Lurcher Training And Hunting:

The Lurcher Frank Sheardown,1996 This book is about dogs that result from the matings of a longdog and other breeds such as gundogs guard dogs or sheepdogs *Practical Lurcher Breeding* , *Tales of a Rat-Hunting Man* David Brian Plummer,2000-10 **Omega** David Brian Plummer,2002-03 The story of Plummer s most famous Jack Russell bitch

Understanding the Working Lurcher Jackie Drakeford,2000 The lurcher has been with us for thousands of years Large or small rough or smooth images of lurchers have appeared over the years in paintings in tapestries or on pottery What is the attraction of these dogs Perhaps it lies in the strong bond that must be formed as a result of the close working relationship a hunting dog must forge with its master From selection of a suitable lurcher to fitness training working and breeding Understanding the Working Lurcher offers sound common sense advice based on years of experience Contents include choosing a lurcher general and field training entering to quarry care and maintenance and breeding pregnancy and birth AUTHOR Jackie Drakeford is an experienced countryside writer with a special interest in lurchers She writes for countryside publications including Countryman s Weekly and Country Illustrated and judges at lurcher and ferret shows She is passionate about the countryside and conservation and supports many animal welfare associations A proportion of her royalties from this book will be donated to Lurchersearch UK 100 b w photos **Lepus** David Brian Plummer,2000-10

Rogues and Running Dogs David Brian Plummer,1997-12 Plummer s reminiscences of his early lurchers and the men that bred them of poaching coursing and dog fighting with his views on the different crosses used in breeding lurchers An excellent book about lurchers and their raffish owners Shooting Times *Adventures of an Artisan Hunter* David Brian Plummer,2000-10 Account of Plummer s development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in Hancock s My Life with Lurchers **Merle** David Brian Plummer,2000-08 The background breeding and life of Plummer s most famous lurcher

In Pursuit of Coney David Brian Plummer,2001-04 **Diary of a Hunter** David Brian Plummer,2002-03 an entertaining and unusual record of a year s activities with a pack of Jack Russell terriers half a dozen lurchers as many ferrets and a varied cast of human characters Terrier lurcher and ferret breeding lots of rat hunting as well as rabbiting a bit of falconry and much else besides Also includes an inside account of the television documentary which was made about the author Rat Hunting Man *The Working Lurcher* Jackie Drakeford,2006-07-28 Working Lurcher takes the reader through

the basic standards required in a lurcher that is about to start work and describes the different quarry species and the traditional methods of bringing each to hand as well as the types of lurcher best suited to each task The book covers all aspects of traditional lurcher work undertaken before the 2004 hunting ban Jackie Drakeford gives fascinating details of the lurcher at work as well as descriptions of her own hunting experiences *Tales from the Field* Penny Taylor,2012 My life revolves around my lurchers and terriers and the work they do in the field This book is a compilation of hunting tales about the dogs to whom I owe so much it recalls events which took place before the ban as well as those of more recent years It examines the close relationship I have with my dogs their successes and failures and the disasters which sometimes befall those who try their utmost each and every time they pursue their quarry This book is dedicated to working dogs the world over *The Working Bedlington* John Glover,1999-03 *The Traveller-Gypsies* Judith Okely,1983-02-24 The first monograph to be published on Gypsies in Britain using the perspective of social anthropology **Our Debt to the Dog** Bryan D. Cummins,2013-11-07 When Homo sapiens sapiens met Canis lupus lupus millennia ago the result was Canis lupus familiaris the domestic dog Since that fateful encounter the dog has become arguably humankind s greatest creation The domestic dog is the most widely distributed species other than ourselves in the world being found virtually wherever people live and is also the most diversified of species with literally hundreds of recognized breeds While we have shaped the dog it too has helped shape human history in innumerable ways Our Debt to the Dog is a critical historical and cross cultural examination through the use of case studies of this most improbable 15 000 year relationship and an exploration of how this relationship shaped the history of the world It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise Our Debt to the Dog enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human canine relationships and the dog s contributions to our lives and our world *Field and Stream* ,1923 **Complete Training for the Working Spaniel** Graham Gibson,2015-04-30 A beautifully illustrated guide to training a working spaniel in the shooting field from basic obedience to advanced hunting and retrieving with advice and step by step information from esteemed gundog trainer Graham Gibson Complete Training for the Working Spaniel is suitable for both novice and experienced trainers and is essential reading for anyone looking to bring out the best from their spaniel in the shooting field Topics covered include choosing a spaniel teaching the basics commands lead training and the recall introduction to game hunting retrieving and handling common problems and solutions from the delivery to chasing game advanced retrieving and water work and finally competitions and gundog trials There are 141 beautiful colour photographs to demonstrate the training techniques throughout *The House Lurcher* Jackie Drakeford,2019-06-06 Learn how to live happily with your lurcher at home and in public and how to establish a sound recall so your lurcher can be exercised with confidence off the lead All aspects of owning and training lurchers are covered in detail with special attention given to those coming in from

A Greyt Deception: A Rachel Chance and Will Keller Mystery Randall Wisheart, 2023-09-15 Rachel Chance thinks she's just visiting a site on the Underground Railroad as part of the inaugural Glen Falls Freedom Festival until her Greyhound Abby alerts her to a dead body. It's Anthony Jenkins, a man Rachel had seen arguing with her friend just days earlier. Was Jenkins working on a manuscript that would unmask a criminal? Did his sudden marriage lead a greedy family member to kill for a share of an inheritance? Did a past mistake lead a revenge seeker to Glen Falls, Indiana? It soon becomes clear that there is no lack of motives for murder. Rachel's romantic interest, Will Keller, is soon the target of a police detective who had once been involved with Rachel. As past collides with present, Will remains in the crosshairs of the persistent detective. When Angelica Jenkins, the estranged wife of Anthony Jenkins, arrives on the scene, the tension builds. The Jenkins family doesn't trust her and accuses her of only being after the inheritance. Anthony's brother Arthur cannot contain his temper, and public scenes draw attention to the family. Rachel strives to find out more about the family whose arguments provide potential motives for murder. When the seductive Angelica starts to pay attention to Will, Rachel wonders about her motivation. Will's office is broken into, and Angelica appears along with Detective Garrett. A mystery person was searching for something, but what? Rachel and Will begin their own investigation but find more questions than answers. Rachel must put aside her questions about her relationship with Will and her hopes of adopting another Greyhound in order to find a killer. Issues from the past come to light, and Rachel wonders if a tragedy from the past came back to haunt Anthony Jenkins. Will and Rachel continue to follow leads but realize that any of the suspects could be a murderer. Is the motive greed, jealousy, or revenge? When Rachel receives a mysterious note that threatens her Greyhound, she becomes more determined than ever to discover the truth behind the murder. Rachel and Will uncover one deception after another but realize that a risky plan that puts them in danger may be the only way to discover the truth. Their plan is thwarted when Rachel is captured by a killer. The danger mounts, and at the last minute, an unexpected ally comes to Rachel's aid. Rachel's Greyhound Abby plays a vital role in a final confrontation. Will it be enough to solve the mystery and bring a killer to justice?
