and social change

*Sex and the Sexual during People's Leisure and Tourism Experiences* Neil Carr, Yaniv Poria, 2010-05-11 *Sex and the sexual* have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular *Sex and the Sexual During People s Leisure and Tourism Experiences* seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate As such this book is designed to highlight cross disciplinary emerging work on sex and the sexual in leisure and tourism and provide the readers with insights into this social realm It encompasses a broad array of sex related issues and tourism and leisure environments from across a variety of countries The book should appeal to researchers and students across the humanities and social sciences both for

the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today's world. Overall it is argued that sex and the sexual should play a part in the academic discourse especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned.

**Gender Through the Prism of Difference** Maxine Baca Zinn, Pierrette Hondagneu-Sotelo, Michael A. Messner, 2016. *Gender Through the Prism of Difference* adopts a global transnational perspective on how race, class and sexual diversity are central to the study of sex and gender. In contrast with other books in this area which tend to focus on US or European viewpoints, this wide-ranging anthology features many articles based on research done elsewhere throughout the world. Now in its fifth edition, the book opens with a revised and updated Introduction that sets the stage for understanding gender as a socially constructed experience. Featuring twenty-eight new readings, this edition covers compelling subjects like transgendered people, intersex issues, men and masculinity, sexual and gender violence, disabilities, obesity, reproductive technologies, educational testing, aging and ageism, and Occupy Wall Street.

**The Body in the Library**, 2022-06-08. The body is increasingly understood as being at the centre of colonial and post-colonial relationships and textual productions. Creating and circulating images of the undisciplined body of the other was and is a critical aspect of colonialism. Likewise, resistance to colonial practices was also frequently corporeal, with indigenous peoples appropriating, parodying and subverting those European practices which were used to signify the civilized status of the colonizing body. *The Body in the Library* reads representations of the corporeal in texts of empire; case studies include gendered representations of corporeality, medical regimes, ethnography and photography in the Pacific, cultural transvestism in theatre, disease and colonial knowledge, generation freak shows and colonial exhibits, cinematic representations of bodies, geography and the metaphorization of land as a penetrable body, marketing the body organ, transplants and the limits of the post-colonial paradigm. In viewing colonialism and resistance as a bodily phenomenon, *The Body in the Library* enables new perspectives on the process of colonization and resistance. It is an important resource for teachers and students of colonial and post-colonial literatures.

**The Industrial Vagina** Sheila Jeffreys, 2008-11-19. This book demonstrates the importance of the global sex industry to the field of international politics, exploring the development of the industry and the wider social implications.

**Sex in Tourism** Neil Carr, Liza Berdychevsky, 2021-11-04. This book encompasses the diversity and complexity of sex in tourism, incorporating the light, dark and shades of grey in between. It brings together work and ideas from a diverse array of researchers from around the world and examines the affects and effects of diverse sexual encounters in tourism, romance tourism, sex tourism and sexual exploitation in tourism, including the sexual exploitation of children in travel and tourism and sexual harassment. Sex in tourism has arguably been an understudied area of research relative to the central roles that sex plays within tourism experiences. This volume explores the complexity and nuanced nature of sex in tourism in more detail. It will be of interest to students and researchers of tourism, its impacts, tourist behaviour, hospitality

**Appealing Because He Is Appalling** Tamari

Kitossa, 2021-07-02 This collection invites us to think about how African descended men are seen as both appealing and appalling and exposed to eroticized hatred and violence and how some resist accommodate and capitalize on their eroticization Drawing on James Baldwin and Frantz Fanon the contributors examine the contradictions paradoxes and politico psychosexual implications of Black men as objects of sexual desire fear and loathing Kitossa and the contributing authors use Baldwin's and Fanon's cultural and psychoanalytic interpretations of Black masculinities to demonstrate their neglected contributions to thinking about and beyond colonialist and Western gender and masculinity studies This innovative and sophisticated work will be of interest to scholars and students of cultural and media studies gender and masculinities studies sociology political science history and critical race and racialization Foreword by Tommy J Curry Contributors Katerina Deliovsky Delroy Hall Dennis O Howard Elishma Khokhar Tamari Kitossa Kemar McIntosh Leroy F Moore Jr Watufani M Poe Satwinder Rehal John G Russell Mohan Siddi

**Visiting the Neighbours** Agnieszka Sobocinska, 2014-09-01

A million Australians went to Bali last year following the millions of others who have made their way across Asia over the past century Many travellers returned thinking they knew Asia and their personal experiences helped shape popular attitudes This absorbing book unpacks their experiences showing how their encounters changed the way Australians thought about themselves in the world Visiting the Neighbours tells the story of Australian relations with Asia from the bottom up examining the experiences of some of the millions of travellers and tourists who headed to the region over more than a hundred years Merchants missionaries pilgrims soldiers hippies diplomats backpackers all had an impact on diplomacy and international relations Agnieszka Sobocinska's book is a bold and important step in understanding the intersection between popular opinion prejudice and international relations as Australia stands at the precipice of the Asian Century Sets out a range of fascinating and different roles played by Australians in Asia Michael Wesley author of There Goes the Neighbourhood Australia and the rise of Asia Puts travel to Asia firmly on the Asia literacy map This is not only a richly detailed subtly argued and historically informed study of the Australian traveller in Asia It is also smart sharp and a very good read David Walker BHP Billiton Chair of Australian Studies Peking University

**Capitalism's Sexual History** Nicola

J. Smith, 2020-08-27 As ongoing controversies over commercial sex attest the relationship between capitalism and sexuality is deeply contentious Economic and sexual practices are assumed to be not only separable but antithetical hence why paid sex is so often criminalized and morally condemned Yet while sexuality is highly politicized in moral terms it has largely been overlooked in the discipline devoted to the study of global capitalism international political economy IPE Likewise the prevailing field in sexuality studies queer theory has frequently sidelined questions of political economy This book calls for critical scholarship to challenge the economy sexuality dichotomy as it not only structures disciplinary debates but is part and parcel of capitalism itself Capitalism's Sexual History brings IPE and queer theory into close dialogue to explore how the

division between economy and sexuality has been historically produced to appear both natural and moral By examining sex work in Britain Nicola J Smith draws on in depth archival research to chart a history of capitalism s sexual relations from medieval times to the present day She shows how capitalist development was made possible by the appropriation of unpaid sexual labor that relied in turn on the repression and production of paid sex By tracing the historical construction of boundaries around sex and work this book exposes how capitalism has long profited from the notion that the sexual and economic spheres can and must be kept apart In so doing it offers a distinctive contribution to the study of sex and work as well as to wider scholarly activist and policy debates about political economy reproductive labor gender equality and sexual justice

Individual and Social Adaptions to Human Vulnerability Donald C. Wood, 2018-12-14 This volume celebrates the 40th anniversary of the Research in Economic Anthropology series presenting ten peer reviewed anthropological papers looking at human vulnerability the ways people attempt to cope with it and barriers to successfully overcoming it

**Wife or Worker?** Nicola Piper, Mina Roces, 2004-09-01 This volume challenges the dominant discourse that perceives Asian women as either mail order brides or overseas workers Providing the first sustained critique of the artificial analytical division between brides and workers the book demonstrates women s transition from brides to workers and from workers to brides Focusing on how women workers use marriage as a strategy to gain citizenship and how migrants for marriage become workers the authors present these modern Asian women in their multidimensional roles as wives workers mothers and citizens The case studies explore a wide gamut of experiences including Filipino caregivers in Canada Thai sex workers in Germany Filipino brides in Australia Singaporean expatriates in Shanghai Taiwanese families split between Taiwan and California Asian migrants for marriage in Japan and Filipino domestic helpers in Spain and Italy All of these show the multiplicity of roles women maintain and emphasize the point that marriage work and migration are inextricably linked Contributions by Maria W L Chee Michelle Lee Deirdre McKay Pat Mix Tomoko Nakamatsu Rogelia Pe Pua Nicola Piper Mina Roces Katie Willis and Brenda Yeoh
